This will place the four non-permanent positions requested in the FY2024 Supplemental request in the FY2025 base budget as permanent positions. OPA is responsible for operating the Public Guardians section, which provides oversight, support, and representation to wards of the state who are unable to provide for themselves. As of December 6, 2023, the current number of wards, including incoming ones, was approximately 1,700. Current caseloads for Public Guardians in Alaska are 85-100 cases, which is more than double the National Guardianship Association recommendation of 40 per position.</p> <p>This request will provide OPA with the required support staff to reduce Public Guardian caseloads.</p> <p>1 Full-time Public Guardian 2, range 18, located in Anchorage 1 Full-time Public Guardian 2, range 18, located in Anchorage 1 Full-time Eligibility Technician 2, range 14, located in Anchorage 1 Full-time Paralegal 1, range 14, located in Anchorage</p>	429.7	0.0	0.0	0.0	429.7	4	-	-

These funds are included in the capital budget. The awarded project will construct a High Voltage Direct Current (HVDC) submarine cable to serve as parallel transmission route from Kenai to Anchorage and provide funding for multiple battery energy storage systems (BESS). The expected timeframe of the program is a minimum of eight years.</p> <p>AEA estimates requiring 12 new positions, including annual core services costs per position of \$25.0 and one-time setup costs of \$10.0 commodities per position. Additionally, AEA will need additional office space and associated utilities totaling \$183.1 per year. All costs will be funded from capital improvement project receipts received by AEA. A corresponding change record is included in the Alaska Industrial Development and Export Authority (AIDEA) operating component to reflect the personal services cost and additional positions. AEA reimburses AIDEA for payroll costs through a reimbursable services agreement and interagency receipts.</p> <p>The following positions are added:</p> <p>Full-time Program Manager, range 27 located in Anchorage Full-time Utility Engineer, range 27 located in Anchorage Full-time Environmental Engineer, range 27 located in Anchorage Full-time Transmission Project Manager, range 26 located in Anchorage Full-time Transmission Project Manager, range 26 located in Anchorage Full-time Project Controls/Compliance Officer, range 22 located in Anchorage Full-time Sr. Contracting Officer, range 20/22, located in Anchorage Full-time GIS/IT, range 20/22, located in Anchorage Full-time Sr. Accountant, range 20, located in Anchorage Full-time Accounting Technician, range 14/16, located in Anchorage Full-time Administrative Assistant, range 14/16, located in Anchorage Full-time Engagement and Communications Specialist, range 18/20, located in Anchorage</p>	0.0	0.0	2,932.4	0.0	2,932.4	-	-	-

This library includes information about AEA itself, as well as project and program fact sheets. The library will eventually contain research and documentation on projects funded by AEA. This will allow the research, data, and information on these projects to be available to the public. The increase in availability and transparency of projects, both successful and unsuccessful, will help support and advance other affordable or renewable energy projects in the state.</p> <p>Prior work on the project was funded by federal funds. This funding will support continued digitization of AEA records to be added to the online repository through direct personal services and contractual support, as well as hosting and administration costs.</p>	0.0	0.0	0.0	0.0	0.0	-	-	-

DMVA is migrating from OIT due to the unique needs of the department and requirements of federal programs. This request includes the portion of anticipated IT position costs not offset by the expected reduction in OIT services, the cost to retain State email for employees, and the cost for licenses that are necessary to support the department's operations. Authority is requested in the Office of the Commissioner because IT position costs are allocated based on time spent supporting each division. The cost for email and licenses will be allocated to divisions based on usage.	405.3	0.0	0.0	0.0	405.3	-	-	-
