

# Landover Park Playground Upgrades Scheduled for Spring 2022

To comply with playground safety requirements, renovations to the Landover Park playground are expected to begin no later than May 9. Work is anticipated to be complete by June 15, weather permitting. Please note, the playground will be closed intermittently during this time. The playground upgrades will include:

- ❖ *Replacement of the rubber safety surfacing with a new pattern*
- ❖ *New spinner equipment and play activity panels*
- ❖ *Installation of stone steppers to address soil erosion*
- ❖ *Re-installation of missing swing seats*

New Rubber Safety Surfacing with circular design pattern

New Spinning Equipment (to replace Supernova)

New stone steppers and plantings (not shown) to address soil erosion between the seating walls

New "Color Splash" Activity Panels
