CASE NO. _____

**NOTICE OF CONSERVATORSHIP
HEARING
(To Interested Persons)**

The petitioner (the person sending this notice) asked the court to appoint a conservator for the respondent name above. The court will hold a hearing on this matter on:

Date and Time: _____

Court Address: _____

Courtroom: _____ Judge or Master: _____

You are not required to attend this hearing unless you are called as a witness.

Purpose of Hearing

At the hearing, the court will decide whether the respondent needs a conservator because (1) the respondent is unable to manage the respondent's own money and property effectively, and (2) the respondent has money or property that will be wasted or lost unless proper management is provided. A conservator may also be appointed if the respondent needs help in order to financially support the respondent's self, or others the respondent has a financial obligation to support (for example, minor children).

Possible Consequences

If the court decides to appoint a conservator, the conservator will have control of the respondent's money and property. Alternatively, the court may decide to appoint only a "special conservator" who will have more limited powers. Or, the court may decide not to appoint a conservator at all or to order a different form of protection.

The petitioner nominated _____ to be the conservator(s) for the respondent. If the court decides to appoint a conservator, the court may appoint this/these person(s) or agency, or the court may choose to appoint a different person or agency.
