

**OIL AND GAS GROSS PRODUCTION TAX DISTRIBUTIONS TO POLITICAL SUBDIVISIONS QUARTERLY UPDATE DETAIL**

This memorandum provides information on oil and gas gross production tax collections distributed to political subdivisions for the biennium to date through October 2020. The distributions to political subdivisions reflect oil production and prices from 2 months prior. Distributions to political subdivisions pursuant to the new formula in House Bill No. 1066 (2019) became effective with July 2019 oil production and September 2019 distributions. However, this memorandum reports the distributions to political subdivisions for the period August 2019 to July 2021 to align with the reporting for the allocations to state funds.

**DISTRIBUTIONS TO HUB CITIES AND HUB CITY SCHOOL DISTRICTS**

The schedules below provide information on the distribution of oil and gas gross production tax collections to hub cities and hub city school districts for the biennium to date through October 2020. Hub cities and hub city school districts receive oil and gas tax revenue allocations from two sets of funding pools, one set for the hub cities and the other for the hub city school districts. Each set of funding pools includes a pool based on a fixed amount and another pool based on a variable amount. The allocations from the funding pools are based on impact scores. The impact scores reflect the percentage that each hub city and hub city school district receives from funding pools. The impact scores are calculated based on a variety of factors including mining employment, mining establishments (businesses), oil production, and population. The State Treasurer calculates the impact scores on an annual basis based on the most recently available data.

The impact scores for the hub cities for fiscal year 2020 (beginning September 2019), as determined by the State Treasurer, are as follows--Williston, 59.7 percent; Dickinson, 28.2 percent; and Minot, 12.1 percent. The impact scores for the hub cities for fiscal year 2021 (beginning September 2020), as determined by the State Treasurer, are as follows--Williston, 59.3 percent; Dickinson, 29.0 percent; and Minot, 11.7 percent.
