**Subject:** 2022 Session Submission – Additional Federal Funds for 20-day Review

This memo is to advise you and your colleagues of additional anticipated federal funds needing review under Minnesota Statutes 3.3005, subdivision. 2 and 2a. The Governor's all funds budget as submitted for the current biennium should be increased by \$441,208,316.

I will approve these federal fund requests for spending in 20 days unless a Legislative Advisory Commissioner (LAC) member requests further review for a specific request in writing by April 7. Below is a link to the 20-day federal funds review submission, which includes a summary table of the requests by bill area, agency and federal grant and a federal fund review request form for each grant.
