## THE GRIT & GLORY OF THE EARLY CHURCH IN ACTS

Come along with Kristi McLelland in this seven-session study as she unpacks the life of the early church in the book of Acts and shows us that the kingdom of God is always on the move. Jesus, for the vast majority of His life, never traveled outside of a one-hundred-mile radius from where He was born. Yet His name is spoken and known in every corner of the earth. This is the story of how that happened. And it's the story of how it is still happening today.
