

Take the AMGC Master Policy Challenge

Ask your MI provider these four questions:

- 1** Does your master policy expressly prohibit any rescissions of coverage ever on my loans for underwriting or borrower misrepresentation?
- 2** Does your master policy completely relieve me of any risk of a rescission for a first-party misrepresentation after five years?
- 3** Does your master policy provide me Day One rescission relief for underwriting, with absolutely no requirement to send post-closing documents?
- 4** Does your master policy prohibit a rescission of coverage on my loans for any reason when I make an innocent mistake?

No other MI company can offer the same rescission terms under its GSE master policy as top-rated Arch Mortgage Guaranty Company (AMGC) can.*

Lend with confidence when you insure with AMGC.
