## SPECIFIC INSTRUCTIONS

### NON-REFUNDABLE INCOME TAX CREDITS

Delaware Form 700 must be completed by the person actually claiming the credits on the Delaware income tax return. A qualified and approved C corporation or Sole Proprietor will claim the credit directly on their respective Delaware income tax return. A Partnership or S corporation does not directly claim the Delaware income tax credits because the entities are classified as pass-through entities. The partners of the partnership or the shareholders of the S corporation will be required to file Delaware Form 700 with the individual Delaware personal income tax returns and claim a percentage of the total credit approved for the partnership or S corporation based upon the partner's or shareholder's percentage ownership in the pass-through entity.

Enter the credit carryover and the current year credits on the appropriate lines for the Economic Development, Green Industries/Brownfield, and Research & Development credits. Enter the aggregate of the three credits on Line 10. Enter on Line 11, 50% of the Delaware income tax liability of the entity actually claiming the credits. Enter on Line 12 the smaller of Line 10 or Line 11. These credits are limited to 50% of the Delaware income tax liability.

Enter the credit carryover and the current year credits on the appropriate lines for the Land & Historic Resource Conservation, Historic Preservation, and Neighborhood Assistance credits. Enter the aggregate of the three credits on Line 24. Enter on Line 25, 100% of the Delaware income tax liability of the entity actually claiming the credits. Subtract Line 12 from Line 15. Enter the smaller of Line 24 or Line 26. These credits are limited to 100% of the Delaware income tax liability. To determine the aggregate of the approved Delaware income tax credits to be claimed during the current year, add Line 12 and Line 27 and enter the result on Line 28.
