McKinney Falls State Park

FOR EMERGENCIES, PLEASE CALL 9-1-1.

Find solitude and beauty in Austin's city limits.

Discover wilderness in the city at McKinney Falls State Park where prairie meets plateau. Hike or bike the winding trails through the woods or head to Onion Creek to relax near the falls. Watch for wildlife and keep your eyes open for remnants of the past that tell stories of those who've come before us.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity. Don't forget water for your dog, too!

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash. No biking is permitted on the Picnic or Rock Shelter trails.

WEAR A LIFE JACKET. Rivers and creeks can be unpredictable. We strongly suggest that all swimmers wear a life jacket to prevent drowning.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

STICK TO THE TRAIL. When you leave the trail, it hurts habitat for plants and animals, and makes it harder for future hikers to pick the right path.
