SEVP Portal Account Overview

The Student and Exchange Visitor Program (SEVP) Portal is an important tool that lets international students on post-completion optional practical training (OPT) and science, technology, engineering, and mathematics (STEM) OPT meet their legal reporting requirements. In the SEVP Portal (Portal), students in F-1 or M-1 status can:

- Update their physical home address.
- Update their mailing addresses.
- Update their telephone numbers.
- Update employer information.
- Monitor their employment authorization.

The portal shares information with the Student and Exchange Visitor Information System (SEVIS) but does not give students direct access to SEVIS. The portal does not remove the need for a student to work with a designated school official (DSO) at the student’s school.

Only students with approved post-completion OPT or STEM OPT can create Portal accounts. There are four basic steps for creating an account in the SEVP Portal.

Step	Player	Action
Step 1	SEVIS	When the status of an OPT request in SEVIS is “Approved” and the OPT is active, SEVIS sends to the SEVP Portal your following OPT-related data: <ul style="list-style-type: none"> • SEVIS ID • Email address • Name and Date of Birth • U.S. address and telephone • Information on your OPT authorization: • Employer information

Step	Player	Action
Step 2	Portal	Portal emails the student with instructions for creating their portal account: <ul style="list-style-type: none"> • Email contains a link the student must use to create the account. • Link is unique to the student. • Link is valid for 14 days, beginning with the day the email is sent.
Step 3	Student	<ul style="list-style-type: none"> • Clicks the link. • Creates a password.
Step 4	Portal	Establishes the account.

Create a Portal Account

To create your initial SEVP Portal account:

1. If your OPT has been approved and is active, check your email inbox for two [email](#) notices. One includes a link to the SEVP Portal registration pages and the other contains a temporary password. You can recognize the email by the sender and subject lines:

- **Sender:** do-not-reply.SEVP@ice.dhs.gov

Subject line: Optional Practical Training Approval – the next step. Create an SEVP Portal account

The only way to get to the portal registration pages is to use the link in the email.

If you do not receive your notification email:

- Check your spam or junk mail folder.
- Contact your DSO to confirm that the correct email address is in your SEVIS record.
- Contact your DSO who can submit a request in SEVIS to have the Create an Account email sent again.

Because the Portal must communicate with SEVIS to complete a Portal registration, if SEVIS is down you will not be able to create your SEVP Portal account. You must wait until SEVIS is back up to create your SEVP Portal account.

2. Click the link in the email. The initial *Register* page in the SEVP Portal registration process opens.

You can only use the link once. The link in the email is good for only 14 days. The day the email was sent counts as the first day the link is valid. If you are unable to start the registration process, ask your DSO to have the notice sent again.

3. Enter your SEVIS ID. You can find your SEVIS ID in the top left corner of your Form I-20, below the words “Department of Homeland Security.” (Refer to the [sample Form I-20](#).)

- Be careful. If you enter your SEVIS ID wrong three times, you will be locked out.
- On the third incorrect entry, you will receive the error message: “Your account is locked, please contact your DSO.”
- The link in your registration email is disabled and no longer useable. Contact your DSO to reset your SEVP Portal account in SEVIS.

4. Click **Submit**. The next *Register* page opens to create your password.

The portal will send you an email to confirm you successfully created your account.

Best Practice: Bookmark the links in the email for future use:

- [SEVP Portal Login](#) page
- [SEVP Portal Help](#) pages on the Study in the States website

Emails from the SEVP Portal

The SEVP Portal will only send emails related to your portal account. The sender of the email is do-not-reply.SEVP@ice.dhs.gov. The following is a list of emails the portal sends to students:

- When you create a portal account (two emails).
- When confirming your recently created account.
- When your portal password was changed.
- When your account is locked.
- When you request a password reset, and a temporary password is sent to you.
- When your email address changes in SEVIS (two emails).
- When your STEM OPT evaluation reporting dates require you to take action.
- When your OPT authorization ends, and you are notified that your account will be closed.

Access to the portal is free. You should not get any emails from the portal asking you for money. The [SEVP Portal Email Notices to Students](#) article on the SEVIS Help Hub has the text for every email the portal sends to students.

System Security

You must keep your SEVP Portal account secure. Do not share your password. If you believe someone has learned your password or used your account, change your password. Report this to SEVP at 1-800-892-4829.

Using the SEVP Portal

To use the SEVP Portal, you need to know how to:

- Log in
- Log out
- Access Portal pages
- Use Portal features
- Unlock a locked account
- Get help
- Reset your password

You also need to know [how idle time](#) affects your account.

Portal Features

The portal has some features that you will use:

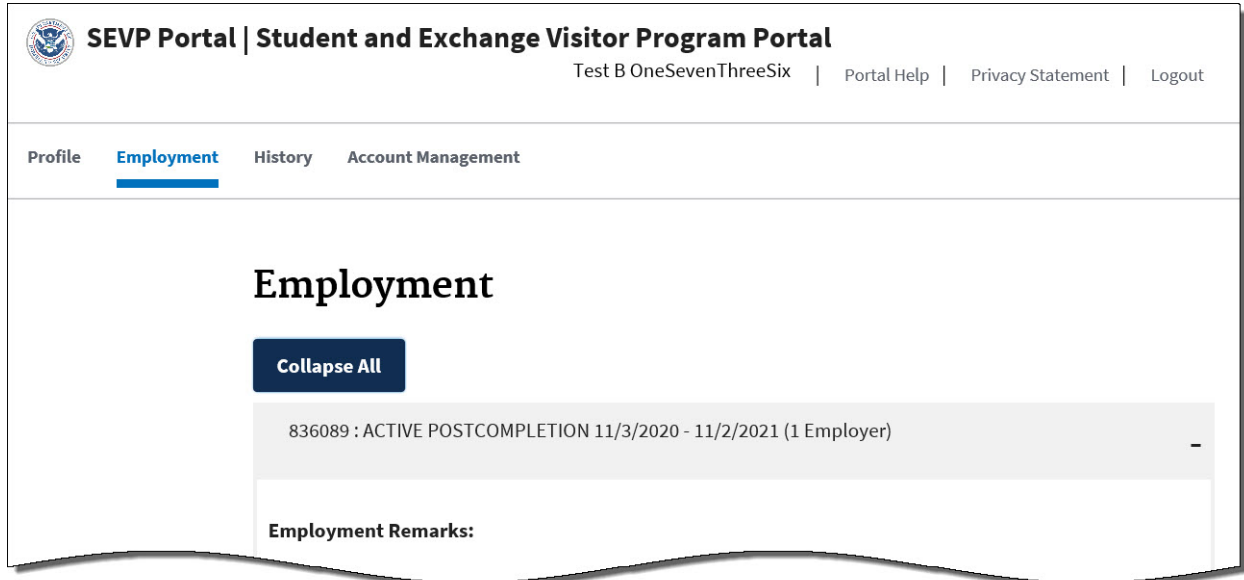

Expand/Collapse Sections

The portal has several sections that you can expand to view more information or collapse to hide the information. There are two ways to expand and collapse data on the page.

To expand a section, chose either to click:

- **Plus (+) sign:** Expands the one section.
 - o Click in the shaded area.
 - o Portal will display the hidden fields.
- **Expand All button:** Expands all sections on that page.

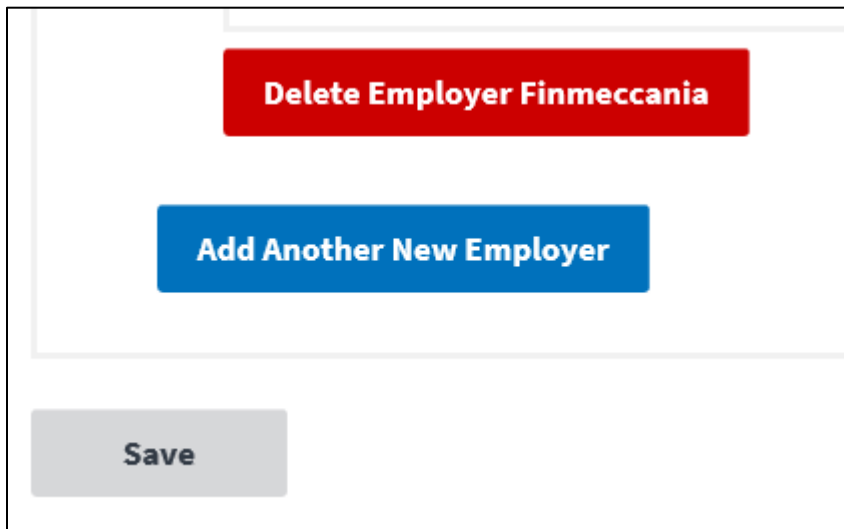

To collapse a section, chose either to click:

- **Minus (-) sign:** Collapses the one section.
 - o Click in the shaded area.
 - o Portal will hide the one section.
- **Collapse All button:** Collapses all sections on that page.

Action Buttons

The colors of the action buttons in the portal tell you whether you can take action:

- **Blue background with white text:** Active buttons that you can use.
- **Gray background with black text:** Buttons you cannot use.

Once you enter all required data in the proper format, the portal will change the color of the action button to allow you to take the action.

Error Messaging

The portal uses different error messages and visual aids to help you enter data correctly. The portal:

- Displays a red bar on the left margin and outlines the date fields in red while you type dates. This indicates the data is not yet complete.

Employment Start Date: Required
Enter the start date for your job with the company that hired you. This date cannot be before your OPT start date.

Getting Help

The [SEVP Portal Help pages](#) of Study in the States provide many resources.

If you need help with your portal account, call the SEVP Response Center at 1-800-892-4829.

Information Sharing with SEVIS

SEVIS and the SEVP Portal regularly share data:

- Student-changed data is passed from the SEVP Portal to SEVIS immediately.
 - DSO-changed data is passed from SEVIS to the SEVP Portal once an hour.
- Any updates of your information in SEVIS will appear in the SEVP Portal after the next data transfer, which should not be later than the next hour. If the SEVIS data transfer triggers a Portal email to you, it may take a little longer for you to receive the email.
 - When your OPT Start Date is reached, it might take a day for the account creation email to reach you, depending on what time of day the OPT approval comes into SEVIS from the U.S. Citizenship and Immigration Services (USCIS). Normally though, the approval for those students who filed as early as the regulations permit would have that approval sitting in the SEVIS record waiting for midnight on the student's approved OPT Start Date.

Because the Portal must communicate with SEVIS, when SEVIS is down:

- If you have an established Portal account, you can log in to the Portal and update your information. The Portal will hold your updated information until SEVIS is back up, at which time the Portal will transmit your updates to SEVIS.

- If you do not have an established Portal account, you cannot [create a Portal account](#) until SEVIS is back up.

Address Validation

The portal will validate addresses you enter. If the portal cannot verify an address, you will get an error message.

[U.S. Postal Service \(USPS\) Publication 28, Postal Address Standards](#) describes the address standards used by the USPS, including:

- List of state abbreviations (Appendix B)
- List of street abbreviations (Appendix C)
- Guidance on address standardization for state, county and local roads (Appendix F)
- Standards for Puerto Rico and the U.S. Virgin Islands (Appendices I and J)

Address Does NOT Match

If the system does not recognize your address, you will get an error message at the top of the page telling that your changes failed to save.

 **Error**
Failed to Save Changes:
Invalid Employer Address for 1234567 - 2

The portal does not give you any other information. Check your address.

- Be sure you entered your address correctly.
- If you left off a number, the portal might not recognize it.

If your address is correct and the portal still does not validate it, contact your DSO. Your DSO can enter the address in SEVIS. Students are not able to override the validation software.

Matched Address

If the portal recognizes the address but has a slightly different one in its own records, you will get an error message at the top of the page and some suggestions for how to fix the error.

The screenshot shows the SEVP Portal interface. At the top, it says "SEVP Portal | Student and Exchange Visitor Program Portal" with user "Uriah Heed" and links for "Portal Help" and "Logout". Below the navigation bar (Profile, Employment, History, Account Management), there is a red error message box:

Error
Failed to Save Changes:
Invalid Employer Address for 726285 - 1. Please select from provided suggestions or try again.

Below the error message, the "Employment" section is visible, showing a table with one entry: "726285 : ACTIVE POSTCOMPLETION 6/15/2017 - 6/14/2018 (1 Employer)".

The screenshot shows the form for entering employer information. It includes the following fields and instructions:

- Employer Name: Required**
Enter the legal name of the company that hired you.
Text input: SEVP Applied Labs
- Employer Address: Required**
Address Suggestions:
 126 N Wayne St Apt 5 , Arlington, VA 22201
 Re-enter Address manually:
- Address:**
Enter the address where you work. Enter the street address in the top line. Use Address 2 line for the name of the building, if it is normally part of the address. See <https://studyinthestates.dhs.gov> for more details.
Text input: 126 North Wayne Street Apt. 5
- Address 2: Optional**
Text input: (empty)
- City:** Text input: Arlington
- State:** Dropdown menu: Virginia
- Zip Code:** Text input: 22201

- SEVP Portal will suggest an address.
- Click a radio button to select an option:
 - Select an address to accept the suggested correction.
 - Select **Re-enter Address manually** to accept correct the address you entered. The portal will not allow students to override the address validation software. If you are unable to enter an address you know is correct, contact your DSO. The DSO can enter the address in SEVIS.

Best Practices:

- Tips for entering addresses:

- o Enter the street address in the first line.
- o Abbreviate the street.
- o Do not put periods after the abbreviations.
- Examples:
 - o 126 North Wayne Street should be entered as 126 N Wayne St
 - o Fort Washington Maryland becomes Ft Washington, MD

- The *Profile* page has four parts:
 - o Read-only biographic information
 - o Your physical address
 - o Your mailing address
 - o Your telephone number
- Page displays the data that is in SEVIS.

Students can change their contact information up to 15 days after the end date of their optional practical training (OPT).

Biographic Information

The Portal displays your name and date of birth, as they are in SEVIS. You cannot edit these fields. Contact your DSO if:

- Your name or your date of birth is incorrect.
- You legally changed your name.

Physical Address

The Physical Address section displays the address where you live. This information reflects what is in SEVIS.

- Edit this information, if needed:
 - o **Address:** Enter the street address where you live. This is the house number and street name.
 - o **Address 2:** Enter the apartment building name; name of your school, if you live on a campus; etc.
 - o **City:** Enter the name of the city where you live.
 - o **State:** Enter the state in which you live.
 - o **Zip Code:** Enter the zip code for your home address.
- Click the **Add Mailing Address** checkbox, if you want to add a mailing address that is different from your physical address.
- Click the **P.O. Box** checkbox, if your mailing address is a post office (P.O.) box.

Mailing Address

This section displays any mailing address already in SEVIS. To add or edit mailing address information:

1. Click **Add Mailing Address**. The Mailing Address subsection opens.

Relationship between Employment and Student's Major Area of Study

You are responsible for relating the training opportunity to your program of study. Before you add an employer in the SEVP Portal, be prepared to explain how your job relates to your program of study. Include:

- Job title
- Employer name
- Major area of study
- Whether full time or the average number of hours worked per week
- Description of regular job duties and how they directly relate to the degree that qualified you for OPT. For example:
 - Bachelor's degree in Electrical Engineering: I work full-time as an Electrical Engineer at ABC Corporation, a government contractor. In my job, I analyze client requirements for electrical systems and provide them with cost estimates of such systems. My work requires understanding of electrical circuit theory, which I studied in-depth at the University of ABC.
 - Master's degree in Music: I am working at a hospital playing the harp in patient rooms. I also conduct hands-on, harp beginner workshops for long-term patients. On average, I work at the hospital 35 hours a week. My duties directly utilize the skills and knowledge I acquired from my coursework and degree in music therapy.

For more information, see [SEVP Policy Guidance: Practical Training – Determining a Direct Relationship between Employment and a Student's Major Area of Study](#).

Manage Employer Information While on STEM OPT

If you are on STEM OPT, you are not able to change as much employer information as you could when you were on post-completion OPT.

Add Employer While on STEM OPT

Students on STEM OPT cannot add any employers in the portal. To add an employer to your record, you must submit a completed Form I-983 to your DSO. Your DSO must enter the employer information in SEVIS. SEVIS will push the data to the portal.

Edit Employer while on STEM OPT

If you are on STEM OPT, you can only edit some of your employer's information. If you notice that any of the read-only fields need to be edited, you must work with your DSO to change the data through SEVIS.

The employer information must be edited, if any of the data in any existing fields change.

- Never edit an employer's information if you are changing employers.

Delete Employer While on STEM OPT

You cannot delete an employer if you are on STEM OPT. If you did not work for an employer listed in the *Employment Information* page of the portal, contact your DSO. Your DSO can remove the employer through SEVIS. Employers should be deleted **ONLY** if you never worked for the employer.

STEM OPT Reporting Responsibilities

If you are on STEM OPT, you must work with your DSO to meet legal reporting requirements. The portal will display a *STEM Student Due Date Announcement* box above other portal pages. The box displays:

- Your reporting schedule, so you know when your reports and evaluations are due.
- Status of your reports and evaluations.

STEM Student Due Date Announcement

Hello, Gena Galina!

Your STEM OPT Reporting Deadlines
While on STEM OPT, you must give your designated school official (DSO):

- 1. Validation reports to confirm that your address and employer information in SEVIS is correct. These are due every six months.**
- 2. Two Evaluations of Student Progress (page 5 of the Form I-983). These are due:**
 - a. 12 months after your STEM OPT starts and
 - b. 24 months after your STEM OPT starts.
- 3. Evaluation of Student Progress (page 5 of the Form I-983) when you stop working for a STEM employer before your STEM OPT authorization ends. These are due within 10 days after you stop working for the employer.**

Your reporting deadlines:

Date	What is Due?	Current Status
Jan 25 2019	Validation report for address and employer information	Submitted
Jul 25 2019	Validation report for address and employer information	Past Due
Jul 25 2019	Evaluation of Student Progress (page 5 of Form I-983)	Past Due
Jan 25 2020	Validation report for address and employer information	
Jul 25 2020	Validation report for address and employer information	
Jul 25 2020	Evaluation of Student Progress (page 5 of Form I-983)	

Missing these deadlines may affect the state of your SEVIS record.
For more information, go to the STEM OPT Hub (<https://studyinthestates.dhs.gov/stem-opt-hub>) pages on the Study in the States website.

You can change the display of the *STEM Student Due Date Announcement* box by:
