**To:** Legislative Advisory Commission Members

**From:** Erin Campbell, Secretary, Legislative Advisory Commission *EC*

**Subject:** Request for Legislative Advisory Commission Interim 20-Day Review of Federal Funds

I am submitting for your review and recommendation \$676,258,560 for FY 2024 and \$580,380,071 for FY 2025 of federal funds. This request for Legislative Advisory Commission (LAC) interim review of federal funds follows the procedure as provided in [Minnesota Statute 3.3005, subdivision 6](#), which requires the federal funds review request be submitted by October 1 or 100 days before the start of the next legislative session. Some of the grants are not new awards and have previously been approved through legislative review. These submissions recognize the amount of the award that will carry forward into FY 2024 or FY 2025 or an increased award amount.

I will approve these federal fund requests for spending in 20 days unless a LAC member requests further review or provides a negative recommendation for a specific request in writing by Monday, November 27, 2023. Below is a link to the LAC Interim 20-day federal funds review submission, which includes a summary table of the requests by Bill Area, Agency and Federal Grant and a federal fund review request form for each grant.
