

## NIH ADVISORY COMMITTEE NOMINEE/MEMBER CERTIFICATION FORM

On June 18, 2010, former President Barack Obama issued a Presidential Memorandum announcing a continued commitment to reduce the influence of special interests by keeping federal advisory committees and boards free of federally registered lobbyists. The Office of Management and Budget (OMB) was directed to issue final guidance to implement this directive following a public comment period. On October 5, 2011, OMB, published "Final Guidance on Appointment of Lobbyists to Federal Boards and Commissions." The prohibition on the appointment of federal registered lobbyists applies to appointments and re-appointments made after June 18, 2010.

Appointing Officials or their delegates/designees must ensure, at least annually, that advisory committee, temporary, SEP, subcommittee and working group members are not federally registered lobbyists. Members that become federally registered lobbyists after an appointment must resign or be removed from advisory committee service.
