LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2021 legislative session.

The 67th Legislative Assembly met in regular session from Tuesday, January 5, 2021, through Thursday, April 29, 2021.

The titles of bills in this report are from bills as voted on in the house of origin. The Century Code Sections Affected Report identifies sections contained in bills as introduced. The Subject Index entries refer to the measures as introduced but entries are updated as bills passed in the house of origin.

There were 935 bills and resolutions introduced during the 2021 legislative session and 556 passed both chambers. Out of the total 935 bills and resolutions, there were 867 bills, 65 concurrent resolutions, 1 House resolution and 2 memorial resolutions.

Of 867 bills introduced, there were 516 House bills and 351 Senate bills. There were 522 bills passed, 289 House bills and 233 Senate bills. There were 24 House concurrent resolutions and 10 Senate concurrent resolutions passed by both houses. The House passed 1 House resolution. Both memorial resolutions (1 House and 1 Senate) passed.

Of the 522 bills presented to the Governor, 518 bills were signed into law. The Governor vetoed four bill and made one line item veto that did not affect the entire bill. Two of the Governor's vetoes were overridden by the Legislative Assembly. Thus, 520 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.

NOTE: Totals include 20 bills and 1 resolution introduced during the November 2021 special session.
