Information:

Parking Garages
There are numerous parking garages in downtown Reykjavik. By clicking on the map, you can get information about each one. Information on Reykjavik City parking garage can be found at bilastaedasjodur.is

Charging Stations
 In Reykjavik charging stations that have two or three standards are available: CHAdeMO, Combo and AC43 standards, which are suitable for various types of cars, e.g. Nissan Leaf, Golf and Renault. For car types that do not fit the standard, in some cases it can be charged with a special adapter, e.g. Tesla. More information can be found at fib.is

Reykjavik City Card
Reykjavik City Card is a 24-hour, 48-hour and 72-hour card that provides free access to the bus, swimming pools in Reykjavik, museums of Reykjavik and Kopavogur, the National Museum, the Museum and the National Gallery of Iceland. citycard.is
