Draft Ground Rules for Tonight's Virtual Discussion

1. Respect and civility for all participants
2. Tackle problems, not people
3. Everyone participates, no one dominates
4. Explore interests, not positions
5. One person speaks at a time
6. Agree on Decision Points by Consensus
7. Use the Zoom tools such as hand-raising and the chat function for questions

Draft Taylor Run Goals

1. Protect public and worker safety
2. Have the least impact on the natural setting (minimalism approach)
3. Protect biological diversity
4. Preserve existing tree canopy
5. Address neighborhood and private property impacts
6. Protect infrastructure services

7. Minimize excessive erosion, sediment flow, and land loss
8. Promote cost effectiveness
