Re: Fortra Data Incident – Second Addendum to Previous Notification

Dear Attorney General Raul R. Labrador:

On behalf of our client, CHSPSC, LLC (“CHSPSC”), we are writing to provide a second addendum to the data incident notification we submitted to your office, on or about March 8, 2023, regarding the security incident experienced by Fortra, LLC (“Fortra”) (the “Fortra Incident”).¹

Although CHSPSC’s investigation is ongoing, we write to prepare a near-final update to the Fortra Incident. To date, CHSPSC has identified 1,202,699 individuals whose personal information may have been impacted by the Fortra Incident, of which 96 are believed to be Idaho residents.

Furthermore, CHSPSC has completed the notification process and mailed notices to all affected individuals.²

If you require any additional information on this matter, please do not hesitate to contact me.

Very truly yours,

JACKSON LEWIS PC
