

APPROVED HOMEBUYER EDUCATION CLASSES

NIFA requires homebuyer education for all loans. Homebuyer education provides the greatest benefit when taken early in the home buying process (before searching for a home). All occupying borrowers who execute the Promissory Note must complete an approved education class. The borrower’s name and the name of the education provider must be included on the completion certificate. Certificates are valid for 12 months from the issuance/completion date.

All classes must meet one of the following criteria:

- 1) The provider of the homebuyer education class or housing counseling must be a HUD-approved counseling agency. The approved list is available on HUD’s [website](#).
- 2) The provider of the homebuyer education class or housing counseling must meet the National Industry Standards. The approved list is available on the National Industry Standards for Homeownership Education and Counseling [website](#).
