# SYLENS

Little is truly known about Sylens, a wandering scholar, sage, and warrior. His past is a series of whispers, misdirections, and enigmas – all of which he encourages. As long as he can stay unseen in the shadows, he can freely pursue his obsession: learning everything he can about the origins of man and machine.

You can click on the image descriptions in this guide to jump to a section.

# FACE

Sylens has brown eyes and wears a Focus.
