UNIVERSITY of WASHINGTON

GENERAL IMMUNITY REQUIREMENT

This form can be used in place of official immunization records to fulfill the general student immunity requirement; for HSIP (Health Sciences Immunity Program) requirements, please see https://www.ehs.washington.edu/health-sciences-immunization-program-hsip.

This form is not required if you submit official records. A medical professional must fill out the bottom portion of this form to verify your required immunizations if you are not submitting official records. Any changes must be initialed and dated.

For more information, including accepted vaccine brands, please refer to our website at immunity.washington.edu. To contact us, please email immunity@uw.edu or call (206) 616-4672. Faxes are accepted at (206) 543-4928.
