Where would a club be without officers? A club certainly would not be a club. Officers are the inspiration for the club. Officer talents help to contribute to a work of art that the entire club can enjoy. Let's take a look at the work of art your club can create.

The club President _____ will receive a glue stick. As President, you will help your club "stick" to the agenda while leading your monthly meetings.

The club 1st Vice President _____ will receive glitter. As Vice President, you will add sparkle to each meeting by assisting members with programs.

The 2nd Vice President _____ will receive shiny stars. As the Recreation Leader, you will help everyone "shine" as they participate in recreation activities.

The 3rd Vice President _____ will receive crayons. As the Membership Chairman, the colors will remind you of the diversity of the membership and encourage you to greet and welcome each of the members.

The club Secretary _____ will receive markers. "Marking" off attendance, note taking and sending notes of thanks will make the Secretary's job important.

The club Treasurer _____ will receive a stamp. As Treasurer, you will need to place a "stamp" of approval on your club's finances.

The club Reporter _____ will receive a paint brush. It is important for the Reporter to “paint” a story to share with the community about the club’s activities.

The Historian _____ will receive stickers. As Historian, you will take photos and create a record of your club’s year. The stickers will help you as you design your book.

The club Health & Safety Officer _____ will receive a blank sheet of paper. Just as our bodies and minds allow for a safe and healthy work of art, the paper will be the blank palette to create the club’s work of art.

The club Parliamentarian _____ will receive a roll of wrapping paper. As Parliamentarian, you will help to keep the meetings “rolling” with proper parliamentary procedure.

The Council Delegates _____ will receive highlighters. It is important to attend all 4-H Council meetings so that news can be “highlighted” to club members each month.

As you can see, each officer contributes to the creativity of your club. When all of the items are combined, a work of art is sure to be the result. That work of art is called the _____ 4-H Club. Good luck in the ___(date)___ 4-H year!
