

Schedule of account and service fees

At Merrill, clients enrolled in Merrill Guided Investing, an investment advisory program, can enjoy a professionally managed portfolio that is aligned to their goals, with a low Annual Program Fee. Commissions are included as part of the Program Fee. In addition to the Program Fee, clients may incur fees due to certain brokerage activities that may be undertaken in the account, rather than fees associated with the account’s enrollment in Merrill Guided Investing. Below is a list of fees and charges that will apply to your Merrill Guided Investing account(s). Any markups are discussed in the ADV 2A brochure and may be incurred. Some of these fees may be waived under certain conditions. Fees are subject to change. Please speak with a Merrill Investment Specialist if you have any questions regarding your account or service fees.
