

Premium Security Plan Account

End of Session

PURPOSE OF ACCOUNT – The Premium Security Plan was created by the 2017 legislature to provide reinsurance payments to health insurers, to help cover high-cost claims in the individual market. These payments are intended to reduce premiums and result in more affordable health insurance for Minnesotans. The Minnesota Comprehensive Health Association (MCHA) administers the program, and the Department of Commerce serves as the fiscal agent for state appropriations to the program.

SOURCES – Revenues to the fund include federal payments made possible through a State Innovation Waiver under Section 1332 of the Affordable Care Act. The waiver and conforming state law are currently in place through plan year 2027. Payments are determined by the U.S. Treasury Department. An initial investment of \$543 million was appropriated from the state’s general fund and health care access funds, and \$247 million was subsequently returned to the general fund through legislative action. Additional transfers from the general fund of \$300 million and \$229 million, in fiscal years 2023 and 2025, respectively, were authorized by the 2022 Legislature as a result of the program’s extension. Any state funds remaining in the Premium Security Plan Account on June 30, 2029 will be returned to the health care access fund.

USES – Expenditures in this account represent grants to MCHA for reinsurance payments and the operational costs of the Minnesota Premium Security Plan.

RELATIONSHIP TO OTHER STATE OF MN PROGRAMS –Prior to calendar year 2023, the impact of the Premium Security plan lowering the cost of health insurance on the individual market decreased market rates used to calculate the Basic Health Program (MinnesotaCare) funding the state received for individuals between 138 and 200 percent of the federal poverty level. In December 2022, the federal government finalized a rule changing the Basic Health Program funding formula for future years. These changes attempt to hold states harmless for operating a reinsurance program by modeling Basic Health Program funding as if a state did not operate a reinsurance program.

END OF SESSION STATEMENT

Laws of Minnesota 2023, Chapter 57 transferred \$275.775 million from the Premium Security Plan Account in fiscal year 2026 to the general fund. This transfer reduces the resources in the account and leaves funds sufficient to operate the Premium Security Account through plan year 2025, which is paid in fiscal year 2026.
