

4. Pending Petition for Full or Partial Guardianship.  
A petition for appointment of a full or partial guardian for the respondent has been filed, but a hearing on the matter has not yet been held.
5. Need for Temporary Guardian.  
The petitioner has shown by clear and convincing evidence that the respondent needs immediate services to protect the respondent against serious injury, illness, or disease, and that the respondent is not capable of arranging the necessary services on the respondent's own.
6. License. The temporary guardian
  - has the required professional license under AS 08.26.
  - is the Public Guardian.
  - is exempt from the license requirement under AS 08.26.180, because the individual is employed by a regulated financial institution and will provide these guardian services in the course of this employment.
  - is not required to be licensed, because the temporary guardian is not engaged in the business of providing guardian or conservator services.
7. Personal Contact.
  - The respondent appeared for court either in person or by video connection.
  - The respondent did not appear in court, but the court visitor had personal or video contact with the respondent.
  - The court visitor shall have personal or video contact with the respondent within the next one year and shall file notice with the court that the contact occurred.
  - The court finds good cause to waive the requirement for personal contact.
