

## 4. Incapacity.

- It has been shown by clear and convincing evidence that the respondent is incapacitated as defined in AS 13.26.005(5). *[Someone is incapacitated if the person's ability to receive and evaluate information or to communicate decisions is so impaired that the person cannot provide for the person's own physical health or safety without court-ordered help (including healthcare, food, shelter, clothing, personal hygiene, and protection).]* AS 13.26.251(b).
- The respondent agrees to the finding of incapacity as defined above. AS 13.26.251(b).

**Full Guardian.** The respondent is totally without the capacity to care for the respondent's self, and a combination of alternatives to guardianship and the appointment of a partial guardian is not feasible or adequate to meet the respondent's needs. Therefore, the court will appoint a **full guardian**. AS 13.26.251(f).

The respondent lacks the ability to provide for the respondent's self in the following areas:

- (1) Medical care.
- (2) Mental health treatment (if any is required).
- (3) Housing.
- (4) Personal care, educational, and vocational services necessary for the physical and mental welfare of the respondent, and if possible, to enable the respondent to develop or return to full capacity.
- (5) Application for health and accident insurance and any other private or governmental benefits to which the respondent may be entitled.
- (6) Physical and mental examinations necessary to determine the respondent's medical and mental health treatment needs.
- (7) Control and management of the respondent's property and financial affairs in order to pay for the cost of services of (1) – (6).

AS 13.26.266(a)(2) & (b).

**Powers of a Conservator.** The guardian should have the powers of a conservator, because it has been established that the respondent:

- (1) is unable to effectively manage the respondent's property and financial affairs, and
  - (2) has property that will be wasted or used up unless someone manages it, or has funds that are needed for the support, care, and welfare of the respondent or those entitled to be supported by the respondent.
- AS 13.26.430(c) and AS 13.26.401(2).

As required by AS 13.26.430(d), the court investigated the alternatives to appointing a conservator, including the services of a special conservator, and concludes that the powers of a full conservator should be given to the guardian, because the alternatives under AS 13.26.440 are not adequate to protect the respondent's estate.

5. \_\_\_\_\_ is/are suitable, under AS 13.26.311, to act as the respondent's **guardian or co-guardians**, and

- has priority for appointment under AS 13.26.311(d).
- is best qualified among those having equal priority for appointment.
- does not have priority for appointment, but this appointment is in the respondent's best interest
  - because \_\_\_\_\_
  - \_\_\_\_\_
  - \_\_\_\_\_
- for the reasons stated in the attached written findings. AS 13.26.311(f).

This person or entity is also competent to act as the respondent's **conservator**, and

- has priority for appointment under AS 13.26.465(d).
- is best qualified among those having equal priority for appointment.
- does not have priority for appointment, but this appointment is in the respondent's best interest
  - because \_\_\_\_\_
  - \_\_\_\_\_
  - \_\_\_\_\_
- for the reasons stated in the attached written findings. AS 13.26.465(f).

6. Consideration of the Respondent's Preference.

- a. Pursuant to the AS 13.26.251(g) requirement that the court consider the respondent's preference in selecting a **guardian**, the court
  - has considered the respondent's preference.
  - has not considered the respondent's preference in guardians for the reasons stated  on the record.  in the attached findings.
- b. Pursuant to the AS 13.26.430(d) requirement that the court, to the maximum extent possible, consult with the respondent in determining what action should be taken with respect to appointment of a **conservator**, the court
  - has consulted with the respondent about whether the guardian should be given the powers of a conservator.
  - has not consulted with the respondent concerning the conservator issue for the reasons stated  on the record.  in the attached findings.

7. License. The guardian

- has the required professional license under AS 08.26.
- is the Public Guardian.
- is exempt from the license requirement under AS 08.26.180, because the individual is employed by a regulated financial institution and will provide these guardian services in the course of this employment.
- is not required to be licensed, because the guardian is not engaged in the business of providing guardian or conservator services. The guardian
  - has  has not satisfied the one-hour mandatory education requirement on the basics of guardianship and conservatorship. AS 13.26.311(c) and 13.26.465(g).

8. Personal Contact.
- The respondent appeared for court either in person or by video connection.
  - The respondent did not appear in court, but the court visitor had personal or video contact with the respondent.
  - The court visitor shall have personal or video contact with the respondent within the next one year and shall file notice with the court that the contact occurred.
  - The court finds good cause to waive the requirement for personal contact.
