Campus location:

The Conrad Prebys Music Center (CPMC) is directly across Russell Drive to the West of the Gilman Parking Structure. Google Link to our exact location ([link](#))

For those using their navigation devices, please search for the "**Conrad Prebys Music Center at UC San Diego**". The entire campus uses the same mailing address, so if you use the 9500 Gilman Drive address, you will be directed the to medical school (not that close to our building!)
