

FARX M T O U M S

LUNDA'S WORKSHOP NOTES

Dear Brok & Sindri:

Since I know you're both snoopers of the highest order, why don't you make yourselves useful and kindly grace me with your keen insights?

You know that I like studying, and tailoring to, the tastes of my clients.

Kisses!

THOR

*Well if it ain't the biggest, baddest, Aesir god of all!
Thor—the god of thunder, and of bringin' the hammer
down. And not just any hammer...*

We have apologized for that, copiously.

Nasty scar around his eye—nearly wound
up like his dad!

I heard he got it from Starkaör the Giant.
MORE LIKELY DID IT TO HIMSELF PULLIN' A
STUCK MEAT-AXE OUT OF A BONEY GOAT.

Created by the most renowned tattoo artist in Asgard.
WHO CAN TELLS THROUGH THAT MANGY MOP?

I don't think these have ever seen a brush!

What do you expect from somebody who never
stops brawling, drinking, and carousing?

AND FARTIN'. THAT BOY CAN BEEF 'EM OUT!

Another runic tattoo?

They all are. Only Odin knows what boons they grant.

Black bear

Asgardian gold

Gilded clasp—very Aesir

Hand forged iron pendant

Tooled leather w/traditional Asgardian knotwork

Dwarven detailing... none of our work, obviously.

Too many Dwarves back home are still more than happy to equip the Aesir.

...AND TOO PROUD TO DO A CRAP JOB OF IT

Note the extra-long belt anticipating his ever-expanding gut

Basket-weave style leather
(probably Graðungr hide)

Red hemp fishtail braid

Traditional tooled knotwork

Probably symbolizing the
roots of the World Tree.

OR A BAG OF WET WORMS

If you can appreciate the intricate detailing on the bracers, you're probably standing WAY too close.

Burnished Asgardian gold

Another gift from Odin... after the slaying of the Giants was done.

Gold ring w/punched pattern

Gifted to him by Odin after the destruction of Týr's Temple.

Wow!

We were also responsible for Mjölmir's holster, though it looks like somebody made changes to the leather element since then.

HEY, YEAH! OUR BRAND USED TO BE ON THERE! THOSE BASTARDS!!

*More tanned leather from Gröðungr
hide—crazy durable*

You can't help but admire the craftsmanship. Say what you will about what he does with it, Mjöllnir is a dang masterpiece.

AH, WE DONE BETTER.

Gorgeous, fellas!

Made with golden silver from the Himinbjörg Mines.

SINDRI WENT A LITTLE TOO CRAZY WITH THAT POMMEL, YOU ASK ME

Hey, Thor requested those damned goats-favorite pets who had long since expired.
