

Structural Engineering Intern

Who We Are:

BWE was founded in San Diego in 1971, and we possess a wealth of structural design knowledge and experience over a wide range of clients and project types. We are seeking to grow our team with the appropriate addition to our Structural Engineering Department.

BWE offers opportunities for career advancement in a professional and enthusiastic work environment. We are 100% employee-owned and offer an excellent compensation package including an annual bonus, profit sharing plan, 401(k) plan, and medical insurance for full-time employees. Please visit our website at <https://bwesd.com/> for additional information about us.

Who We are Looking For:

We are looking for a motivated individual who is nearing completion of their structural engineering degree at UCSD (undergraduate or graduate), ideally with EIT Certification, and who is interested in gaining design skills and experience in the private sector. We are looking for a driven student who loves solving problems, has great people skills, and possesses a strong desire to learn how to design structures and their components.

Design-related coursework, prior internships, and/or recommendations from a professor are all strongly encouraged for this position. Let us know if you have related hobbies or previous job experience that required good customer service, working well with coworkers, construction, or creative problem solving.

Relevant Skills:

AutoCAD, Revit, Microsoft Office (Word, Excel, Outlook), Bluebeam, Structural Analysis Software, Construction, Technical Hobbies, Customer Service, Communication Skills (written and oral).

In Closing:

Our team is rich in technical ability, focused on customer service, and full of character. We are excited to have someone join us and help contribute to our success.

This position is 100% in the office and is being offered part-time (24 to 30 hours per week) between late June and late September. Toward the end of this period, we will meet to evaluate and discuss whether there is mutual interest in continuing the internship part-time during the school year, with the potential opportunity to join our team full time following graduation.

To apply, please email your cover letter and resume to resumes@bwesd.com.
