Santa Fe Stone Balancing

Our warm stone massage initiates a profound state of relaxation and grounding. Combining stones with massage will offer deeper pressure, increased circulation and healing warmth to support balance in body, mind and spirit.

80 Minutes \$215

East Indian Massage

Traditional "Abhyanga" massage with soothing, rhythmic strokes stimulates the lymph and calms and balances the nervous system for a replenished sense of well-being. Warm aromatic oil will compliment your "dosha" body type.

55 Minutes \$200

Neck & Shoulder Massage

A targeted stress relieving treatment focused on the upper back and neck. Effective on its own or a perfect addition to any of our other services.

25 Minutes \$105 (fully clothed)

Spa Rituals

Land of Enchantment

Begin your spa ritual with an aromatic mineral replenishing body polish to awaken and smooth your skin. This is followed by a nurturing warm stone massage, relaxing to your deepest core.

115 Minutes \$320

Healing Earth

Our healing package opens with a calming lavender foot bath. After a light body brushing to exfoliate the skin and stimulate the lymph, the ritual continues with a detoxifying and purifying ancient volcanic clay body mask infused with harmonizing and soothing oils of lavender and sandalwood. A customized massage completes this healing ritual.

115 Minutes \$315

Sacred Indulgence

Indulge your spirit in the sacred scents of the high desert. Your treatment begins with an aromatic cedar, wild sage body polish to exfoliate and sooth dry, dehydrated skin. Following this, we apply a hydrating body mask blended with oils of juniper, pinon and cedar to regenerate and further nourish parched skin. A full body massage completes this sacred journey.

115 Minutes \$315

White Sage

The relaxing power of massage combined with the ceremonial scent of native sage will clear away travel fatigue and stress. Special attention is given to tired feet with a concentration on reflexology points. Our sage infused herbal wrap grounds and detoxifies, allowing you to enrich your Southwest experience.

115 Minutes \$315

Wind & Mountain

Purify and restore with the rebalancing elements of nature and massage. Your treatment will begin with a gently exfoliating body scrub of your choice, then finish with a therapeutic massage. Emerge feeling radiant from head to toe.

Lavender Mineral Salt Scrub

Brown Sugar Scrub

85 Minutes \$220

Squash Blossom Body Scrub & Wrap

A powerfully effective way to exfoliate and soften skin. We use our brown sugar scrub to restore smoothness, then we apply a vitamin-rich pumpkin mask. You are warmly wrapped allowing the products to further replenish your whole body.

55 Minutes \$185

Reflexology

Dancing Feet

An ancient healing art focusing on your feet and lower legs. Emphasis is on reflex points using a traditional wooden tool, along with a combination of stretching and massage, to stimulate and increase energy flow throughout your entire body.

55 Minutes \$155

Moccasin Dance

Relieve aching and tired feet with this treatment. Attention given to specific pressure points will activate your body's healing energy, the result is deeply restorative.

25 Minutes \$105

Skin Care

Epicuren Signature Facial

This facial features unique stimulating enzymes. Often described as a natural "face lift", we begin with a cinnamon enzyme to stimulate, exfoliate and brighten the skin while cleansing the pores. A pulsating mask will purify, tighten and firm the skin. The final touches are unique enzymes that stimulate cell metabolism and customized moisturizers to seal in the effects of the treatments. The result is a renewed, radiant complexion.

55 Minutes \$180 / 85 Minutes \$215

(includes neck, shoulder, hand and arm massage)

Ultimate Anti-Oxidant Facial

This facial utilizes Microderm Scrub to exfoliate and prep the skin. Age-fighting ingredients of Vitamin A, C, and E combined with Moisture Surge hyaluronic acid are massaged into the skin. The special Silver Ion Mask is applied over the treatments, similar to a natural "micro-current", enhancing the absorption of the vitamins. Customized masks and moisturizers are applied to hydrate leaving the skin balanced and glowing.

55 Minutes \$180

(includes neck, shoulder, hand and arm massage)

Pumpkin Spice Facial

Naturally occurring Vitamin A in this pumpkin enzyme treatment make this the perfect facial for addressing hyperpigmentation and problematic skin including mild acneic conditions. A spicy chai mask is then applied to further purify and detoxify the skin. Acidophilus Probiotic Cream is the finishing touch to bring health, vitality and balance to the skin.

55 Minutes \$180

(includes neck, shoulder, hand and arm massage)

High Altitude Hydrating Facial

This soothing facial begins with a gentle exfoliation to prepare the skin to be drenched in hydration. Dry skin is buffed away with a fine herbal scrub followed by a soothing seaweed purifying mask. Next, a luxurious creamy mask with natural minerals of copper, magnesium, and zinc replenish the skin affected by the elements. Customized oils and moisturizers will seal in the hydration for lasting benefits.

55 Minutes \$180

(includes neck, shoulder, hand and arm massage)

White Sage Men's Facial

A deep cleanse with an herbal scrub and enzyme preps for a revitalizing clay mask leaving the skin refreshed. Stress and tension melt away with a neck, shoulder and scalp massage featuring the White Sage Oil with Arnica. Lastly, customized skin treatments are applied to build the health and vitality of the skin.

55 Minutes \$180

(includes neck, shoulder, hand and arm massage)

Facial Waxing

Waxing services only available with a facial treatment.
