School Officials

This page collects information on the people who will manage the F/M program at your school on a daily basis. These are the only people who will legally be able to access SEVIS. SEVP will communicate with them when necessary.

Review the regulations that describe the responsibilities of the school and the principle designated school official (PDSO) and the designated school official (DSO).

- 8 CFR 214.3(l)

Review the following resources

- [PDSO and DSO Functions](#)

When appointing school officials, it is best to:

- Add only people who will actively use SEVIS to create or maintain student records on a daily basis and keep the Form I-17 up to date.
- Have more than one official for each instructional site for adequate coverage
- Consider people who have the time needed to:
 - Create and manage student records
 - Update school record
 - Stay current on regulations and SEVP policies
 - Maintain the Form I-17

Only SEVP-approved DSOs are authorized to access SEVIS. Federal law forbids the sharing of usernames and passwords to access the system.
