Read the given passage answer the questions.

Among the chief sources of education available to Tagore was, a quiet garden adjoining his family house. Here he used to spend much of his time, absorbing the peace and beauty of nature. It was through this early contact with nature that he acquired the serenity of mood that distinguished him all his life. It was in this garden that he came to understand the principle of harmony that was at work throughout the Universe. At the same time, he formed the habit of observing and reflecting on things.
