

FEDERAL RESERVE BANK *of* ST. LOUIS  
CENTRAL TO AMERICA'S ECONOMY\*

## **Michael Owyang**

Senior Economic Policy Advisor

[michael.t.owyang@stls.frb.org](mailto:michael.t.owyang@stls.frb.org)

Michael T. Owyang is a senior economic policy advisor in the Research Department at the Federal Reserve Bank of St. Louis. He joined the Bank in October 2000. Dr. Owyang received his bachelor's degrees in mechanical engineering and economics from the University of California, Berkeley, and his masters and doctoral degrees in economics from the University of California, San Diego. His current research agenda is built around applications of Bayesian econometrics.
