UC BERKELEY PARKING AND TRANSPORTATION

▶ 1995 University Ave #110, Berkeley, CA 94720

▶ (510) 643-7701 ▶ pt.berkeley.edu

ABOUT US

The UC Berkeley Parking and Transportation Department provides a full range of parking and transportation services, serving a diverse community of more than 40,000 students and 15,000 faculty and staff in the City of Berkeley, at the heart of the San Francisco Bay Area.

OUR VISION

In support of the University's core academic and public service mission, Parking and Transportation is dedicated to delivering transportation systems that complement long-term growth and development, and enhance and protect the physical attributes of the campus and surrounding area.

OUR MISSION

We aim to improve the quality of life for the UC Berkeley community by providing safe, convenient, and well maintained parking and transportation options, while promoting and facilitating alternative modes of transportation.

CLASSPASS PROGRAM

Students receive personal Clipper Cards that are given out by New Student Services during orientation. Clipper Cards are an all-in-one transit card that students can use to access public transit both around the campus and in the greater Bay Area. Clipper Cards provide free service for only AC Transit and Bear Transit, however the card can be loaded with funds to access BART, MUNI, and many other Bay Area transit options. Each year,

UC Berkeley students have taken over 2.5 million rides on AC Transit bus service, greatly reducing the need for students to bring a vehicle to campus.

TRANSPORTATION OPTIONS INCLUDED IN THE CLASSPASS PROGRAM

Bear Transit

Bear Transit is UC Berkeley's shuttle system that operates seven-day a week service around the campus and vicinity. The ClassPass Program gives registered students unlimited rides on Bear Transit buses with the CalCard. For more information, see section on Bear Transit.

Night Safety

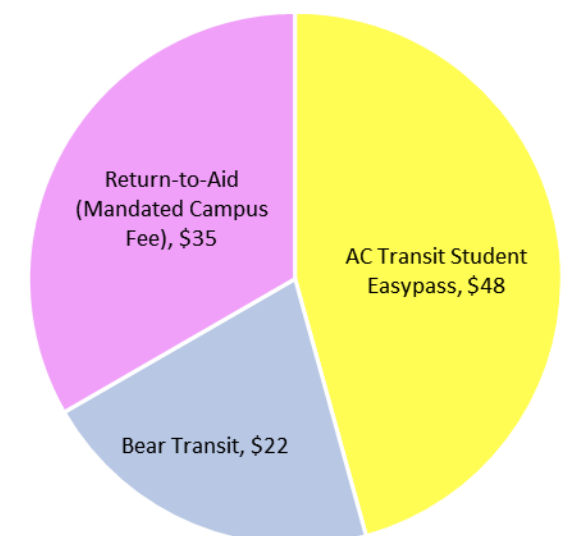

The night safety shuttle is a campus-run service available for free to all Berkeley students. There are two different routes with their own pickup locations around campus and schedules. For more information, see section on Night Safety Services.

AC Transit

The ClassPass Program gives registered students unlimited rides on AC Transit buses with the ClassPass Clipper Card. For more information, see section on AC Transit.

BREAKDOWN OF CLASS PASS FEES

A \$105.00 per semester mandatory fee is assessed of all students, which funds AC Transit and Bear Transit service.

CLASSPASS PROGRAM: OPPORTUNITIES FOR ENGAGEMENT

THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF CALIFORNIA (AUSC) REFERENDUM

The ClassPass Program was initiated in 1999, when the Student Class Pass referendum was approved by 89% of student voters. Since then, the Class Pass program has been renewed through the ClassPass student-initiated fee referendum. The AC Transit/UC Berkeley Class Pass Advisory Committee is the student-run oversight committee for the ClassPass Program where representatives are appointed by the Associated Students of the University of California, Graduate Assembly, as well as students at large who are interested in improving transportation. The Committee works with Staff from UC Berkeley Parking and Transportation to represent student interest in the Class Pass program and ensure the program's long-term effectiveness.

THE CLASSPASS COMMITTEE (CPC)

The Class Pass Committee fosters the partnership between AC Transit and UC Berkeley. The working group provides feedback to any service transit planning changes that affect the campus community while ensuring the Student Class Pass fees embedded in the total tuition cost is spent efficiently. To become a member of the ClassPass Committee, visit the P&T website at pt.berkeley.edu/StudentEasyPass

THE MOBILITY AND EQUITY COMMITTEE (MEC)

The purpose of the MEC is to identify and recommend policies, practices and strategies that elevate stronger awareness regarding campus alternative and sustainable transportation initiatives. The MEC is focused on centering a diverse set of perspectives from the UC Berkeley community, including employees and students. MEC discusses project proposals and local & regional programmatic updates to gauge stakeholder input, identifies operational gaps for further improvement, and develops recommendations to help facilitate smooth execution of transit & micromobility programs in and around the UC Berkeley campus. To become a member of the Mobility and Equity Committee, visit the P&T website at pt.berkeley.edu/CPOC.

BEAR TRANSIT

UC Berkeley’s shuttle system operates seven-day a week service around the campus and vicinity. Bear Transit provides convenient transportation between campus, Downtown Berkeley BART, parking lots, Clark Kerr campus, the Hill area, residence halls. Students, faculty, and staff can travel for free with their Cal Card; and members of the public may ride for a \$1 fare. All daytime shuttles, P-Line, RFS-Line, and H-Line, are equipped with wheelchair lifts. For more information on Bear Transit, visit pt.berkeley.edu/BearTransit

Hill (H-Line)

- 7:35 a.m. to 7:25 p.m.
- Runs at 30 minute frequencies.
- (The first trip starts and the last two trips start & end at Downtown Berkeley BART Station)

Perimeter (P-line, Clockwise around campus)

- 7:00 a.m. to 7:30 p.m.
- Runs at 30 minute frequencies, last full trip leaves Downtown Berkeley BART at 7:30 p.m.

Central Campus via Hearst Avenue Line (C-Line)

- 6:45 a.m. to 10:45 a.m.; and 4:15 p.m. to 7:15 p.m.
- Runs at 20 minute frequencies

Reverse Perimeter (R Line, Counter-clockwise around campus)

- 7:00 a.m. to 7:30 p.m.
- Runs at 30 minute frequencies, last full trip leaves Downtown Berkeley BART at 7:30 p.m.

* Time intervals may vary throughout the day, particularly on the first and last runs of a service period. Please see the schedule for each route for a complete listing of stop times.

Real time information is available on the Berkeley App, Transit App, Moovit, and Citymapper.

ROUTE	SERVICES	OPERATION
Perimeter	Outer Perimeter of Campus	7:00am-7:30pm Runs at 30 minute intervals
Central Campus Via Hearst	Central Campus and Northside	6:45am-10:45am; 4:15pm-7:15pm Runs at 20 minute intervals
Hill	Greek Theater and top of the hill	7:35am-7:25pm Runs at 30 minute intervals
Reverse Perimeter	Outer Counter-Clockwise of Campus (South to North)	7:00am-7:30pm Runs at 30 minute intervals

NIGHT SAFETY SERVICES

BEARWALK

Bear Walk is a student-run and UCPD-organized community resource effort to escort students from campus to their residences safely. After a walk request is made, the UCPD dispatches Community Service Officers whom are paid student volunteers to the location of the request to walk you home. You can request a walk online or by phone, up to 15 minutes before you need to meet your escort as they will only wait 5 minutes for you after they arrive at the pickup destination.

Bear Walk services only the immediate area around campus, so this might not be a viable choice for students living further away from campus (but Bear Walk can still escort you to any bus stop nearby). For more information, visit nightsafety.berkeley.edu/nightsafety/escort

To book a free walking escort call (510) 642-9255 (642-WALK) or visit BearWalk.berkeley.edu. Bearwalk service is available between dusk-2:30am.

NIGHT SAFETY SHUTTLE

The night safety shuttle is a campus-run service available for free to all Berkeley students. There are two different routes with their own pickup locations around campus and schedules that run in a more extensive area than Bearwalk, and are more viable for students living further away from campus. To ride, just show the driver your Cal ID.

For more information, visit nightsafety.berkeley.edu/nightsafety/nightshuttles

NORTHSIDE ROUTE - line N

There are two North Route shuttles that have their own pickup/dropoff locations. Each shuttle starts running from 7:45 pm to 2:15 am on weekdays and Sunday, and from 6:15 to 3:45 am on Saturdays. It runs on approx. 30 minute intervals. Service is based on availability.

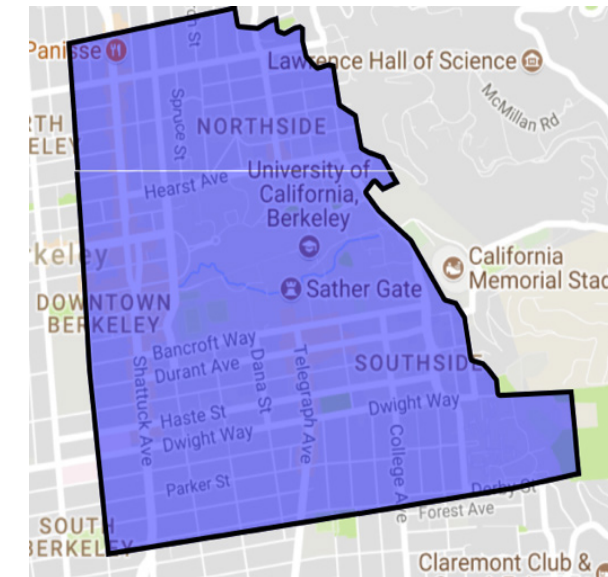

SOUTHSIDE ROUTE - line S

South route runs from 7:30pm to midnight on Weekdays, 6:30pm to 4:00am on Saturdays, and 6:30pm to midnight on Sundays. It runs on approx. 15 minute intervals.

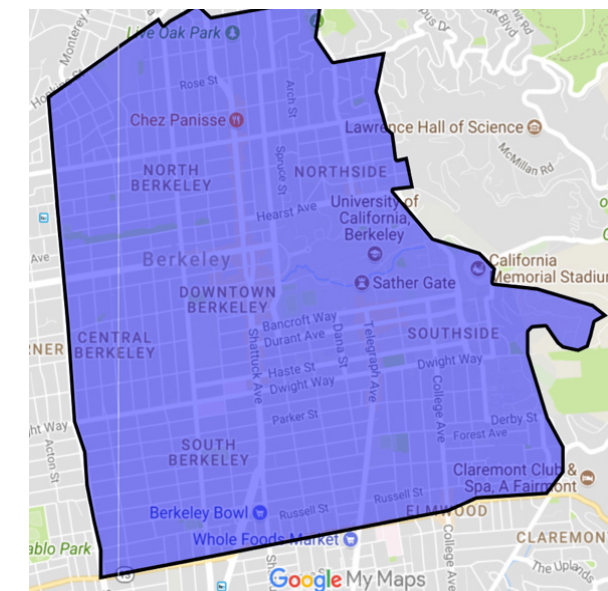

DOOR TO DOOR SERVICES

Intended to bridge the gap between Bearwalk/Safety Shuttle and regular public transit from the earliest morning hours, UCPD offers a door-to-door service in order to get you home safe when other methods fail. UCPD will pick you up via squad car and drop you off safe at home.

Service runs from 3:00 am to 5:00am, and students can be picked up within the same borders as BearWalk. Service is based on availability. For more information, visit nightsafety.berkeley.edu/nightsafety/door2door

BearWalk service boundary area.

Night Safety Shuttle service area. Please call 15 minutes before your actual pickup time. You can be dropped off anywhere within the blue border.

Getting Around the East Bay and More on Bus Service
AC TRANSIT

THE LOOP

The LOOP is a golf cart that provides intra-campus rides for eligible faculty, staff, and students with disabilities on a first-come, first-served basis. This service was created to assist persons with mobility disabilities (including temporary disability as a result of injury) and visual impairments. The Loop only operates on the core campus. More information can be found at dac.berkeley.edu/services/mobility-accommodations/loop-golf-cart

Eligibility for the Loop:

- All riders must demonstrate a disability-related need to receive approval to use the Loop. Campus Access Services receives requests for Loop access, verifies the requestor's disability needs based on available documentation, and approves requests as appropriate.
- Students with active cases with the DSP will have Loop access approved based on their currently documented disability status, in consultation with their Disability Specialist. Additional information about DSP's processes can be found at dsp.berkeley.edu/students
- Non-DSP students must provide documentation of their disability need(s) including your expected recovery period. You will receive access to the Loop for one (1) semester or through your expected recovery from the injury/condition for which you seek Loop access, whichever is shortest. Access to the Loop can be extended beyond the initial request in consultation with Campus Access Services.
- Staff, Faculty, and visiting researchers/scholars are currently not required to provide disability documentation, however they must certify their need and describe the length of their requested Loop access in detail.
- Guests and visitors to campus should contact their sponsoring department or the department sponsoring the program or event they are visiting to receive campus mobility support. Alternatively, they may contact Campus Access Services at access@berkeley.edu or 510-643-6456 for assistance.

Having trouble using the app to request a ride?

If you're already approved by Loop services and are having trouble with the Loop app, please call 510-219-6981 to contact dispatch for a ride.

ALAMEDA CONTRA-COSTA TRANSIT (AC TRANSIT)

AC TRANSIT

AC Transit is a public transit agency that operates in the East Bay, throughout Alameda and Contra-Costa County, with many routes encircling the UC Berkeley Campus. The Student EasyPass is a student funded program that gives students free unlimited AC Transit access around Berkeley, the East Bay, and San Francisco. Student EasyPass comes loaded onto a personalized Clipper Card; an all-in-one transit card that students can use to access public transit around the campus and greater Bay Area. Funds can be loaded onto the card to access BART, MUNI, and many other Bay Area transit options. Incoming freshman and transfer students can pick up their Clipper Cards at the Cal1 office, usually around the same time they receive their Cal IDs. For AC Transit routes and schedules, visit pt.berkeley.edu/StudentEasypass and actransit.org.

LOADING FUNDS ON YOUR CLIPPER CARD

In-Person:

Load Clipper Card with funds at any BART station using ticket vending machines, or retail locations clippercard.com/ClipperWeb/map.do

Online:

Load funds online at clippercard.com or the **Clipper Mobile App**

App-Store:

Download the clipper card app on google play or apple store to load funds on clipper card.

AC TRANSIT COMMUNICATIONS

System updates, service changes, detours:
Twitter, Instagram @ **rideact**

Service alerts:
Twitter @ **RideACTAlerts**

ONBOARDING AND OFFBOARDING AC TRANSIT

Onboarding:

Have your Student EasyPass card ready, enter through the front door and tap your card on the fare collector. No fare will be charged. All AC Transit buses can kneel to facilitate boarding, so if you need assistance boarding, ask the operator to kneel the bus. If you have a stroller, cart, or are using a wheelchair/mobility aid, you can request the ramp or passenger lift to help you board.

Offboarding:

Request your stop at least a block ahead by pulling the cord, pressing the button on the pole, or pressing the button above your head (on the green, commuter-style buses). The "Stop Requested" sign will light up. If you are not sure when your stop is coming up, ask the operator to let you know. Leave the bus through the rear doors whenever possible.

REPLACING YOUR CLIPPER CARD

For Lost/Stolen*/Damaged/Defective cards with no funds: Visit the Parking and Transportation office at 1995 University Avenue, Suite #110 with your Cal1 Card. Fill out the Student EasyPass replacement form and pay a \$25 replacement fee. Pick up your new card at the same office and re-register it online at the Clipper Card Website. Please note that the pass on your previous card will be deactivated.

For Lost/Stolen*/Damaged/Defective cards with funds: Call Clipper at 1-877-878-8883 to cancel your card, they will send a new one to Parking and Transportation's office. You can pick it up with a valid Cal1 ID card the \$25 replacement fee.

* If your Clipper Card is lost or stolen, the replacement fee is \$25 unless you provide a police report in which case the fee is waived. Replacement cards can be picked up at Parking and Transportation office.

BUS LINES TO POPULAR DESTINATIONS

Whether it be a local outing in the East Bay or a day trip to discover all that San Francisco has to offer, AC Transit provides a seamless service to get there. Using your Student EasyPass ClipperCard, here are some popular destinations that you can visit for no cost!

BERKELEY MARINA/4TH STREET

Grab a bite or a coffee and discover new shops at Berkeley's very own 4th Street. If nature is more of your scene, take the bus down to Strawberry Creek Park for a picnic or to Cesar E. Chavez Park where you can enjoy views of the sunset by the water.

Lines:

- 51B: Berkeley Marina direction
- 52 (to 4th Street): University Village direction

EMERYVILLE

East Bay's entertainment hub has options for everyone, whether it be shopping, dining, or watching movies!

Lines:

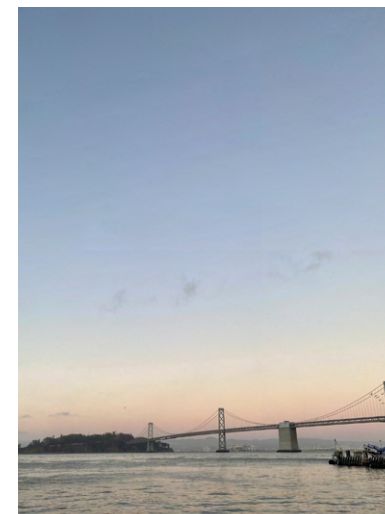

- F: SF direction
- 36: Emeryville direction

SAN FRANCISCO EMBARCADERO

Explore the vibrant city of San Francisco! From the Embarcadero, you can bike along Fisherman's Wharf and Pier 39, grab a bite to eat and enjoy the views of the Bay Bridge and East Bay at the Ferry Building, or ride vintage MUNI streetcars. The F Transbay Line will get you into the heart of San Francisco, where you can transfer to MUNI to get to various other San Francisco destinations such as Mission Dolores Park.

Lines:

- F: SF direction

View from the Ferry Building

Historic MUNI Streetcar

COLLEGE AVENUE/ROCKRIDGE

Extending all the way to the edge of Berkeley and Oakland, College Avenue is a charming street full of cafes, restaurants, shops, and grocery stores that you can visit! It is also convenient to get to SF via BART from the Rockridge Bart Station.

Lines:

- 51B: Rockridge BART direction
- 51A (for stops past Rockridge BART)
- 79: Rockridge Bart direction

DOWNTOWN OAKLAND/JACK LONDON SQUARE

Discover Oakland Chinatown's rich cultural history, enjoy waterfront views at Jack London Square, and skate year-round at the Oakland Ice Center.

Lines:

- 6: Downtown Oakland direction
- 12 (to Jack London Square): Oakland Amtrak at Jack London Square direction
- 18 (to Jack London Square): Lake Merritt BART direction

TEMESCAL

Experience Temescal's bustling dining, music, and art scene! The monthly Oakland First Fridays, filled with food and live performances, are also held here.

Lines:

- 6: Downtown Oakland direction

LAKE MERRITT

Walk the 3.2 Mile path to admire the rowers, live entertainment, and eclectic architecture, or rent a boat!

Lines:

- 18 (to Jack London Square): Lake Merritt BART

Lake Merritt, Oakland

RICHMOND FIELD STATION (RFS)

Due to the discontinuation of the RFS Line, passengers are asked to take the following AC Transit alternatives from Richmond or El Cerrito BART Stations. Service between UC Berkeley and El Cerrito is provided by Line 79 and Line 52 to 72/M/R (Weekends). Real-time information is available on Transit App, Moovit, or Apple & Google Maps.

TRANSIT DIRECTIONS

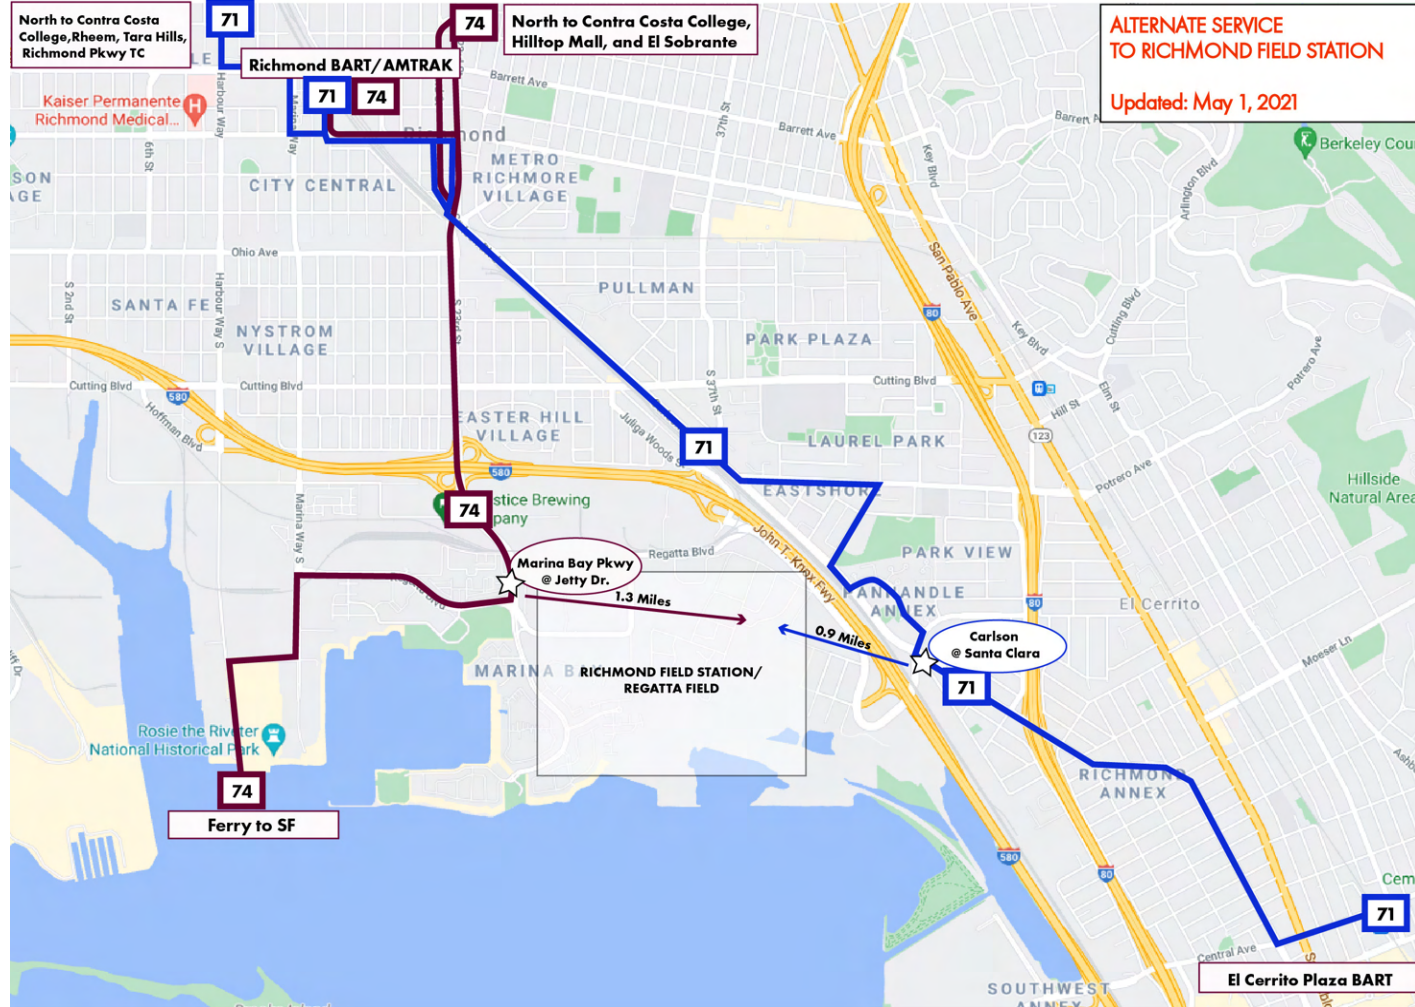

FROM BERKELEY:
 Take Line 71 from El Cerrito Plaza BART to Carlson/Santa Clara
 Walk < 1 mile west, over I-580, along Meade to Robin Drive and Richmond Field Entrance

FROM RICHMOND, CONTRA COSTA COLLEGE, HILLTOP MALL, EL SOBRANTE, RICHMOND BART/AMTRAK:
 Take Line 71 to Carlson and Santa Clara and walk 1 mile West along Meade Ave to Robin Drive, or Line 74 to Marina Bay Parkway and Jetty Dr., walk 1.3 miles east, along Regatta Bl. and Meade, to Robin

FROM FERRY TERMINAL:
 Line 74 to Marina Bay Pkwy/Regatta Blvd., walk 1.2 miles east along Regatta and Meade, to Robin

TRANSIT OPTIONS IN THE CITY OF RICHMOND

- ON DEMAND SHUTTLE:**
 The city of Richmond offers Richmond Moves, the city's first on-demand public shuttle service designed to bridge gaps in public transit infrastructure. For more information, visit ridewithvia.com/richmondmoves
- BIKESHARE:**
 The city of Richmond has its own e-bikeshare program, Ride Gotcha. Bikes can be conveniently unlocked with Clipper Card or the Ride Gotcha app, used around the city, and dropped off at convenient bike hubs. To learn more, visit ridegotcha.com/locations/richmond/
- RIDESHARE AND CARPOOL**
- Available for Cal affiliates through Berkeley Moves! at cal.rideamigos.com
 - More information on the BerkeleyMoves! page

BAY AREA RAPID TRANSIT (BART)

BART is a rapid transit rail system that serves the Bay Area with 5-line service from Richmond to Fremont, Antioch to San Francisco International Airport (SFO), and Dublin/Pleasanton to Daly City and Millbrae. BART is the premier way of getting around the Bay Area, with fast and reliable service. BART will be expanding its existing service as new stations are added. Up-to-date information can be found at bart.gov and on the Official BART app available on iOS and Android.

BART WATCH

BART Watch is a free safety app that you can use to report suspicious activities. Available in iOS and Android, you can anonymously submit text and image reports directly to BART police. The app is available in English, Spanish, and Chinese. You can report crimes such as vandalism, theft, disruptive behavior, or an illegally parked vehicle. In-progress crimes and emergencies should be deferred to 911 or BART Police Department's number (877-679-7000).

ADDING FUNDS TO YOUR STUDENT EASYPASS CLIPPER CARD

- Online at clippercard.com
- Automatically – by setting up Autoload at clippercard.com
- Over the phone – by calling 877.878.8883
- In person – at participating retailers, transit agency ticket machines and ticket offices, Clipper Customer Service Centers, and Clipper Add Value machines ([click here for locations](#))

Additional clipper cards (separate from Student EasyPass Clipper Cards) cost \$3 and can be purchased at BART stations or can be added to a virtual wallet on iPhone or Android for no cost.

For more information visit clippercard.com/ClipperWeb/pay-with-phone

BART COMMUNICATIONS

System updates, service changes, articles, entertainment: Twitter, Instagram, TikTok @SFBART

Automated service alerts: Twitter @SFBARTalert.

Contests, discounts, and a calendar of events in the Bay Area easily accessed by BART: bartable.bart.gov

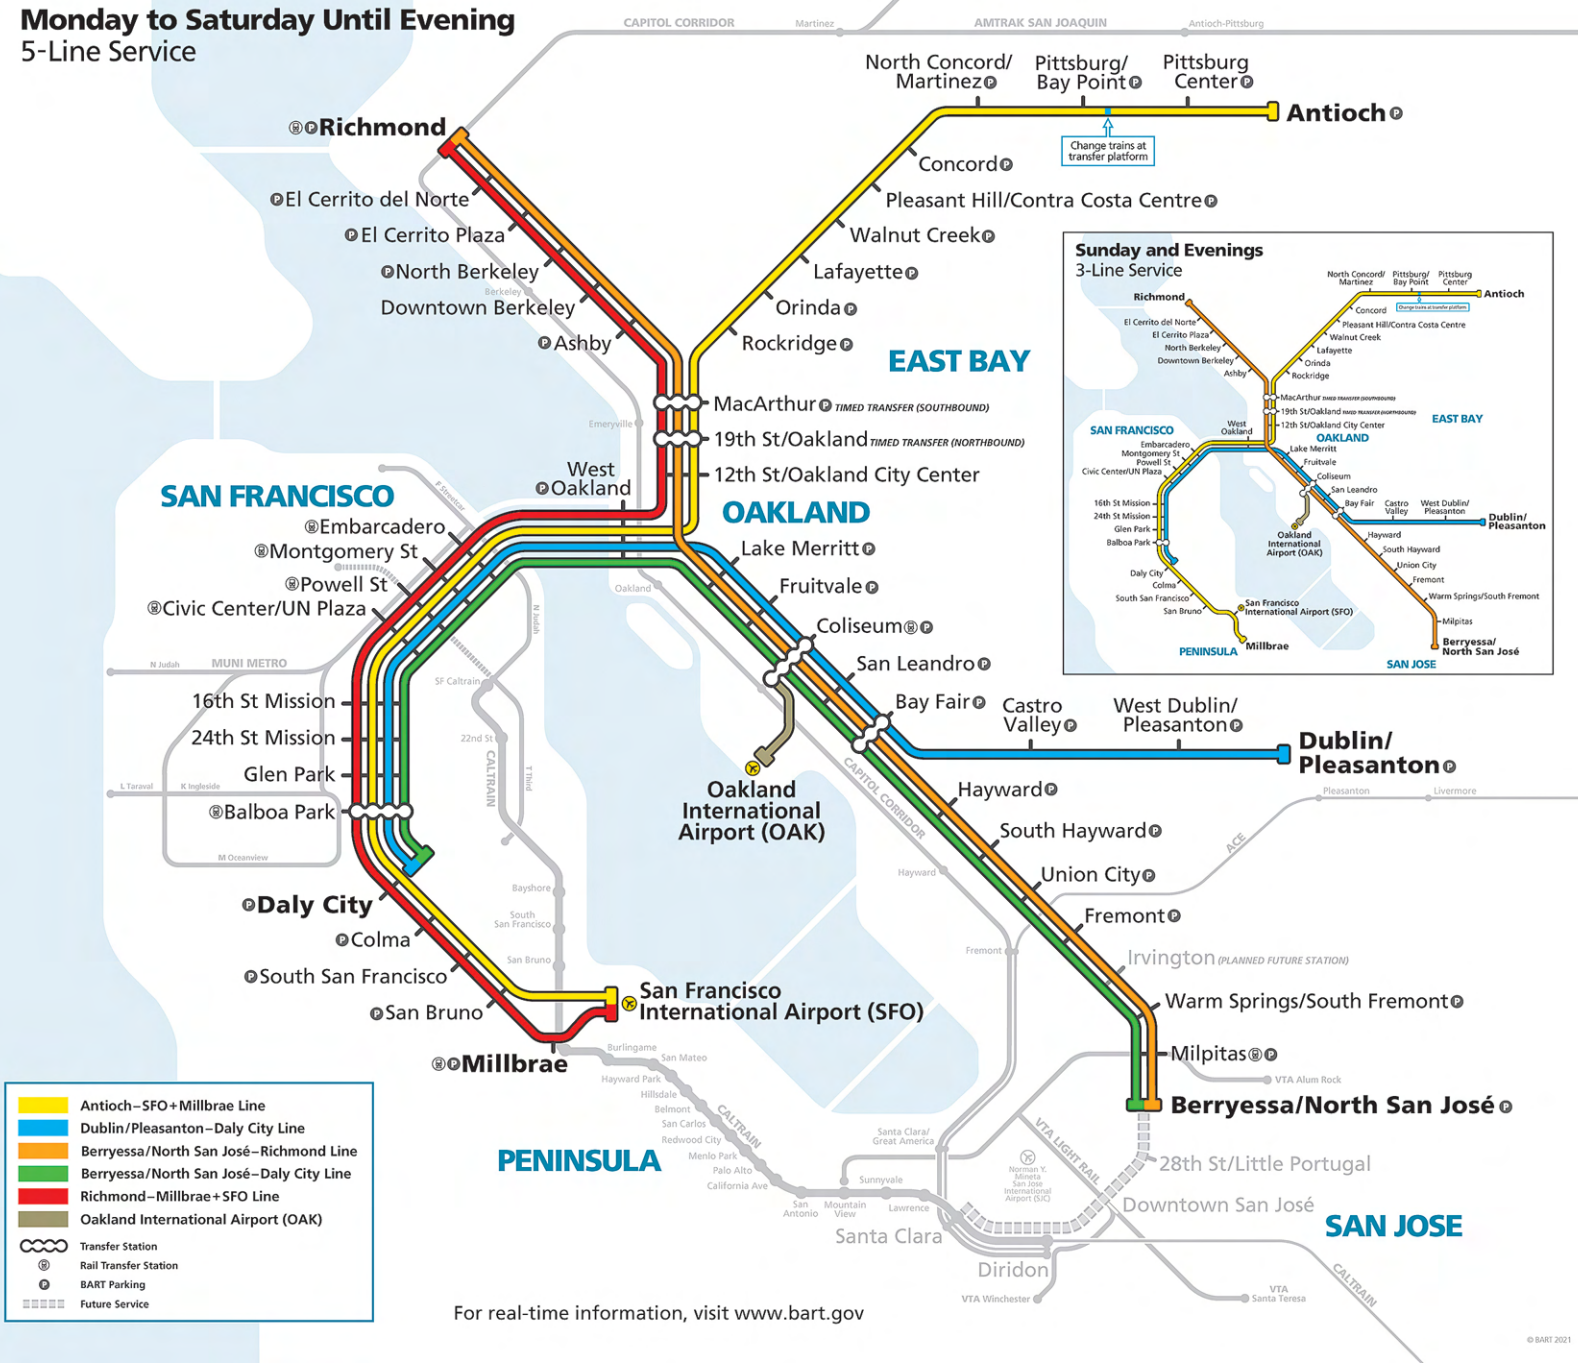

BART SYSTEM MAP

BART System Map

Monday to Saturday Until Evening
5-Line Service

Real-time BART departure times can be found on Google Maps, Transit App, and Moover. Note that BART has 3-line service on Sunday and Evenings (see inset map). Map from bart.gov/system-map

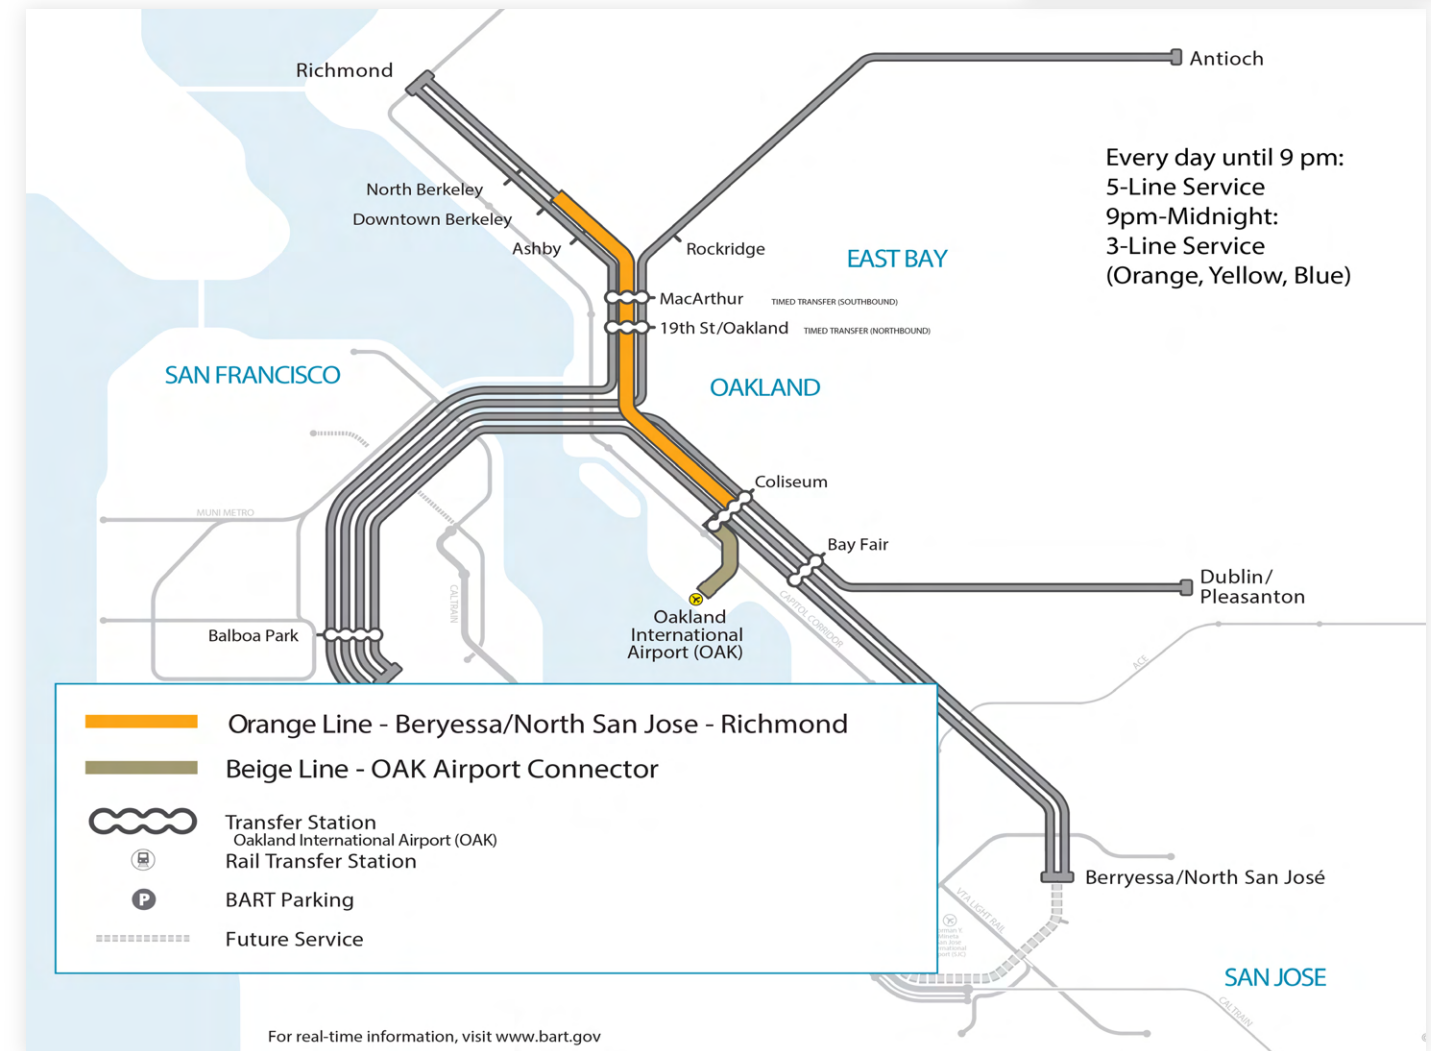

BART DIRECTIONS TO OAKLAND INTL. AIRPORT

Oakland International Airport (OAK) is a smaller airport with easier TSA experiences that is great for a variety of domestic flights as well as some international flight options. Many UC Berkeley students chose this airport for its close location and easy accessibility via BART.

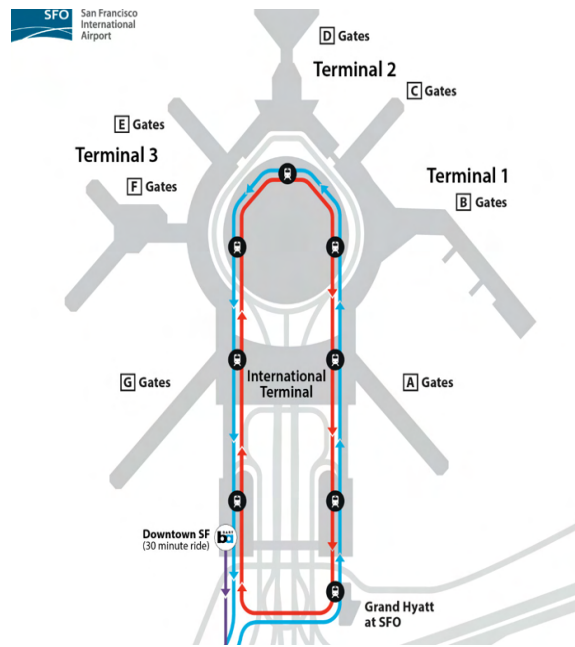

PUBLIC TRANSIT DIRECTIONS TO OAK

1. Arrive at Downtown Berkeley BART (walk, AC Transit, or Bear Transit)
2. Take the Berryessa/North San Jose (orange) line to Coliseum BART. The orange line runs at 15 minute frequencies and the trip from Downtown Berkeley BART to Coliseum BART is approximately 25 minutes.
3. From Coliseum BART, go up the escalator by following the signs for the Airport Connector. The airport connector automated train arrives every 6 minutes, and takes 8 minutes from Coliseum BART to Oakland Airport Terminals.
4. Depart the train at its final stop and walk to your terminal

SERVICE HOURS & FREQUENCY		
Weekdays	5 am – 11 pm: Every 6 minutes	11 pm – Midnight: Every 20 minutes
Saturdays	6 am – 11 pm: Every 6 minutes	11 pm – Midnight: Every 20 minutes
Sundays	8 am – 11 pm: Every 6 minutes	11 pm – Midnight: Every 20 minutes

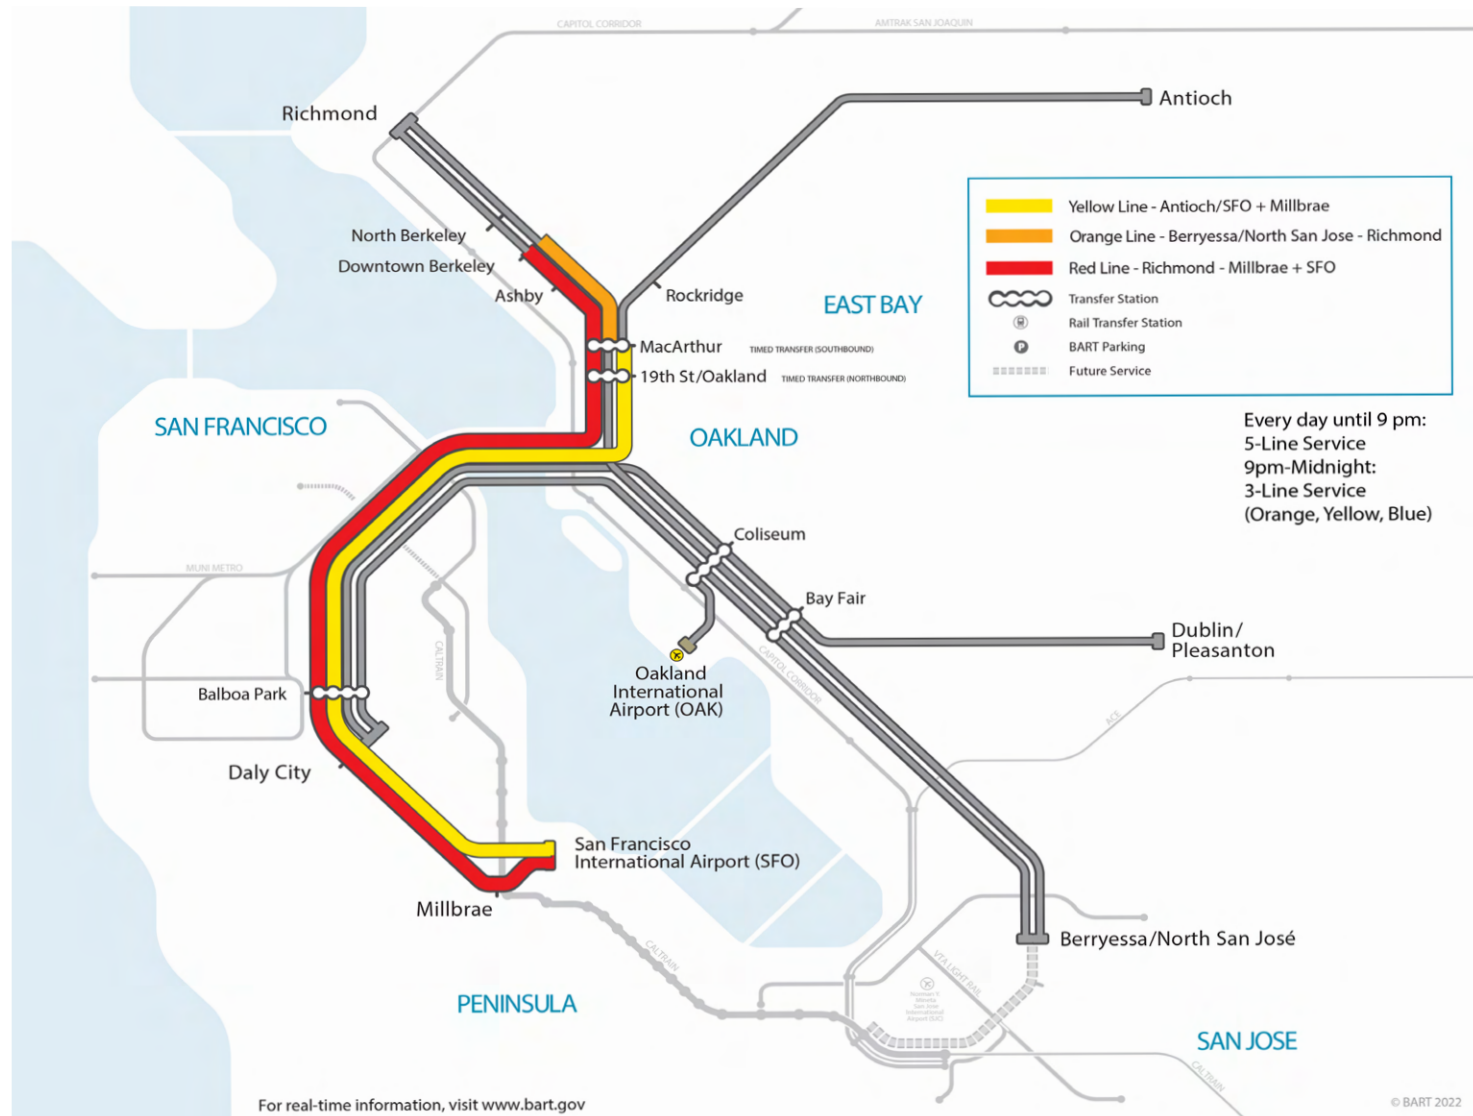

BART DIRECTIONS TO SAN FRANCISCO INTL. AIRPORT

San Francisco International Airport (SFO) is a large international airport in the Bay Area near San Bruno and Millbrae with an extensive variety of flights to Europe and Asia. Although located further than OAK, accessibility is very easy via BART. The BART trip between SFO and Downtown Berkeley BART is approx. 1 hour.

PUBLIC TRANSIT DIRECTIONS TO SFO

1. Arrive at Downtown Berkeley BART (walk, AC Transit, or Bear Transit)
Take the Berryessa/North San Jose (orange) line or the SFO + Millbrae (red) line
2. If you take the orange line, you will need to transfer to the Antioch/SFO (yellow) line at MacArthur Station
3. Once you arrive at SFO, walk through the gates to the terminal and follow the signs to your assigned gate

For real-time information, visit www.bart.gov

© BART 2022

CLIPPER START PROGRAM

Launched in 2020, the Clipper Start Program is a pilot fare discount program providing eligible single riders fare discounts on a variety of San Francisco Bay Area Transit Agencies.

PARTICIPANTS CAN RECEIVE

- 50% discount on Caltrain, MUNI, Golden Gate Transit and Ferry, San Francisco Bay Ferry
 - 20% discount on BART
- Other agencies may be discounted. For more information, check clipperstartcard.com

ELIGIBILITY

In order to qualify for this program, you must:

- Be a resident of the San Francisco Bay Area
- Be 19-64 years old
- Not have an RTC Clipper Card for people with disabilities
- Have a household income of 200% of the federal poverty level or less

HOW TO APPLY

- Go to clipperstartcard.com/s/application to create your profile and start your application today
- Provide proof of identity and proof of income
- Get approved for the program
- Receive a personalized Clipper card in the mail to get your discounts
- You can now ride at a discount!

HOW TO ADD FUNDS TO YOUR PERSONALIZED DISCOUNTED CLIPPER CARD

You can add value:

- Online at clippercard.com
- Automatically – by setting up Autoload at clippercard.com
- Over the phone – by calling 877.878.8883
- In person – at participating retailers, transit agency ticket machines and ticket offices, Clipper Customer Service Centers, and Clipper Add Value machines (click here for locations)

BIKING ON CAMPUS

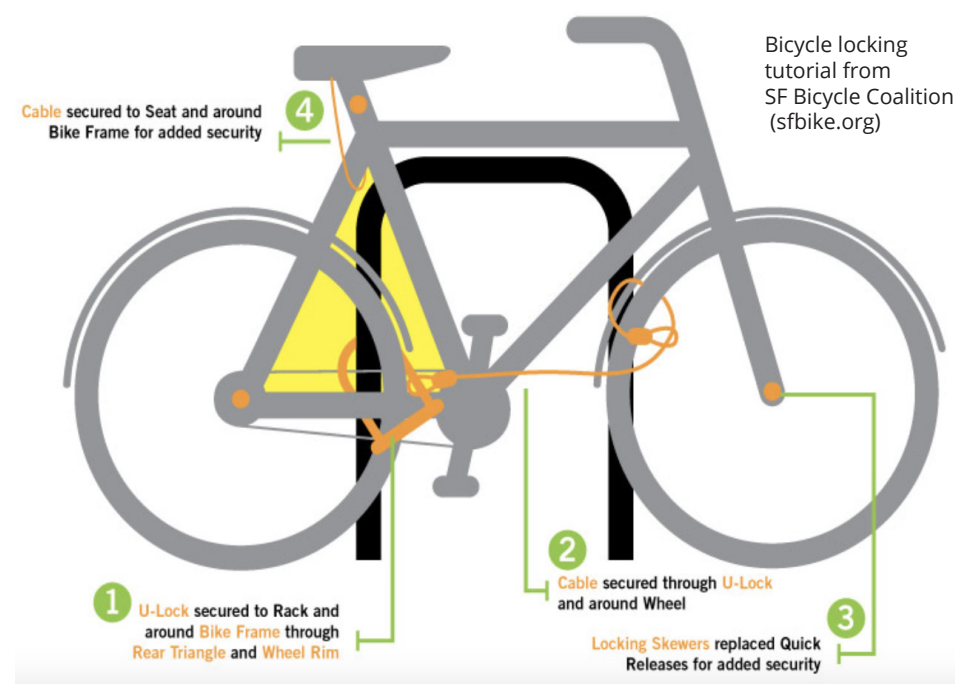

BICYCLE PARKING

Bicycle racks and secure bike parking lockers are located throughout campus for student, faculty, and staff use. For more information on bicycle parking including the campus bike map and the City of Berkeley biking map, see pt.berkeley.edu/bikes.

Secure bike parking lockers are meant to provide secure parking for bicycle commuters (not overnight storage). Bicycles left for long periods of time may be impounded and sharing of access codes is not allowed. Secure bike lockers can be accessed with a personal code and are monitored by parking enforcement and parking attendants during normal business hours. In order to use either of the three main secure bike parking locations, you must apply by filling out a simple application. Upon approval of your application, you will receive your personal access code by email. Access codes are valid for one year and can be renewed yearly. For more information on secure bike lockers and to apply for program access, visit pt.berkeley.edu/SecureBikeCages.

BICYCLE SAFETY

Cyclists are encouraged to invest in high quality locks to prevent theft of bicycles. UC Berkeley cyclists are also encouraged to register bicycles with UCPD - doing so will also allow you to obtain a license in the form of a sticker for your bicycle to use certain secure bicycle parking areas. UCPD offers bike licensing services for free. To register bring your bicycle to 1 Sproul Hall between 6pm to 9pm, Monday through Friday.

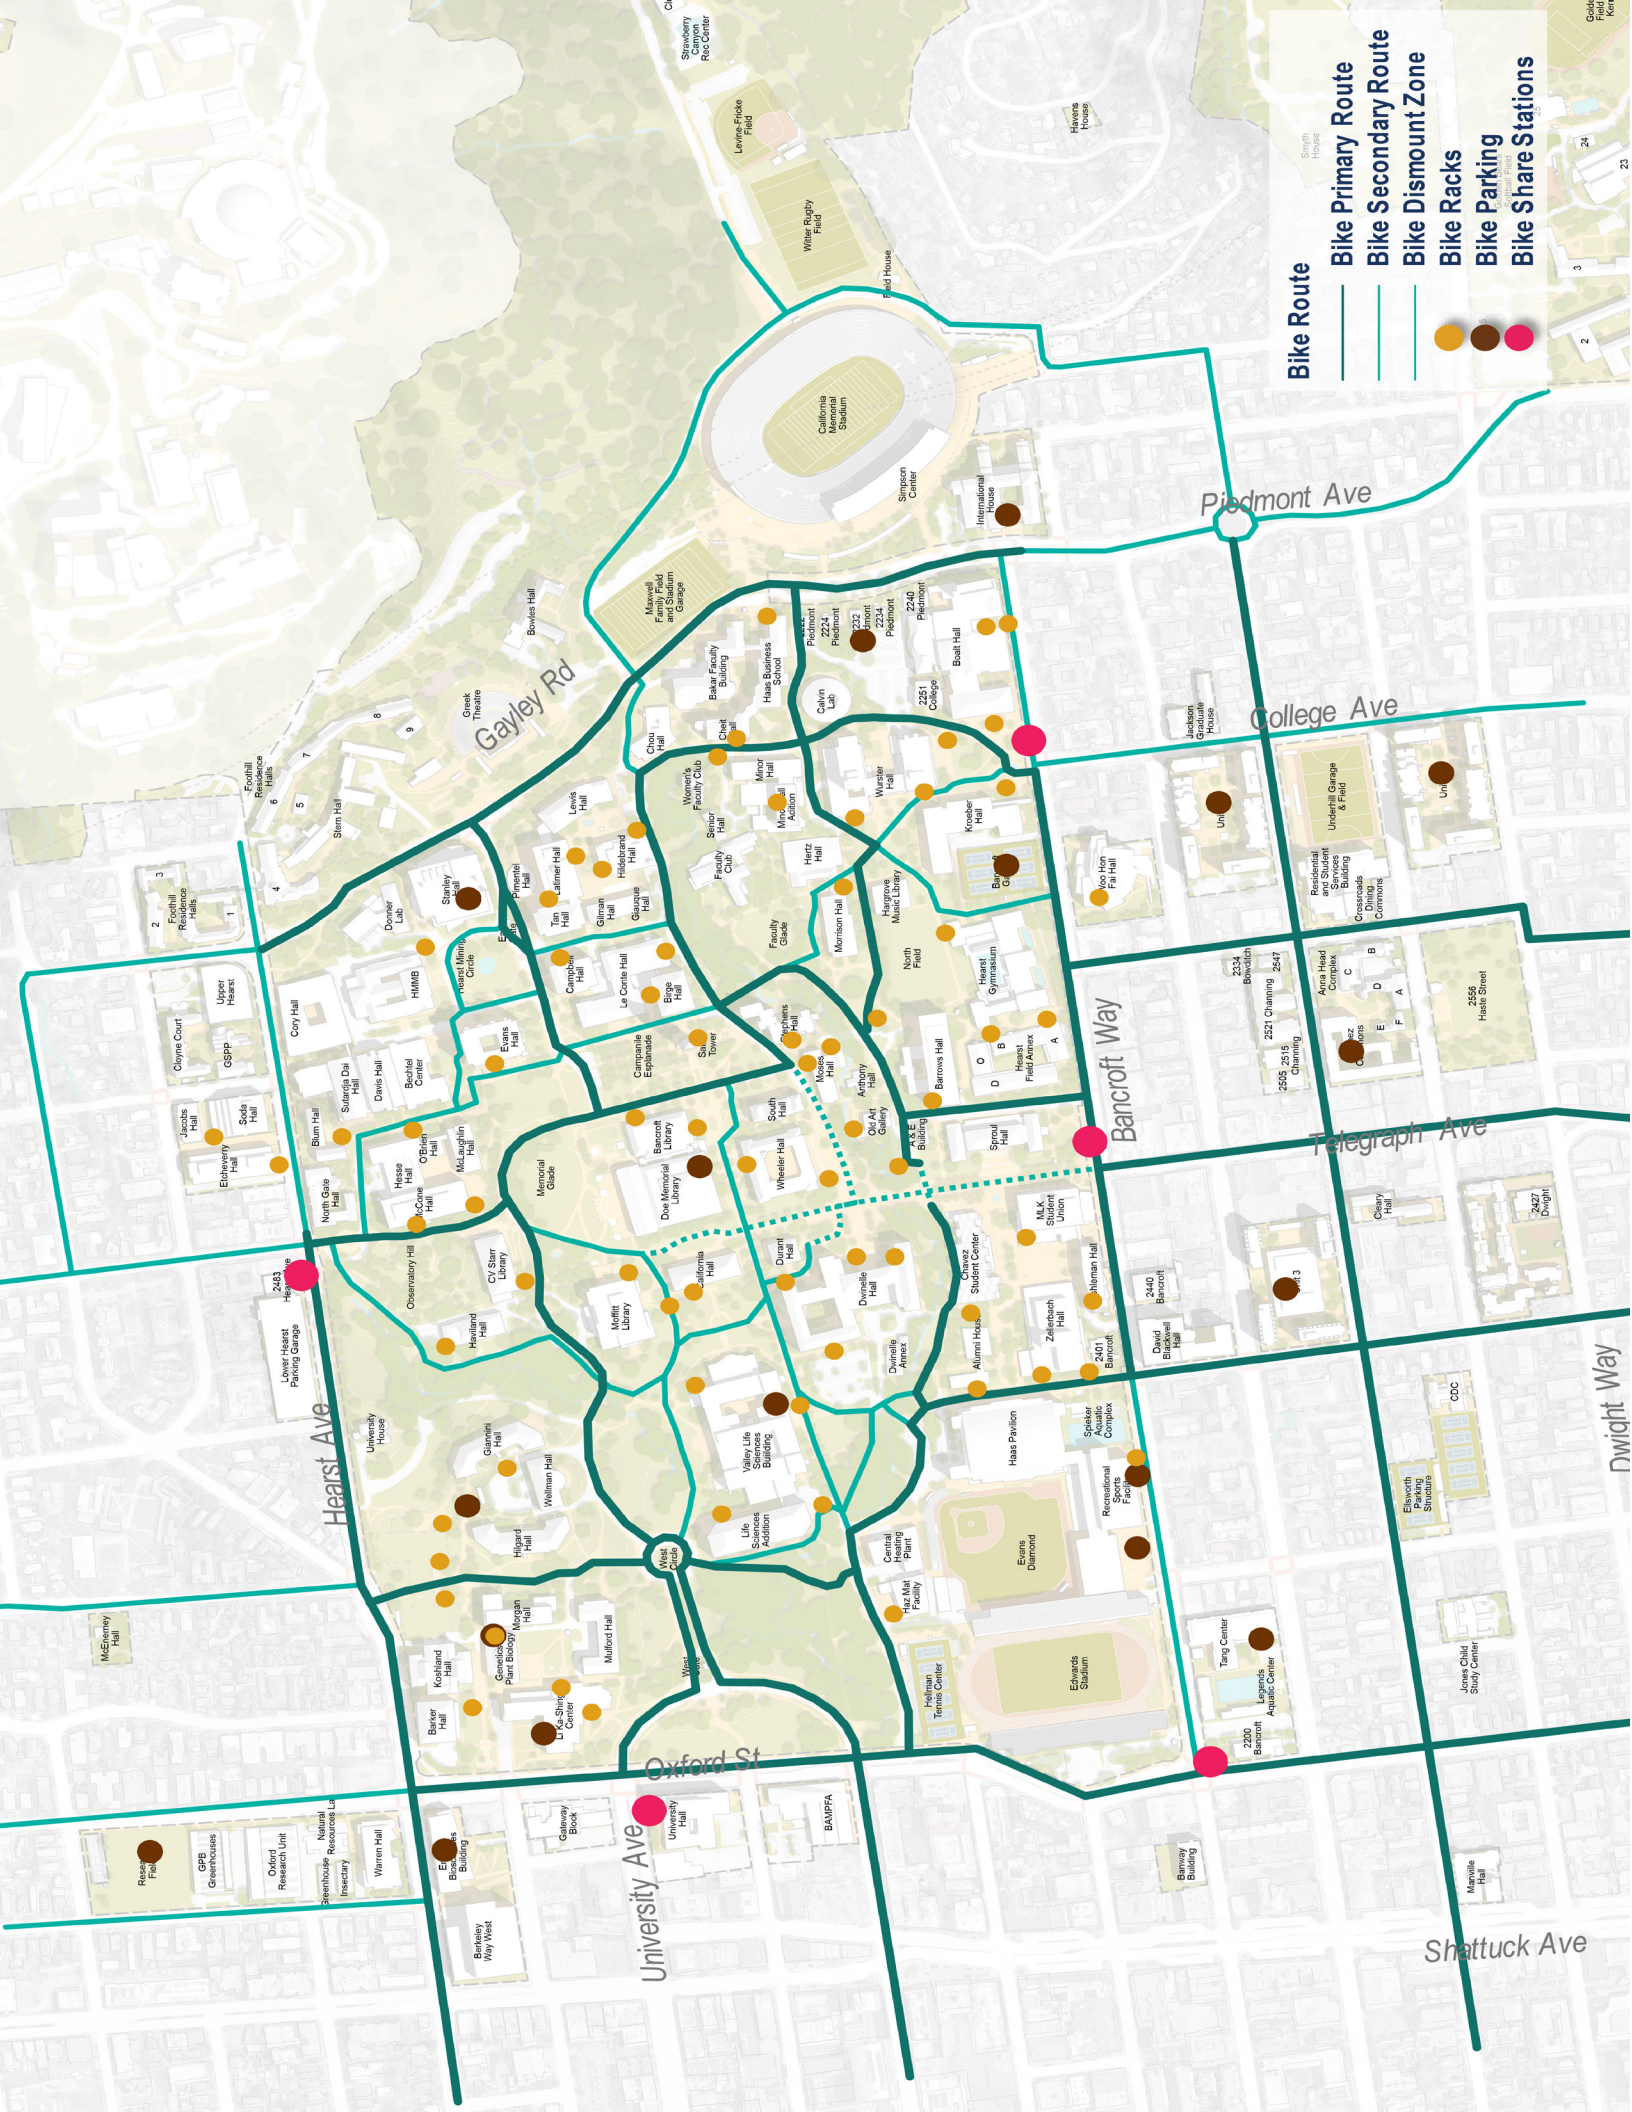

BICYCAL

BicyCAL is a cooperatively student run bicycle maintenance shop on the Berkeley campus that is run by students. Students can get free hands-on bicycle repair! Located at MLK Student Union between Cal 1 Card Office and the ASUC Art Studio. For more information, visit bicycal.berkeley.edu

BIKES ON TRANSIT

If you are riding AC Transit or Bear Transit, both systems offer bike racks on the front of the vehicle. If you are transporting bikes on buses, inform the driver first. To load bikes on buses, squeeze and pull up on the rack handle to release it. Lower the rack until it clicks into place. Lift your bike onto the rack, fitting the wheels into their respective slots. Pull out and raise the support arm over the top of the front tire as high up as possible. For more information and a video tutorial on loading bikes on buses, visit actransit.org/bikes-buses. Bikes can also be brought on BART. For BART bike policies, bike storage, and bicycle commuting tips, visit bart.gov/guide/bikes.

DISMOUNT ZONES AND MOTORIZED VEHICLES

DISMOUNT ZONES

Bicyclists are required by UCPD to walk their bike during the day from 8am-6pm, Mon-Fri, on Upper Sproul Plaza, Dwinelle Plaza and Sather Road. During the day, these areas have dense pedestrian activity and special events.

MOTORIZED VEHICLES

California Vehicle Code (CVC) 407.5(a) defines a motorized scooter as any two-wheeled device that has handlebars, has a floorboard that is designed to be stood upon when riding, and is powered by an electric motor. California Vehicle Code (CVC) 21235 mandates that all scooter riders in California must wear a properly fitted bicycle helmet, have a valid driver's license, ride on the road and remain off sidewalks, and may not park scooters on a sidewalk in a position that blocks pedestrian paths.

PERSONAL ELECTRIC SCOOTERS

Personal scooters, skateboards, and hoverboards are allowed, but owners are responsible for securing their vehicles. For more information, visit pt.berkeley.edu/mobility

SKATEBOARDS

Many students bring their own electric/non-electric boards. Students are not permitted to skate on dismount zones on campus.

MOPEDS

Free parking on perimeter of campus.

MICROMOBILITY: BIKESHARE

BAYWHEELS

[Lyft.com/bikes/bay-wheels](https://lyft.com/bikes/bay-wheels)

With over 3,000 bikes in 250+ stations, BayWheels is the regional Bike Share System for the Bay Area.

BayWheels bikes are available in Berkeley, Oakland, Emeryville, San Francisco and San Jose, with both manual and e-bike options.

RIDING WITH BAYWHEELS IS SIMPLE:

- Download the Lyft app and sign up
- Find a BayWheels station and unlock a bike. When you are done with your ride, return it to a station. Insert the front wheel into the lock. When the lock is green, your ride will end.

BAYWHEELS MEMBERSHIP

- Students are eligible for a month-to-month program for \$13 a month with no annual commitment. First month is free with code GOBEARS
- Memberships allow for unlimited 45-minute journeys.
- Baywheels bikes can be unlocked with your EasyPass Clipper Card by registering it with the BayWheels site or Lyft App. Doing so will never deduct from your Clipper cash value, serving only as your access key.

BIKESHARE FOR ALL

- EOP Students - BikeShare for All Memberships available through their EOP Counselors.
- Qualified EOP Students (Dream and Pell Grant eligible) can obtain a free BikeShare for All through their counselor at the EOP office, at 119 Cesar Chavez Center.
- Memberships are free for the first year. After the first year, users can continue their memberships for \$5 per month.

MICROMOBILITY: SCOOTERSHARE

SCOOTERSHARE IN BERKELEY

Electric scootershare is the newest, most fun way to get around Berkeley! Veoride, Spin, and Link provide electric motorized devices that can be unlocked via mobile applications.

Each company provides standing and seated scooters, as well as e-bikes, and provides discount programs for low income riders, in-app promotions, and daily passes. Check the scootershare websites for more information on program specifics.

HOW TO RIDE

- Download a Veoride or Link app to find and unlock the scooter closest to you
- It costs \$1.00 to unlock the device and \$0.36-\$0.39 to per minute to ride

PARKING

- Once you have finished using the device you can lock it to any public bike rack. Scooters must be parked upright with the kickstand down and must not not impede pedestrian access on sidewalks, block car traffic, or be on private property.
- Scootershare apps may have incentivized parking zones, which can provide discounts for parking in specific locations.

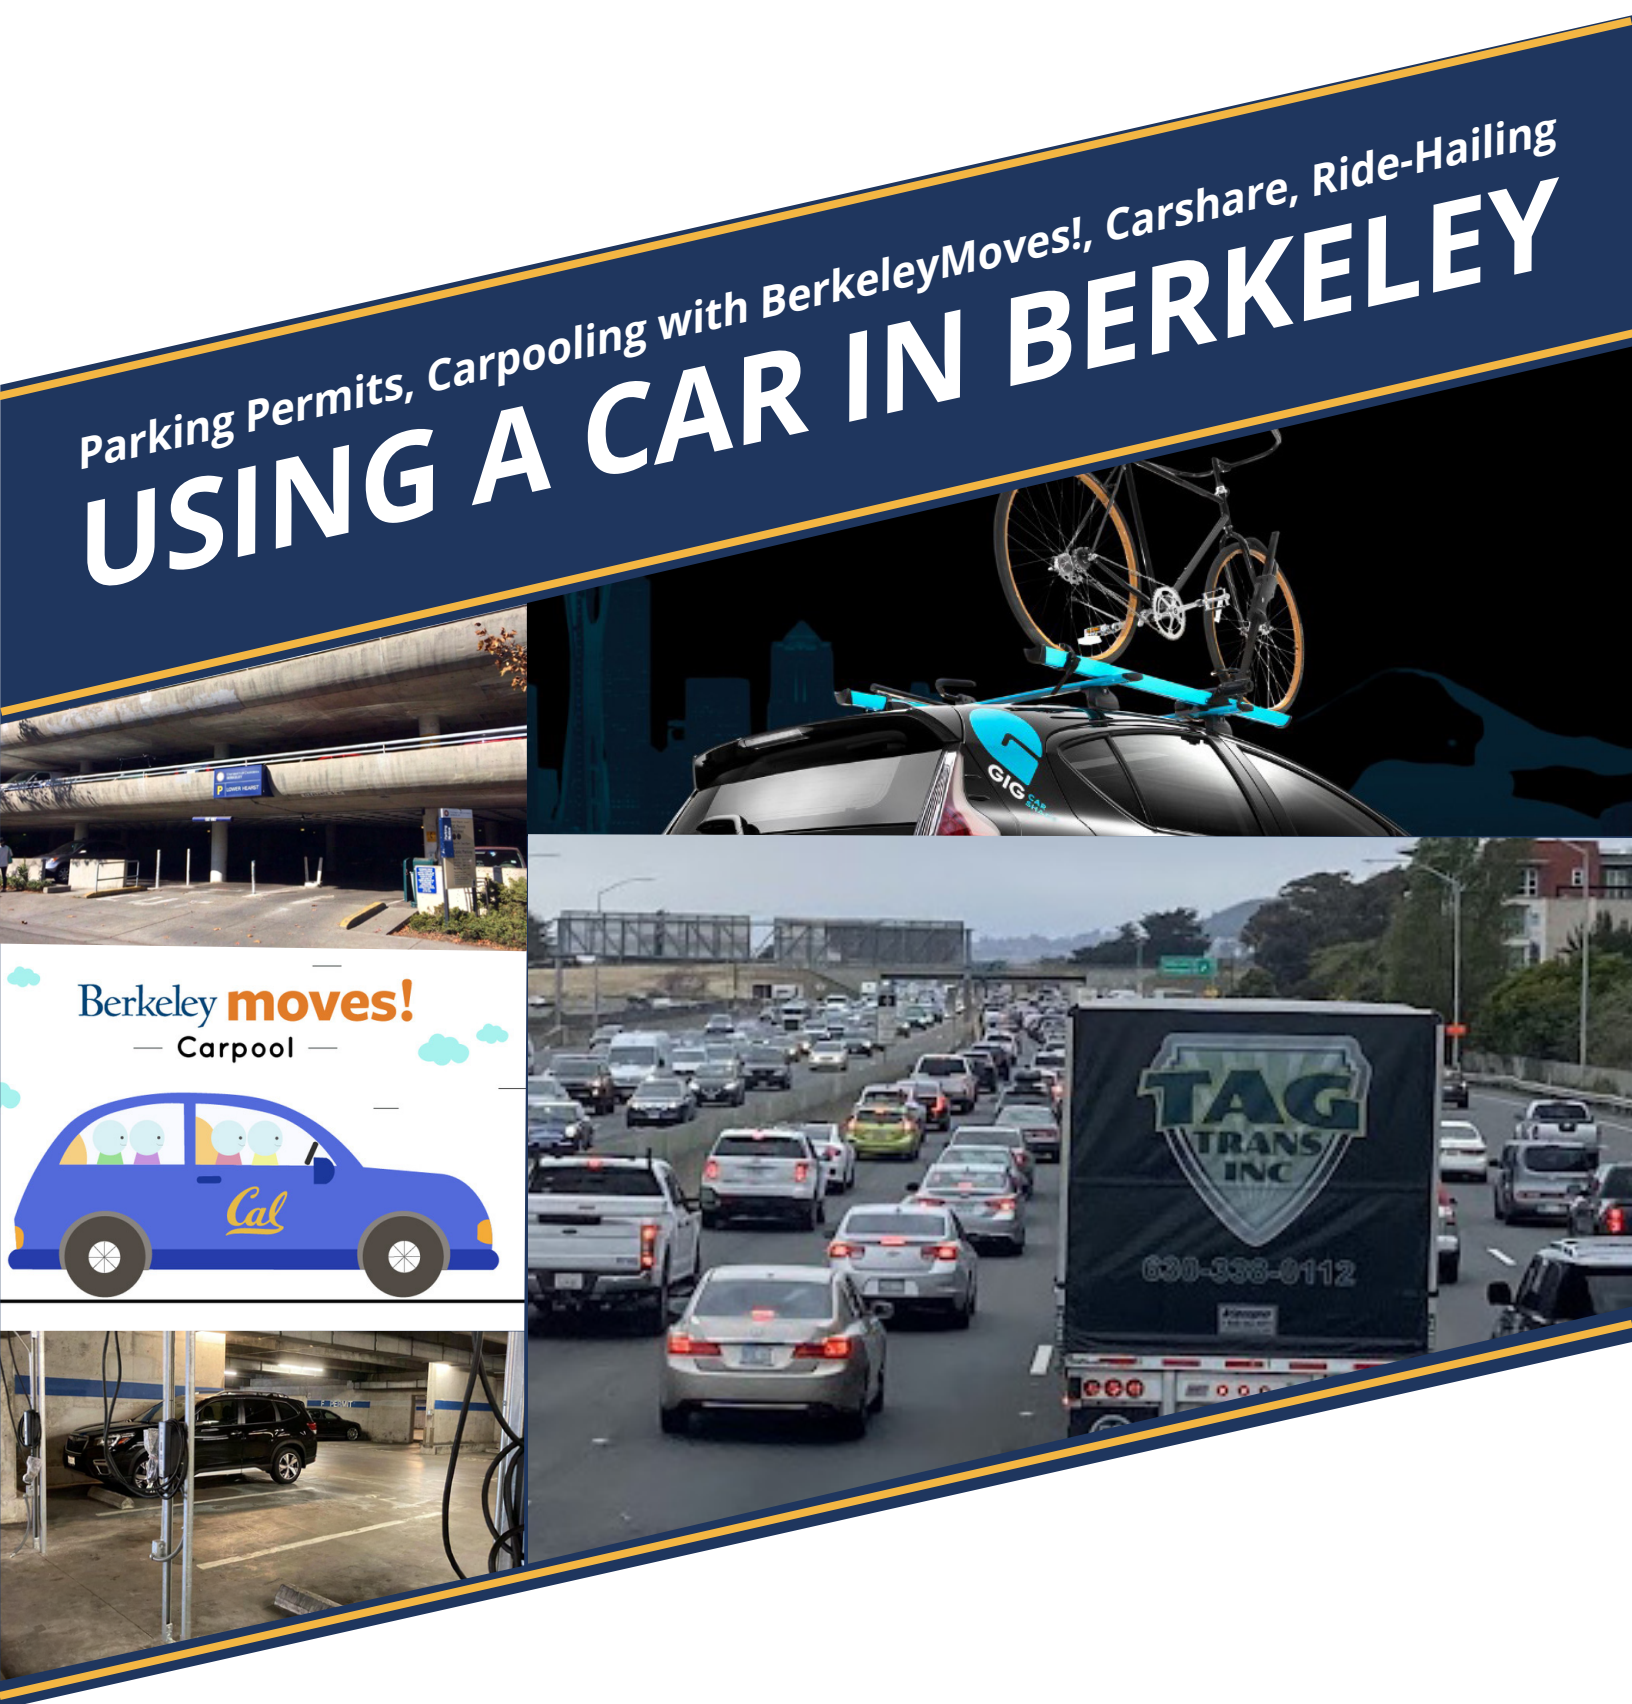

GUIDLINES TO FOLLOW

- Must be 16 or older to ride the device
- Helmet required if under 18 years of age
- Devices can only be operated on roadways with speed limits of 35 mph or less
- No riding the device on a roadway, bikeway, pathway, etc. at a speed excess of 15 mph
- No riding on sidewalks
- You may not operate the device under the influence of alcohol or drugs
- When using the device during darkness, your device must be properly equipped for visibility

USE ON UC BERKELEY CAMPUS

- Commercial scootershare programs are banned on campus. Stakeholders of the Campus Micromobility Program are working on rolling out scootershare on campus, so check for updates regarding rules and regulations.
- Devices may not be locked to locations blocking the ADA paths, handles along ramps, or anywhere that may pose as a trip hazard

PARKING PERMIT RULES AND COSTS

STUDENT PERMITS

Student parking permits are sold every semester both online and in person

- Parking is only permitted in “S” lots with exceptions
- Parking permits are only available to students who live outside of a 2 mile radius from campus
- Students may park in any spot on campus after 5pm
- Parking on campus is not allowed between 2:00am and 5:00am
- Students must renew their permit every semester
- Students are responsible for displaying their valid permit in UC-owned lots and will be ticketed otherwise, failure to display a valid permit or an altered parking permit will result in a \$353 permit misuse citation.

PURCHASE PERMIT ONLINE

pt.berkeley.edu/parking/student-permits/student-permits.

- When you purchase your permit online, you must print a 15-day temporary permit to display until you receive your semester permit, which will be mailed to the local postal address you confirm at the time of purchase
- Do not discard your hang-tag, you will affix the sticker to your hang-tag when you renew every semester. There is a \$35 replacement fee for lost or discarded hang-tag.
- If you do not receive your permit within 15 days, you must come to the Parking and Transportation office to report your parking permit lost and pick up a replacement
- P&T will not mail out permits with a postal address that is more than 60 miles away way. The permit will be canceled and a prorated refund will be issued once you notify P&T.

BUYING PERMIT AT THE P&T OFFICE

UC Berkeley Parking and Transportation, 1995 University Avenue Suite #110

- Present your UCB Cal ID card and fill out a Parking Permit Application form.
- Vehicle information (make, model, color, license plate #) is required.
- Bring proof (current utility bill, bank statement, or lease/rental agreement) that you live outside the designated campus boundary but no more than 60 miles away “one way”.
- Provide proof that you are a registered student by printing out your class schedule

RESIDENCE HALL PERMITS

Residence Hall (RH) permits are only available for purchase by residents of the Residential Halls, Apartments, and Affiliated Properties specified online at pt.berkeley.edu/RH_Permits.

- A valid Cal Housing contract for the current academic year is required to be submitted prior to purchasing
- For students not eligible to purchase the RH permit, overnight parking may be available at the Stadium Parking Garage or City of Berkeley garages. P&T does not maintain a list of off-campus parking providers, but a web search for “Berkeley Monthly Parking” will yield results.
- RH permits are assigned to a single parking facility and can not be used at any other parking facility, except on Cal Football game days and during other special events, during which vehicles may be required to temporarily relocate

Student Fall & Spring Permit	Unit Price	City of Berkeley Tax	Total Price
Student Permit (S) Daily	\$10	\$1	\$11
Student Permit (S) Weekly	\$30	\$3	\$33
Student Permit (S) Monthly	\$106	\$10.60	\$116.60
Student Permit (S) Semester	\$423	\$42.30	\$465.30
Residence Hall (Overnight) Yearly	\$1,632	\$163.20	\$1,795.20

PARKING PERMITS, CITATIONS, EV CHARGING

STUDENT CARPOOLING

We no longer offer student carpool permits, however, those wishing to carpool can use BerkeleyMoves! to find other Cal commuters to split the cost with. More information about carpooling can be found in the BerkeleyMoves! section. Details about the carpool permit changes are online at

berkeley.edu/CarpoolPermitChanges

MOTORCYCLE

UC employees or students with motorcycles and/or convertibles can park in Motorcycle designated areas.

- Motorcycle permits are not valid in car spaces, designated reserved spaces, red zones, or unmarked spaces
- Convertibles must purchase the appropriate validation stickers and a master sticker with validator must be adhered to the driver side rear bumper

WHERE TO PARK

For a comprehensive guide to campus parking, the campus parking map shows all designations of parking lots and campus facilities and their permit requirements. The campus parking map can be found on

pt.berkeley.edu/maps

LOST, STOLEN OR FORGOTTEN PERMIT

If you have lost, stolen or forgotten to bring your parking permit, you must stop by the Parking & Transportation office to purchase a temporary one-day scratcher permit.

- To replace your permit, you must fill out the Request for Replacement Permit Form.
- Pay a \$35 nonrefundable permit replacement fee unless a police report is provided, in which case the replacement fee will be waived.
- Permits reported lost or stolen are subject to a permit misuse citation if used to park on campus.

*Please note: handwritten notes are not an acceptable substitute for a temporary permit. Vehicles not displaying a permit will be cited.

CITATIONS

pt.berkeley.edu/citations/paying-citations

All citations indicate the violation and fine amount on the citation. Citation recipients have 21 calendar days to either pay or contest the citation.

ELECTRICAL VEHICLE CHARGING STATION

Upper Hearst Parking Structure, Level has two charging stations (a C parking permit is required)

Nearby public parking garages offering public charging stations:

- Stadium Garage
- Telegraph-Channing Garage (2450 Durant Avenue)
- Oxford-Fulton Garage (2165 Kittredge Street)
- Rec Sports Facility

WHERE TO PARK

For a comprehensive guide to campus parking, the campus parking map shows all designations of parking lots and campus facilities and their permit requirements. The campus parking map can be found on

pt.berkeley.edu/maps

CARSHARE

GIG CARSHARE

GIG Carshare is a one-way carsharing service available exclusively in the East Bay. You can search for GIG cars nearby and pay by the mile, by the hour, or by the day! Berkeley, Oakland, Albany, Alameda, OAK airport, and select locations in San Francisco and Sacramento. Parking GIG cars at UC Lots and City of Berkeley is not permitted and violators will be ticketed.

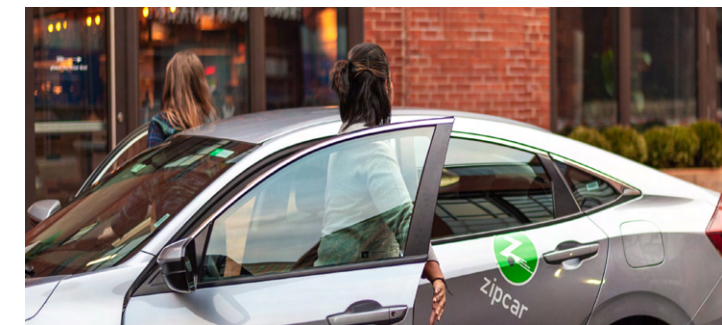

Download the app on Google Play or Apple Store to instantly find a car near you and unlock with your phone. For more information, visit gigcarshare.com

ZIPCAR

A carsharing service that allows users to rent cars for a low rate. There are over 20 zipcar locations within the city of Berkeley, San Francisco and Oakland. User fees include gas, insurance, a reserved parking spot on UC Lots, free miles and satellite radio. Students are eligible for a discounted student membership! For more information, visit zipcar.com

ENTERPRISE

The official rental car company used by UC Berkeley administrators, alumni and the Cal Athletics department. Enterprise Rent-A-Car offers discounted rates to Cal students, faculty and staff. The closest pickup location is on Cedar and San Pablo. More information on renting Enterprise vehicles can be found on property.berkeley.edu/fleet/enterprise-rent-car

We'll pick you up.™

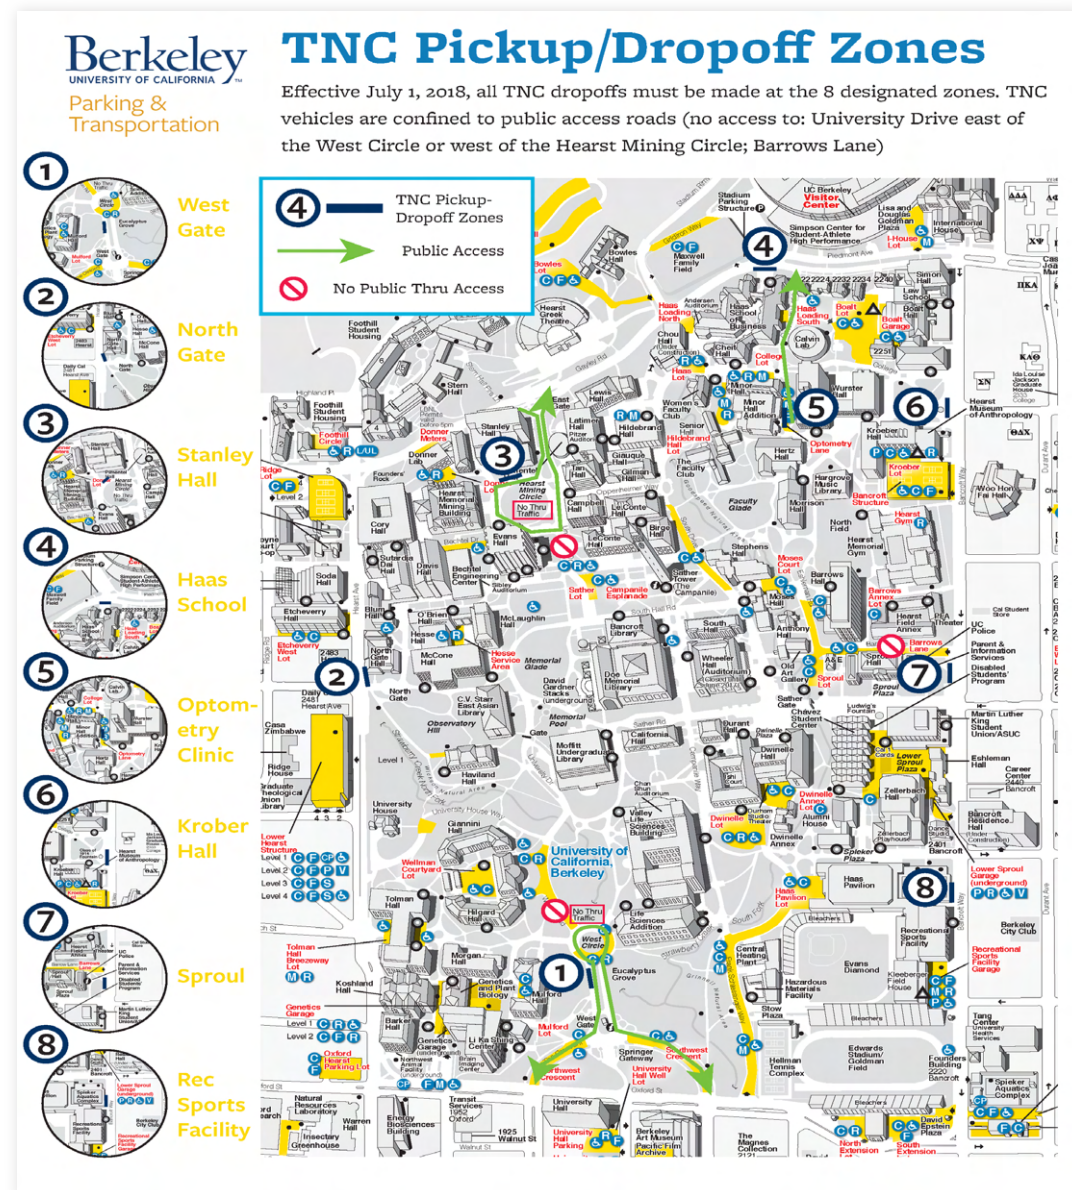

RIDE-HAILING

If you decide to use Lyft or Uber on campus, you will need to be picked up or dropped off at one of eight pick up/drop off zones across campus. These areas are designed to improve safety, efficiency, and improved circulation in and out of campus. These pick up and drop off zones in clockwise order are located at:

1. West Gate/ Eucalyptus Grove (the top-left most point)
2. North Gate
3. Hearst Mining Circle (Stanley Hall)
4. Haas School of Business
5. Optometry Department
6. College of Law/ Kroeber Halls (Bancroft and College)
7. RecSports Facility
8. Sproul Plaza (Bancroft Way east of Telegraph)

Remember there is only a 3 minute drop off time limit at each of these pickup locations! For a more detailed map of pickup and dropoff zones, visit pt.berkeley.edu/PUZ

No other locations can be used for pick-up or drop-off other than the designated ones listed above.

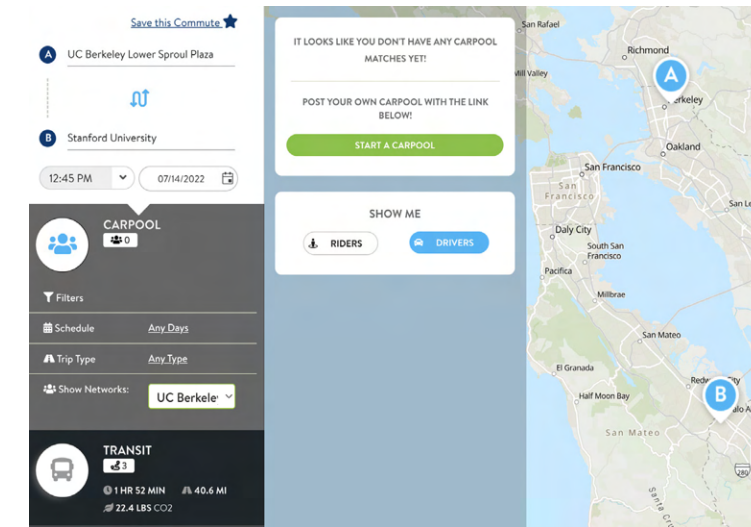

BERKELEY MOVES!

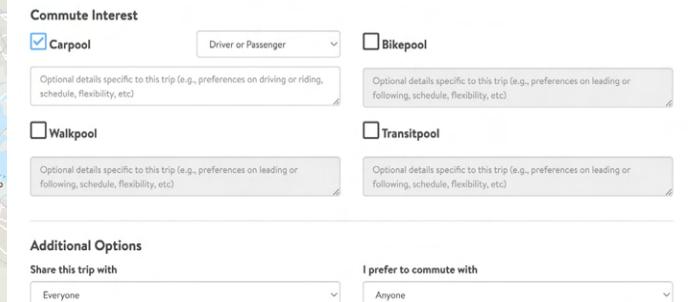

BerkeleyMoves! is UC Berkeley's official ridematching and trip-planning platform. Since it is an internal and closed network, you will only be sharing rides to and from campus with other students, staff, and faculty. To register for a BerkeleyMoves account, visit cal.rideamigos.com

COMMUTE OPTIONS

BerkeleyMoves! is an internal closed ridematching platform for students, staff, and faculty. You can search for recurring commute options from addresses within the Bay Area, as well as one-time trips to and from SoCal during holidays and school breaks. The search results will yield a variety of transit options to accomodate everyone.

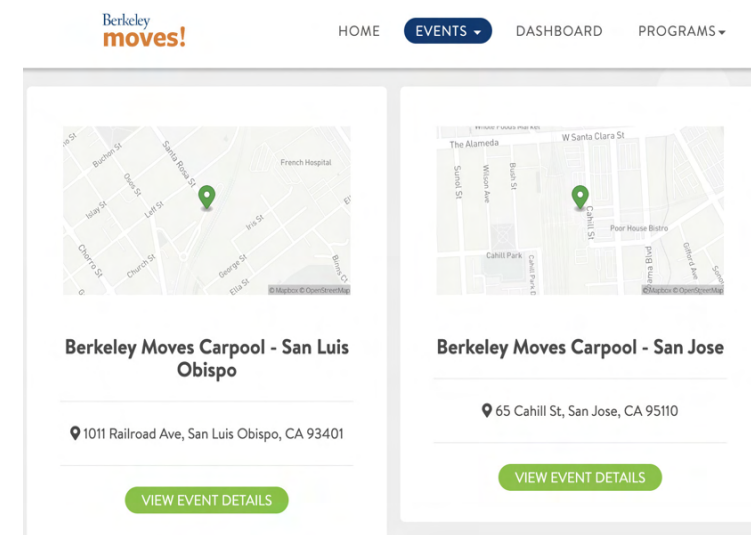

You can personalize the commute options to suit your needs by modifying departure times noting your preference of being the driver or passenger. There is also flexibility to choose which network you want to share your trip with.

EVENTS

For travel during holidays/school breaks, major events, and in the weeks leading up to the start of every semester, BerkeleyMoves! offers "events", which are a one-stop centralized posting for all carpool trips to and from the specified location.

- Filter events based on origin point and occasion
- Select date of departure
- Find carpools trips that match your selection

TRANSITPOOL

Transitpools operate similar to carpools, as groups of people going to the same place - except on transit, not driving. You can setup a transitpool inside BerkeleyMoves! by clicking on transit as your preferred commute option > transitpools > start a transitpool.

MONTHLY SAVINGS AND LEADERBOARD

BerkeleyMoves! aims to incentivize the campus community to reduce their carbon footprint by taking alternative transportation. You can track your total commute expense savings, non-SOV trips, calories burned and carbon emissions reduced. You can also unlock achievements and see how your commute behavior compares with the rest of your network.

PRIZES

There is a monthly raffle open to all eligible BerkeleyMoves! account holders. When you log 6 or more trips, you will be automatically entered into a raffle! Prizes range from gift cards to t-shirts. Keep your eyes peeled for big prizes like a pair of headphones or backpacks!

BERKELEY MOVES! FAQ

How does Berkeley Moves! work?

The website analyzes your commute information to match you with other users as well as various trip plans between campus and home.

What modes of transportation are offered on Berkeley Moves?

The modes offered include carpool, transit, bike, or walking.

If I wanted to go visit family away from Berkeley, can I post a long-distance commute on Berkeley Moves? Yes. Be sure to include either a specific address in your favorite trip, or an area closest to your destination, such as a mall, railroad station, bus terminal, city hall, etc.

How do I contact matches?

You'll see a "connect button". Once you connect, the message gets sent directly through to their email. Through email, you can then discuss carpooling arrangements.

Do I have to pay a fee to register?

Registration is free and only takes a few minutes. If your commute situation changes, you can edit or delete your account at any time. Please note that UC Berkeley Parking & Transportation Department does not hire carpool drivers. Carpool participants are sharing commuter resources and/or taking turns driving.

What information do I need to provide?

First and last name, email, gender, home address, destination address, and commute times. An address can either be on campus, at work away from campus, or a different location elsewhere (Lake Tahoe, Stockton, Los Angeles, etc.).

Who has access to my information?

Other users do not see or have access to your last name, home address, or email address. We do not share your personal information with 3rd parties.

Can I customize my matching parameters?

Berkeley Moves! has filters that allow you to narrow your search to colleagues and fellow carpool riders, such as non-smokers, and same gender riders. If you indicate that you are unable to drive, the site will only match you with others who are willing to drive.

What if I don't see any trips that match what I am looking for?

Don't be discouraged! Be sure to double check your commute profile by clicking (and editing) "View my commute" in the right-hand side under "favorite trips." New users are being registered through Berkeley Moves! daily - be sure to check our website daily.

How can I share my commute with the campus community?

You can tweet your rideamigos commute trip link, as well as ability to share your carpool ID (this shows once you create event/carpool trip) so that others can view your trip information. If you post on social media (Facebook or Twitter), be sure to include the six-character code attached to your post.

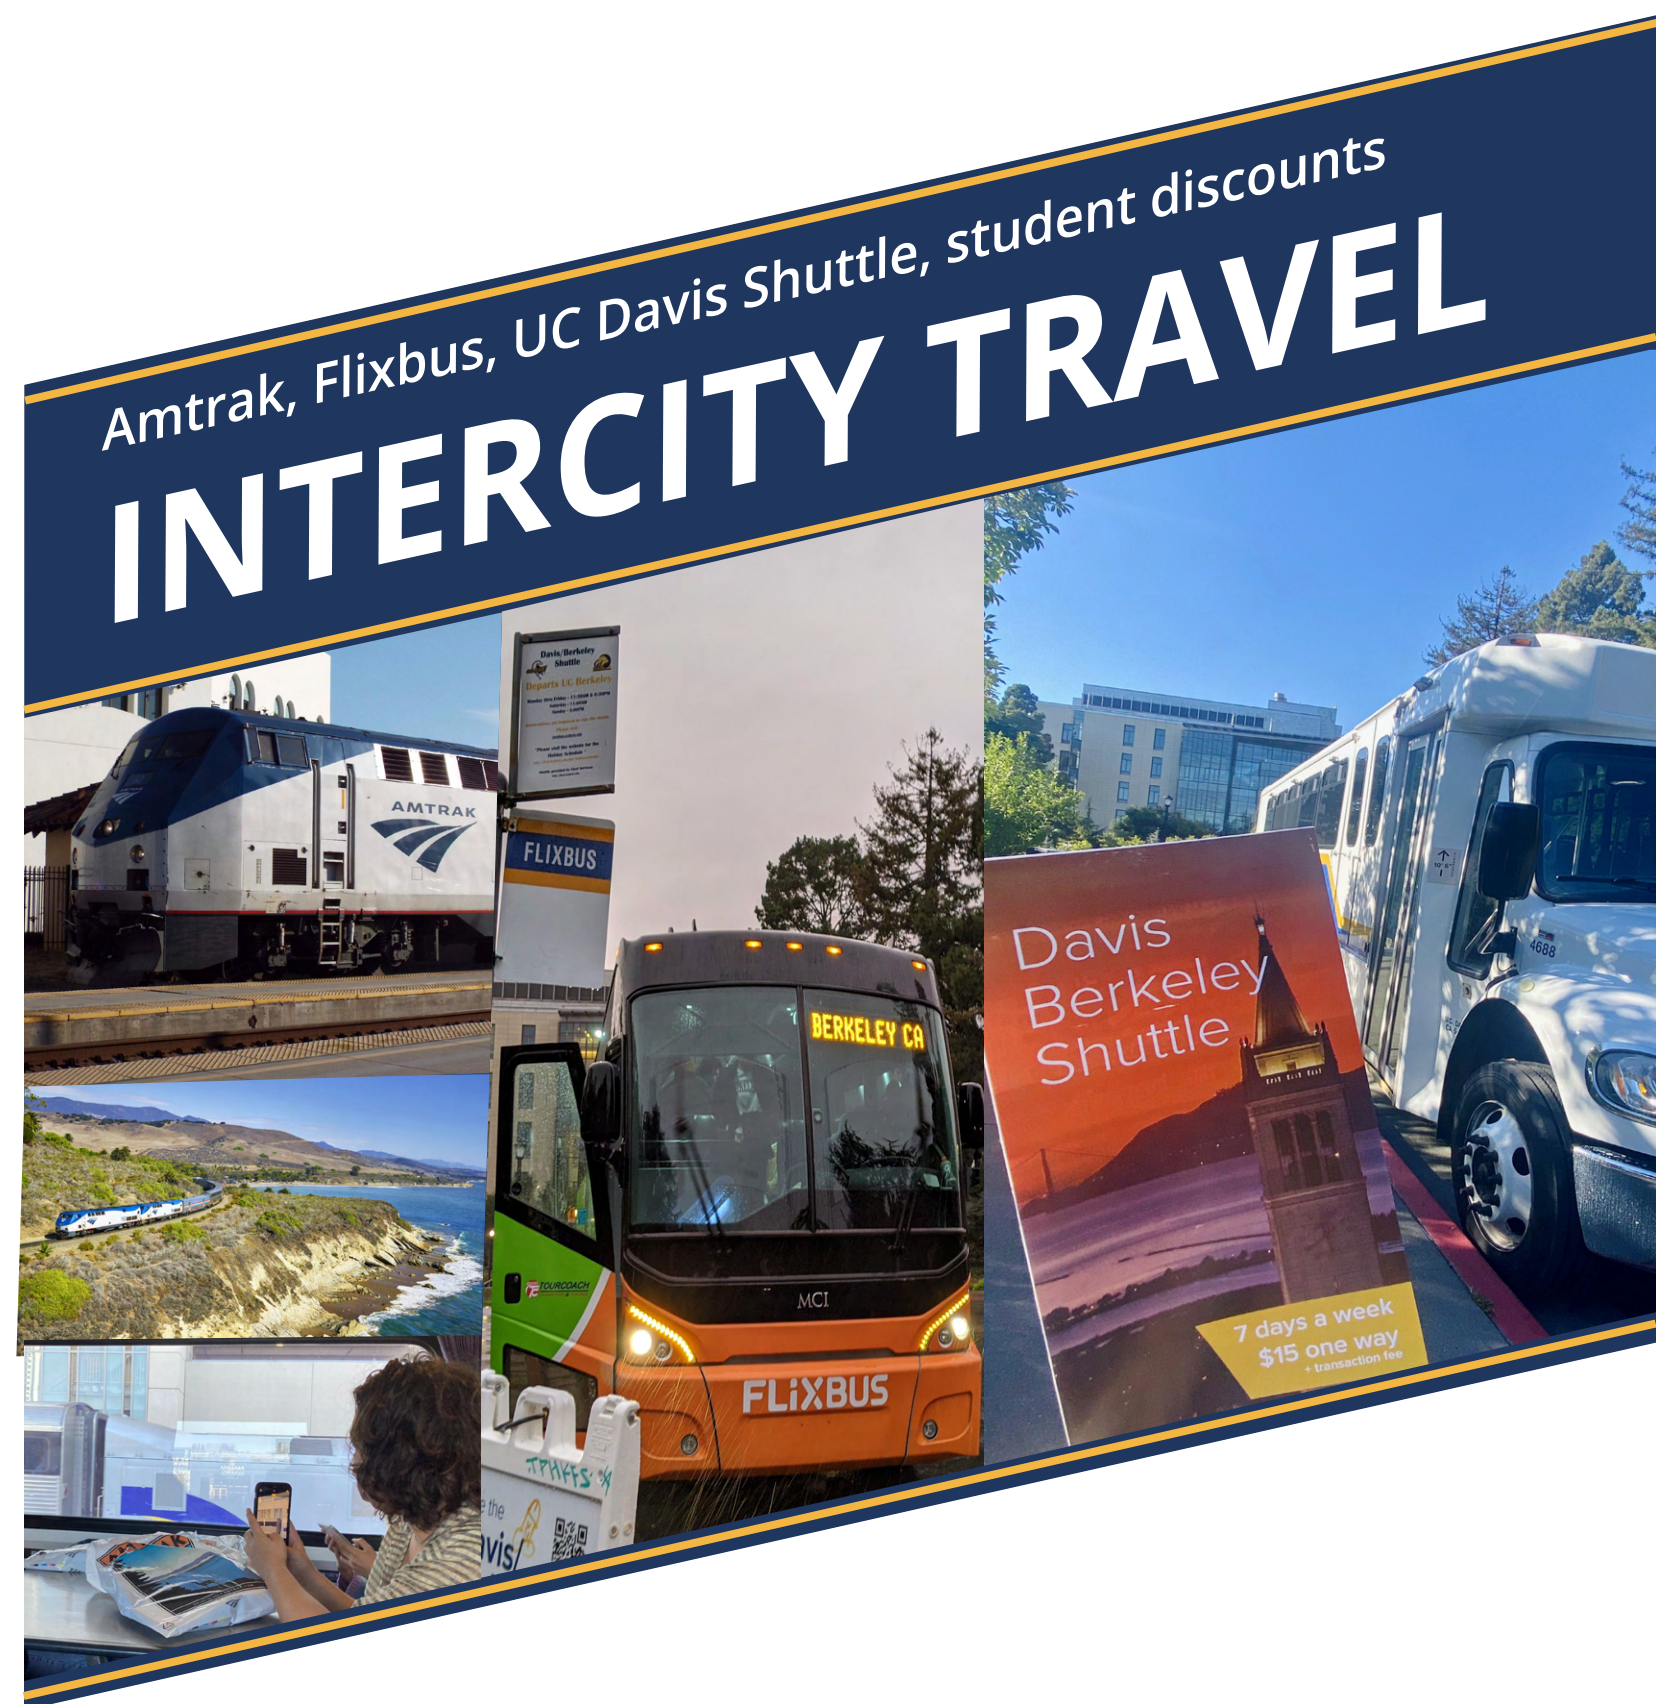

What is the difference between my account profile and my commute profile(s)?

Your account profile contains information about you such as name, email, password, notification settings.

Your commute profile contains information about your commute such as times and locations. You have only one account profile, but can have multiple commute profiles; for example, if you have two jobs. Because they are independent, changes made to account profile do not affect the commute profile(s) and vice-versa.

What is BerkeleyMoves role regarding carpools?

Beyond matching users, Berkeley Moves has no involvement in the operation of a carpool group. It is up to the participants to determine meeting location(s), times, who will drive, cost-sharing arrangements, etc. All users will assume responsibility between messaging and riding, but UC Berkeley reminds all users to be vigilant with their surroundings and trust. Be sure to call 911 if you feel threatened.

INTERCITY TRAVEL: AMTRAK

Amtrak, the national rail operator, has four train routes that pass through the Bay Area. If you're from anywhere outside of the Bay Area (Redding, Modesto, Merced, Bakersfield, SLO, LA, San Diego, Sacramento, Santa Barbara, or San Jose) taking Amtrak may be a convenient method of transportation to get to and from home during vacations. Amtrak can often be more cost efficient than driving or flying and provides you with some of the best views of the state and the country.

STUDENT DISCOUNTS

10% Student discounts on tickets are available for most routes to students who have a student advantage card. Students are eligible to receive a 15% discount on their train ticket by using the promotion code V353 on the Amtrak booking website, a station Quik-Trak machine, or a ticket agent at a staffed station or from a conductor if you board a train at an unstaffed station. Passengers must have a valid Student ID. For more information, visit amtrak.com/deals

AMTRAK ROUTES AND DESTINATIONS:

INTERCITY TRAVEL: UC DAVIS SHUTTLE, FLIX BUS

UC DAVIS SHUTTLE BUS

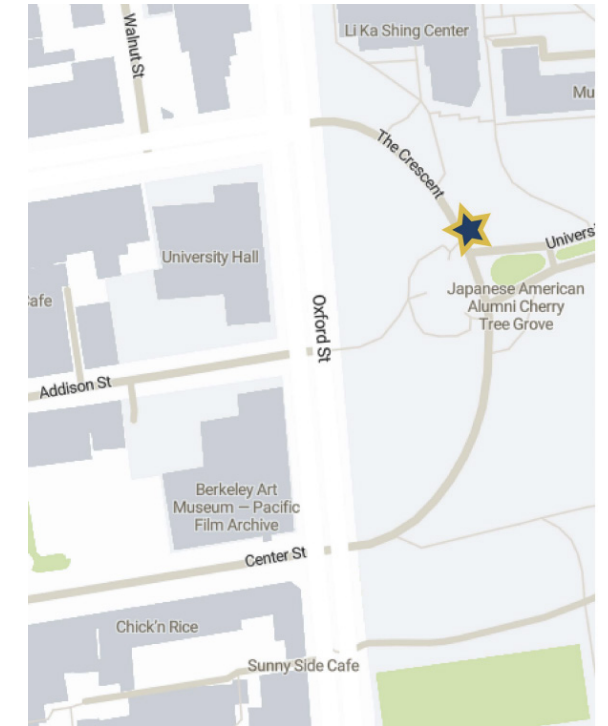

The UC Davis shuttle bus connects the Berkeley campus to Davis at a low cost to students, staff, and faculty. Tickets must be purchased in advance, and are \$12 one-way for an estimated hour-and-a-half long ride. The bus includes free wifi, and passengers are allowed two carry-on items. For more information, visit berkbus.ucdavis.edu

Pickup/Dropoff locations are:

- Berkeley: West Gate Entrance on West Crescent Circle
- Davis: South Side of Shields Library facing the art building

FLIXBUS

FlixBus now offers affordable and comfortable bus travel on the West Coast! Travel onboard green buses to explore cities like Los Angeles, San Diego, Las Vegas, Phoenix and many more. With unbeatable prices, comfortable seats and free Wi-Fi, traveling by bus has never been easier. Enjoy a stress-free ride thanks to a simple booking process, conveniently located bus stops and experienced drivers that will bring you safely to your destination. Rides start at \$4.99! To learn more, visit flixbus.com

UC Davis Shuttle and FlixBus pickup and drop off location is on West Crescent Lawn near Li Ka Shing, at the intersection of University Ave. and Oxford St.

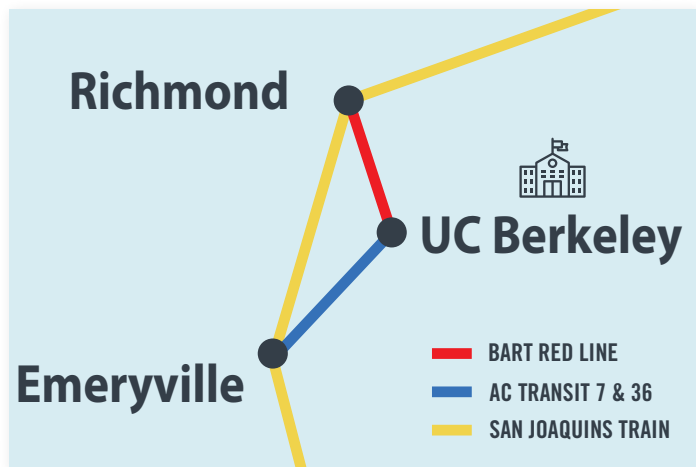

AMTRAK SAN JOAQUINS

UC Berkeley students from all over California can easily get to and from campus with Amtrak San Joaquins! Whether you are going back home for the holidays or planning a trip outside the Bay Area for the weekend, you can count on Amtrak San Joaquins' extensive rail and Thruway Bus network to get you where you need to go and back in a safe, affordable, and convenient way.
