SYNOPSIS

By Lolita Chakrabarti OBE

We live in a world where one person is forcibly displaced every two seconds as a result of conflict or persecution. In 2022, statistics show that over 100 million people around the globe had been forced from their homes. More than thirty-two million of those people are refugees, and half of them are under eighteen years old. We are confronted by stories of displacement every day – in newspapers, on television and on our streets. We regularly hear about migrants fleeing oppressive regimes, but the focus is often on the catastrophic political infighting and violence and we lose sight of the people affected.

Message In A Bottle is an imagined story about one family. In a village in a country far away, the community live well and support each other. But when civil war breaks out this idyll of existence is devastated as the community is broken and homes destroyed. We follow the fortunes of a father, mother and their three teenage children – Leto, Mati and Tana – who face this brutal reality together. They are confronted with impossible choices in order to survive. They must leave their homeland and undertake a perilous journey to safer shores. Along the way they will be separated from each other and have to persevere alone.

Inspired by the passionate, evocative and iconic music of Sting – *Message In A Bottle* is a universal story of loss, fear, survival, hope and love.

RUNNING ORDER & SONG LIST

Act 1

Desert Rose

I dream of love as time runs through my hand.

If I Ever Lose My Faith In You

There'd be nothing left for me to do...

Every Little Thing She Does Is Magic

I resolve to call her up, a thousand times a day, and ask her if she'll marry me, in some old fashioned way.

Fields Of Gold

Will you stay with me, will you be my love... as we lie in fields of gold.

King Of Pain

There's a little black spot on the sun today.

Fragile

If blood will flow when flesh and steel are one, drying in the colour of the evening sun, tomorrow's rain will wash the stains away, but something in our minds will always stay.

Don't Stand So Close To Me

To hurt they try and try

Invisible Sun

And they're only going to change this place, by killing everybody in the human race... But I don't even wanna die just yet, there has to be an invisible sun, that gives us hope when the whole day's done.

Inshallah

As the wind blows, growing colder, against the sad boats, as we flee, anxious eyes, search in darkness, with the rising of the sea.

A Thousand Years

A million roads, a million fears, a million suns, ten million years of uncertainty.

Shadows In The Rain

I woke up in my clothes again this morning, I don't know exactly where I am.

Every Breath You Take

Since you've gone I've been lost without a trace, I dream at night I can only see your face.

Message In A Bottle

Rescue me before I fall into despair... I'll send an S.O.S. to the world.

Act 2

Spirits In The Material World

There is no political solution, to our troubled evolution.

If You Love Somebody, Set Them Free

If you want to keep something precious, you've got to lock it up and throw away the key.

Brand New Day

I'm thinking in a brand new way... I'm starting up a brand new day.

Love Is The Seventh Wave

There is a deeper wave than this rising in the world.

De Do Do Do, De Da Da Da

Don't think me unkind, words are hard to find, they're only cheques I've left unsigned, from the banks of chaos in my mind.

Walking On The Moon

Giant steps are what you take, walking on the moon... We could walk forever... we could live together... walking on the moon.

Be Still My Beating Heart

Be still my beating heart, or I'll be taken for a fool.

Englishman In New York

Be yourself, no matter what they say.

Shape Of My Heart

I'm not a man of too many faces, the mask I wear is one.

The Bed's Too Big Without You

I can't sleep with your memory, dreaming dreams of what used to be, when she left I was cold inside.

Roxanne

You don't have to put on the red light, those days are over, you don't have to sell your body to the night.

So Lonely

And I can only play that part, and sit and nurse my broken heart.

Fields Of Gold

Will you stay with me, will you be my love among the fields of barley? We'll forget the sun in this jealous sky as we lie in fields of gold.

The Empty Chair

If I should close my eyes, that my soul can see, and there's a place at the table that you saved for me.

They Dance Alone

One day we'll dance on their graves, one day we'll sing our freedom, one day we'll laugh in our joy, and we'll dance.
