GOVERNORS' PORTAL

These instructions apply only to persons who meet the following criteria:

1. Their email address has been registered by the World Bank Group Corporate Secretariat (SEC) as having a designated role in the Governors' Portal.

And

2. They have received the welcome email from WBGGovernorsPortal@WorldBankGroup.org

What you Need

- A computer, tablet or mobile device connected to the internet.
- Access to the email account that was provided to SEC for access to Governors' Portal.
- Your iPhone or Android phone. You will be required to download the Microsoft Authenticator app for login.

Note: To ensure security during the confidential voting process, authentication to the Governors' portal requires Multi-Factor Authentication (MFA). The World Bank Group is leveraging the Microsoft MFA. When you log into the portal in your internet browser, you will also receive a message on your smartphone in the Microsoft Authenticator app to approve or deny logging into the portal.
