Notice

The University Department of Physics (Autonomous) is organising the following bridge courses in July 2018:

1. Numerical Techniques and Programming (12-18 July 2018)
2. Statistical Mechanics (19-22 July 2018)

The bridge courses are intended for students who will be taking admission to M. Sc. II this year (2018-19). The idea is to refresh/strengthen topics already taught upto B. Sc. and cover the gaps in the students' preparation for the forthcoming year, through interactive lectures/tutorial sessions emphasizing problem-solving.

A maximum of 80 students will be accepted in each programme. Prior registration is a must. Admission will be on first-come-first-served basis. The registration fee for the programme is Rs. 100. Fee waiver may be considered on case by case basis. Interested students can contact the University Department of Physics office and register themselves from July 02, 2018 onward.
