This email update provides an update on Dora Kelley Park Trail concrete repairs. Weather permitting, concrete repairs from the fair-weather crossing west are scheduled to begin on Monday, March 7. It is anticipated that the work will continue for 5-7 business days without weather interruptions. The work will require the intermittent closing of the bike & pedestrian trail when work is in progress.

Please forward this email to other interested stakeholders, and you may refer individuals to Jack.Browand@alexandriava.gov to be added to the Holmes Run Trail Repairs Stakeholder Group email group and to receive additional information.

Sincerely,
Jack
