LUNDA'S WORKSHOP NOTES

Dear Brok & Sindri:

Since I know you're both snoopers of the highest order, why don't you make yourselves useful and kindly grace me with your keen insights?

You know that I like studying, and tailoring to, the tastes of my clients.

Kisses!

PROPERTY OF LÚNDA

Sindri

Angrboda

Well now who's THIS cutie patootie?

AW, THAT THERE'S ANGRBODA—LITTLE
GIANT LADY I SEEN ROOTIN' 'ROUND
THOSE OLD JÖTNAR SHRINES...

Love the subtle shade of the tattoo pigment...
something from Jötunheim, I'd guess

Golden threaded hair wraps are a darlin' touch...

Yellow/gold has long been associated with
the Giants—probably an allusion to the
golden Glittering Fields of Jötunheim.

*I do believe we're looking at hand-carved
reindeer antler. Not too shabby...*

Beautifully designed clasp.
Can't tell what material
without a closer look.

Clasps were a symbol
of unity for the Jötunnar.

SHE SURE IS INTO WORMS

I'm fairly confident those are snakes.

A touch of natural color from the
rocks in this homemade necklace.

Must have taken ages to collect
and curate...

YEAH, SEEMS SHE'S HAD
SOME TIME ON HER HANDS

Traditional Jötunar design work
and craftsmanship

In other words...
beautiful!

These rings might be used
to hang harvested resources
from her belt

Fascinatn' texture on this leather—
maybe from the hide of a creature
that don't exist outside Jötunheim

Eye beads? Foiled glass? Painted jet?
All I knows is I want some for my own.

Indigo-dyed leather bag...
wonder what the orange dust is?

MY VOTE IS CHEESE CRACKER DUST

Linda, this is exactly why I urge
you to hide these notes.

Bronze arm-band... do the Giants
still have smiths and forges, or
are these all heirlooms?

Hammered steel maybe?

Or a metal that's native to
Jötunheim and unknown to us.

Love this open-front, vertical rib design.
Keeps the boots lightweight and
flexible, but durable.

burnished copper boot guard—stylish
and practical. I just love this girl.
