LUNDA'S WORKSHOP NOTES

Dear Brok & Sindri:

Since I know you're both snoopers of the highest order, why don't you make yourselves useful and kindly grace me with your keen insights?

You know that I like studying, and tailoring to, the tastes of my clients.

Kisses!

ATREUS

Cute little squirt! Such precious scars.

Son of Kratos and Laufey the Just—part god, part Giant. Very different style from his father... goes to show how everybody hammers to their own beat.

Note lighter values and bright colors.

They reflect his more optimistic attitude and personality.

Does he cut his own hair??

Back in the day, Kratos cut his hair. These days, I think it's mostly Atreus with some help from dad.

I OFFERED TO HELP PLENTY TIMES, BUT NOOOOO... SAID HE WEREN'T LOOKIN' TO GET HIS EARS SHEARED ALONG WITH HIS LOCKS BY ACCIDENT

Sky blue peepers

Arrowhead?

One of the mistletoe arrows
I made Atreus—the only
thing able to kill Baldur.

BAH! NOT LIKE YOU KNEW
THAT WHEN YOU MADE IT!

Never doubt my instincts.

Note the red stitching is in the same
place as Kratos' tattoo. Coincidence?

HE'S HIS FATHER'S SON

I think the yellow reflects
his strong connection to his
mother and the Giants.

Stylized world serpent?

Indeed. Atreus is one of the few who can speak to Jörmungandr in the Ancient Tongue.

Wolf fur

Fitting, since he's small, quick, and cunning.

WHILE DADDY'S BIGGER, SLOWER, AND VICIOUS LIKE A BEAR

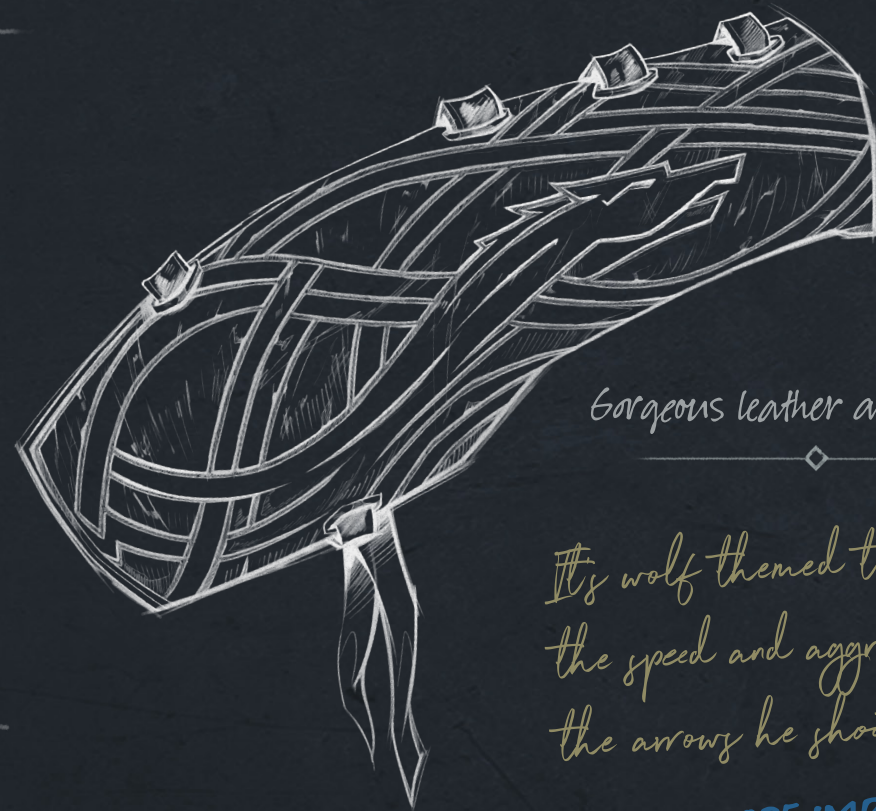

Elven brass

Burnished pewter cuff ornaments

Gorgeous leather arm guard

It's wolf themed to represent the speed and aggressiveness of the arrows he shoots.

BUUUUT MORE IMPORTANT, IT PROTECTS HIS SCRAWNY ARM FROM A SLAPPIN BOW STRING

Beautifully hand-engraved bronze hook buckles

THANKS. ONCE I STARTED, COULDN'T STOP
I'm proud of you, Brok, for embracing your inner Sindri here.

Bold splash of red, foreign fabric

Greek fabric given to him by Kratos.
He always seems to have both mother and father represented in his outfits.

Sure do love the woven skirt!

So does he! He's worn it for as long as I've known him, in fact.

SQUIRT'S COME A LONG WAY SINCE FIRST I SAWS HIM

Identical to dad's

When Atreus was born, Kratos made two knives,
mixing metals from his homeland and from here.

Maybe reindeer hide? Looks particularly, uh, slapdash.

Atreus told me his feet kept growing so often that Kratos got fed up having to make him new ones all the time, so Atreus had to learn how to make them himself.

SELF-RELIANCE! AND NOW THAT KID CAN
TURN A REINDEER INTO A BOOT FASTER
THAN A WULVER GUTS OXEN

Unnecessarily gross.

BOW TURNED TO CRUD WITHOUT OUR CARIN' TOUCH

Remarkably well-made by Kratos

Though it lacks the finer, artisanal touch and artistic flare of Dwarven craftsmanship, even I can admire its robust design and construction.

And he's an artist to boot!

I'm not at all hurt that we're missing from his drawing. Nooo, sir.

GONNA ADD US IN NEXT TIME
I'M UPGRADING IT!
