**Subject:** Holmes Run Trail Repairs Stakeholder Group Update # 10  
**Date:** Tuesday, October 25, 2022 5:52:55 PM

---

To: Holmes Run Trail Repairs Stakeholder Group (BCC)

This email update provides an update on multiple activities associated with Holmes Run Trail repair projects as of Tuesday, October 25, 2022:

1. **Holmes Run Bike & Pedestrian Trail: Bridge Crossing at 4600 Duke St.** – Design is complete, and a construction contract is near award. The City will schedule a pre-construction meeting in early December 2022.
2. **Holmes Run Bike & Pedestrian Trail: Ripley St. Access Ramp; Culvert Bridge west of 395; & Dora Kelly Trail from Morgan St.** – Design continues and is currently on schedule for completion in February 2023. City staff will provide status update at the 4600 Duke St. Project Pre-Construction Meeting planned for early December 2022.
3. **Holmes Run Trail Concrete Repairs** – Duke Street east to Eisenhower Avenue – repairs completed week of October 17.
4. **Holmes Run Trail access to Ripley St. Crossing** – Asphalt Trail Repairs scheduled for week of October 24.

Trail users are encouraged to only use the established detour routes when using the Holmes Run Trail from Eisenhower Avenue west to Holmes Run Parkway. City staff will schedule a community update meeting and 4600 Duke St. Pre-Construction Meeting in December 2022. The next meeting will be announced to this stakeholder group, through City eNews, and on the [Holmes Run Trail Repairs](#) project website. Please forward this email to other interested stakeholders, and you may refer individuals to [Jack.Browand@alexandriava.gov](mailto:Jack.Browand@alexandriava.gov) to be added to the Holmes Run Trail Repairs Stakeholder Group email group.

Sincerely,  
Jack Browand
