ORLANDO – Beginning on Friday, the Big 12 era for UCF rowing will officially launch.

The Knights will race in four regattas before their inaugural Big 12 Conference Championship appearance at Nathan Benderson Park in Sarasota, Florida, on May 19. Three of the team's regular-season regattas will take place in the state of Florida, at its home race-course on Lake Pickett with two more at Nathan Benderson Park. UCF's only out-of-state regatta will be the Lake Wheeler Invite in Raleigh, North Carolina. If the Knights earn a bid to the NCAA Championships, they will travel north to Bethel, Ohio from May 31-June 2.

Head coach Mara Allen said having most of the team's regattas in its home state will play as an advantage for the team. "Getting to race on our Big 12 racecourse multiple times before we get there is really helpful," Allen said. "To have most of our races in literally our own backyard on Lake Pickett or at Nathan Benderson Park is huge." On March 15, UCF will begin its season on the water with a Senior Day regatta against the Jacksonville Dolphins and the UConn Huskies at the UCF Intercollegiate Rowing Center on Lake Pickett at 9:30 a.m. Last season, the Knights hosted the Dolphins and Huskies in their season opener on Lake Pickett.

Jacksonville is coming off its second-consecutive Metro Atlantic Athletic Conference Championship and its seventh all-time. Last season, Jacksonville competed at the NCAA Championships at Cooper River Park in Pennsauken, New Jersey. UConn comes into the season after a fifth-place finish last spring at the Colonial Athletic Association Championship. "I'm really excited that JU and UConn are coming over to race," Allen said. "JU had a great season last year and UConn has been clearly investing in their rowing program the last few years. I don't know what to expect, but I am hopeful that we are going to put down six great races and it will be a learning experience regardless."

Just weeks later, the Knights will make their way to the west side of the state for their seventh Sunshine State Invite appearance at Nathan Benderson Park. Racing will commence at 3:20 p.m. on March 29 and will end at 10:50 a.m. on March 30. UCF took home two medals last season, a first-place grand final finish by the II Eight and a second-place grand final finish by the I Four. Along with Jacksonville, the Knights will host Miami, Stetson, Michigan State, North Carolina, Iowa (Receiving Votes for the top 25), UMass, Louisville, Boston College and Drexel.

UCF will also get its chance to show off against current Big 12 competitors Kansas, Kansas State and West Virginia and 2025 conference affiliates Tulsa (RV) and Old Dominion.

"There's incredible competition that we are going up against," Allen said. "I love being able to race against six, seven or eight boats across because that is what Big 12s will feel like. This will give everyone in the boat their first chance to manage the distractions on the racecourse just like they would at conference championships."

The Knights will return to Sarasota for the Big 10 Invite on April 19 and 20 for the second year in a row. UCF will be met with some heavy competition with every team at the regatta placing in the preseason Pocock Collegiate Rowing Coaches Association rankings. At UCF's second Nathan Benderson Park competition, the team will face No. 6 Brown, No. 9 Michigan, No. 11 Syracuse, No. 12 Ohio State, No. 14 Rutgers, No. 16 Indiana, Notre Dame (RV) and Wisconsin (RV). The Knights will also compete against Big 12 opponents No. 17 Tennessee and Alabama (RV).

"Realizing there's going to be a depth to this regatta that we can't hide is huge," Allen said. "We are going to see how fast we are against these really good teams. Going against these teams will give us a good sense of our speed and what we need to fix as we close in on conference."

Rounding out the regular season just a week later, UCF will make its way up to Raleigh for the Lake Wheeler Invite on April 26 and 27. The Knights will make the trip for the fifth time to the No. 13 Duke and North Carolina hosted regatta.

Teams joining UCF on Lake Wheeler consist of Washington State (RV), Iowa, Louisville, Miami, Boston, Boston College, Navy, Clemson Georgetown, Syracuse, Tulsa, Alabama and Tennessee.

"Going back-to-back from Big 10 Invite to Lake Wheeler is going to be stressful but we need to go up against good teams if we are going to be good," Allen said. "We can't hide from talent and speed from the other teams. We need to be able to test ourselves to put us in the best position for Big 12s in May."

The Allen-led Knights will wrap up the season with hopes of an NCAA Championship berth at the Big 12, a setting Allen is familiar with.

After winning five conference titles at Texas, Allen is in the driver seat of her own program and is confident in UCF's future in the Big 12.

"Our goal is to be on the medal stand at Big 12s," Allen said. "I am confident in this team and how they will reach that goal as the season progresses."

MARA ALLEN

Head Coach

Mara Allen was named UCF's rowing coach in June 2023, becoming the Knight's fourth head coach in program history.

A four-time national champion who won two as an assistant coach at Texas and two as a student-athlete at California, Allen joins the Knights following eight seasons as an assistant coach at Texas, spending the 2022-23 season as associate head coach. During her tenure in Austin, the Longhorns won two NCAA Championships (2021 and 2022) and eight consecutive Big 12 Conference Championships.

Additionally, Texas finished among the top 10 at the NCAA Championships in each of her seasons with the program, most recently finishing fourth in 2023. Allen led the Longhorns' Varsity Four to its first-ever national title this past season, as the crew swept all three races to win the championship in dominant fashion.

As a student-athlete for Dave O'Neill at California, Allen was one of his first hires at Texas. During their eight seasons together, the Longhorns were recognized as the Collegiate Rowing Coaches Association (CRCA) National Coaching Staff of the Year three times (2022, 2021, 2015). Additionally, the staff was honored on five occasions as the CRCA Regional Coaching Staff of the Year (2022, 2019, 2018, 2017, 2015).

A native of San Francisco, Allen has mentored 36 CRCA All-Americans, 24 CRCA All-Conference Selections, 15 CRCA All-Region honorees and more than 65 CRCA Scholar-Athletes.

Under Allen's guidance, Texas student-athletes claimed seven Big 12 Rower of the Year selections and four Big 12 Newcomer of the Year honors. In total, 50 student-athletes earned Big 12 All-Conference accolades and more than 200 garnered Big 12 Academic honors since her arrival in Austin.

Allen was an elite rower collegiately and internationally. She trained with the U.S. Women's National Rowing Team from 2008-12 and helped the U.S. Team win a gold medal at the 2009 World Rowing Championships in the women's eight. Allen helped the U.S. to bronze in the straight four (4-) at the 2010 World Rowing Championships in New Zealand, and she won bronze for the U.S. at the 2009 Under-23 World Rowing Championships.

She rowed as a member of the Varsity Eight all four years at Cal under O'Neill, helping the Bears to NCAA Championships in her freshman (2005) and sophomore (2006) seasons. Allen's varsity eight boat went undefeated during her freshman season. She earned CRCA All-America honors in 2007 and 2008 and served as Cal's team captain both seasons. Allen was the 2005 Pac-12 Conference Newcomer of the Year, a three-time Pac-12 All-Conference selection and helped the Bears to three Pac-12 Conference titles.

Prior to joining the staff at Texas, Allen served as the women's freshman rowing coach at St. Ignatius College Preparatory School in San Francisco and as an assistant coach at the U.S. Rowing Development Sculling Camp in the summer of 2014.

Allen is a 2008 graduate of California, where she earned a Bachelor of Arts degree in economics.

MARTEN MARTESSON

Assistant Coach and Recruiting Coordinator

Marten Martensson joined the UCF rowing program as an assistant coach and recruiting coordinator in July 2023.

Martensson joins the Knights after one season with Virginia as an assistant coach and international recruiter. The Cavaliers finished the 2023 season ranked 10th in the Pocock Collegiate Rowing Coaches Association (CRCA) Poll and earned the team's fifth straight top-10 finish at the NCAA Championships. Virginia also brought home its 13th-consecutive Atlantic Coast Conference (ACC) Championship.

In his lone season in Charlottesville, Martensson was part of a staff that coached two Pocock Racing Shells All-Americans and nine U19 and U23 Rowing World Championship participants. Eight Cavaliers were named CRCA Scholar-Athletes and 29 were selected to the All-ACC Academic Team.

Prior to his time at Virginia, Martensson spent five years at Yale with the men's heavyweight crew. Before becoming a full-time staff member in September 2019, Martensson served as a volunteer assistant for the Bulldogs for two seasons, coaching the fifth and sixth varsity crews, and playing a role in Yale's 2018 and 2019 Intercollegiate Rowing Association (IRA) National Championships.

In Martensson's time as a volunteer assistant with the Bulldogs, Martensson assisted the New York Athletic Club's U23 Heavyweight Men's team. He helped lead the club to a USRowing Club National title in 2019. In 2018, Martensson coached the U23 Heavyweight Men's Crew for the Vesper Boat Club in Philadelphia. He assisted the crew to a silver-medal finish in the 8+ at Club Nationals.

Martensson graduated from Marist College in 2017 with a bachelor's degree in psychology as a four-year member of the varsity crew team. As a student-athlete, Martensson was an assistant coach at the Norwalk River Rowing Association.

Martensson is a native of Norwalk, Connecticut.

SOPHIE CARMOSINO

Assistant Coach

Sophie Carmosino joined the UCF rowing staff as an assistant coach in August 2023.

Carmosino joins the UCF staff following a stellar career as a student-athlete with the Indiana Hoosiers. The Hoosiers turned in a program-record third-place finish at the Big 10 Championships this past season and earned a bid to the NCAA Championship.

Indiana finished 16th in the final Pocock Collegiate Rowing Coaches Association (CRCA) Poll and 17th at the NCAA Championship.

The Noblesville, Indiana, native rowed as the stroke of the Second Varsity Eight boat throughout the season.

A standout student in addition to her accolades on the water, Carmosino was tabbed a Collegiate Rowing Coaches Association (CRCA) Scholar-Athlete, which is given annually to student-athletes that have maintained a cumulative GPA of 3.5 or better.

Before transferring to Indiana ahead of the 2021 season, Carmosino rowed for Colgate University.

She graduated from Indiana with a degree in political science along with a degree in earth and atmospheric sciences.

RACHAEL KLUNDER

Assistant Coach of Leadership and Development/Director of Operations

Rachael Klunder joined the UCF Rowing staff in August 2017. She serves as an assistant coach of leadership and development and director of operations for the program. Klunder is in her first year coaching the Varsity Four and Second Varsity Four boats after spending six years leading the Third Varsity Eights and Fours. She also oversees the novice developmental program at UCF.

In 2022, Klunder led Third Varsity Eights to five first-place finishes. In 2021, she led Third Varsity Eight to five first-place finishes and Fourth Varsity Eight to a win in its only race of the reason. Although the 2020 season was cut short, Klunder led Third Varsity Eight, Novice Eight and Novice Four to wins in the only race of the season.

A four-year member of the varsity squad at UCF and team captain for the 2016 and 2017 seasons, Klunder earned three conference championships and made three straight NCAA appearances as a Knight student-athlete and has collected two more of each as a member of the UCF staff. During her final season with the Black and Gold, Klunder rowed in the Second Varsity Eight that won its event at the American Athletic Conference Championship. Seeded 21st of 22 teams at NCAAs, Klunder pulled her boat into the C Final, finishing 18th overall.
