

## Pricelist of Paylab.com services

- ✓ A different number of Salary reports or access to the Salary tool for a different number of countries can be ordered on Paylab.com. It is also possible to combine these services, for example to purchase access to the Salary Tool for Germany and Salary reports in other countries.
- ✓ The client has access to the purchased Salary reports through his account on Paylab.com.

The table shows the prices for the Salary Report and the annual access to the Salary tool in individual countries. Prices are without VAT.
