OLAW CONVERSATIONS

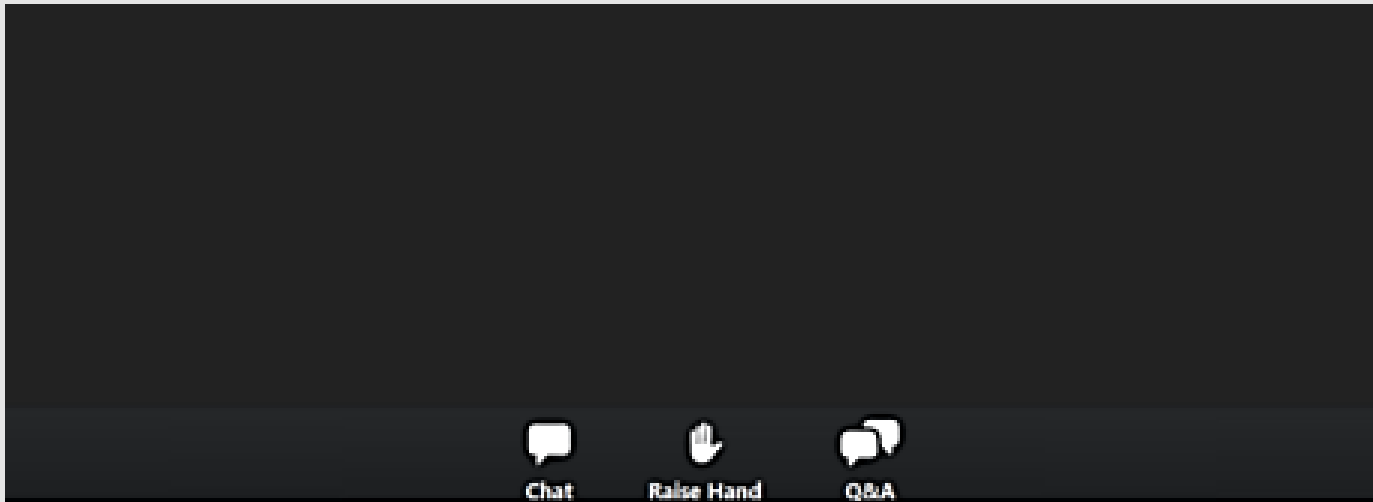

Inclusive IACUCs: Effective Ways to Leverage Nonscientist and Nonaffiliated Members

Tuesday, February 15, 2022

National Institutes of Health
Office of Laboratory Animal Welfare

Today's session

- Session will not be recorded
- Slide PDFs and certificates will be sent to attendees
- 3 ways to interact:
 - Raise hand feature. Attendees raising hands will be unmuted in order requests are received
 - Chat box
 - Q and A feature.
 - There is a checkbox in the Q and A feature that provides the option to submit questions anonymously

Our Team:

Julie Arendt

R. Wayne Barbee, Ph.D., CPIA

Deb Berenbach

Marley Johnson

Jennifer Klahn

Learning Objectives

- **LO #1: Define nonscientist and nonaffiliated members**
- **LO #2: Describe the benefits of these perspectives for IACUC deliberations**
- **LO #3: Discuss challenges in integrating these members into IACUC activities**
- **LO #4: Collaborate to improve training and IACUC integration for nonscientist and nonaffiliated members**

First, some
definitions

PHS Policy [IV.A.3.](#): nonscientist, nonaffiliated

“one member whose primary concerns are in a nonscientific area (e.g., ethicist, lawyer, and member of the clergy); and

one individual who is not affiliated with the institution in any way other than as a member of the IACUC, and is not a member of the immediate family of a person who is affiliated with the institution.”

§ 2.31(b)(3)(ii)

At least one shall not be affiliated in any way with the facility other than as a member of the Committee, and shall not be a member of the immediate family of a person who is affiliated with the facility. The Secretary intends that such person will provide representation for general community interests in the proper care and treatment of animals;

Activity

- **What kind of differences do you see?**
- **What kind of differences do you *not* see?**

Thank you!

Next Session: February 24, 2022

Improving Enrichment and Handling Practices for Laboratory Fish
