

Sample Questions

Subject: Computer Graphics

Course: S.Y.B.Sc.(I.T.)

Semester: 3

Q1. In CRT the tube is coated with _____ material(1)

1. Chemical substance
2. Florescent powder
3. Phosphorous
4. No coating

Q2. _____ is not an advantage of Computer Graphics(1)

1. Higher pixel value
2. Large and heavy in size
3. Less expansive
4. Vector

Q3. _____ is the maximum number of points that can be without overlapping on CRT(1)

1. Persistence
2. Resolution
3. Aspect Ratio
4. Pixel

Q4. DDA stands for _____(1)

- a) Digital Differential Analyser
- b) Digital Different Analyzer
- c) Digital Deferential Analysis
- d) Digit Different Analysis

Q5. _____ involves display, manipulation & storage of pictures & experimental data for proper visualization(1)

1. Computer Graphics
2. Image processing
3. modelling
4. Rendering
