2024 National Strategy *for* Suicide Prevention

The 2024 *National Strategy for Suicide Prevention* is a bold new 10-year, comprehensive, whole-of-society approach to suicide prevention that provides concrete recommendations for addressing gaps in the suicide prevention field.

The new *National Strategy*:

- Incorporates advancements in the field and addresses emerging issues
- Is designed to guide, motivate, and promote a more coordinated and comprehensive approach to suicide prevention
- Focuses on addressing the many risk and protective factors associated with suicide, with the recognition that there is no single solution to this complex challenge

FEDERAL ACTION PLAN

2024

2024 National Strategy *for* Suicide Prevention *Federal Action Plan*

The *National Strategy* is accompanied by the first-ever *Federal Action Plan (Action Plan)*, which **identifies more than 200 actions** across the Federal government to be taken over the next three years in support of those goals.

2024 National Strategy *for* Suicide Prevention *Federal Action Plan*

The *Federal Action Plan* seeks to facilitate and strengthen the role of the following:

- Federal departments and agencies
- State, tribal, local, and territorial agencies, and others in the public sector
- Community-based organizations
- Health care systems and providers
- Businesses and other private sector partners
- Individuals with suicide-centered lived experience
- Schools, higher education, and other educational institutions
- Workplaces

Section Breaker
[Content should span only 2 lines; title case and centered]

A high-angle photograph of four people sitting around a white table in a meeting. The people are diverse in age and ethnicity. One person is in a wheelchair. There are drinks, a banana, and some papers on the table. The image has a blue and purple color overlay.
