

NEBRASKA JUDICIAL BRANCH

SKILL BUILDING 2024

SKILL BUILDING AT-A-GLANCE

The Skill Building workshop is a language neutral training with the goal of successfully preparing candidates to take and pass the Oral Exam. The workshop will build upon the sight translation, consecutive interpretation, and simultaneous interpretation skills learned in Interpreter Orientation. A strong correlation exists between attending a Skill Building workshop and passing the Oral Exam.

Skill Building runs all day Thursday and Friday 8am-5pm in a live on-line format.
