Home to The Royal Ballet, The Royal Opera and the Orchestra of the Royal Opera House, the Royal Opera House brings together world-class performers and trailblazing creative teams to share unforgettable performances with audiences near and far. Our theatres are in the heart of London's Covent Garden, but our work is accessed and experienced across the UK and globally through ROH Stream, tours, cinema programme, radio broadcasts and TV output. Our work in schools and communities up and down the country is driven by our curriculum linked Create & Learn programmes, specially designed to inspire creativity, broaden participation and diversify the future of opera and ballet. These sit alongside industry-leading talent development projects, regional partnerships, and a raft of daytime events, family activities, tours, exhibitions and free concerts here in our iconic Covent Garden home. We are also expanding our audience through our flagship Young ROH scheme and are committed to reducing our impact on the environment and aim to achieve net zero emissions by 2035.
