The following information lists safety protocols and guidelines we have established to keep campers and staff safe.

Campers must be signed in by a parent/guardian or authorized person each day, upon arrival. If a camper has a temperature above 100.4, the camper will not be permitted to participate on that day, and must be fever free for 24 hours before returning to the summer camp program. A camper will not be allowed to attend if they display any other symptoms of illness. Parent/guardians and authorized persons are not permitted inside the facility/ program unless otherwise noted.

Pick-Up: Children can be picked up at any time during camp hours of 9 a.m. – 6 p.m.; however, pick-up after 6 p.m. can result in your child's/children's removal from the program. Children will only be released to those adults (18 years and older) that are designated and authorized on the registration form to pick up. Parents, Guardians, or Authorized Persons will be required to produce an official Photo ID upon pick up and should call the center from the entrance of the building when they arrive for pick up. Parent/guardians and authorized persons are not permitted inside the facility/ program unless otherwise noted.

Daily Cleaning: All surfaces and equipment are wiped down and disinfected throughout the program day and at the end of each program day. All sports equipment will be disinfected daily and in between group use.

Daily Hygiene: Everyone is required to wash their hands frequently with soap and water for at least 20 seconds. All staff and children are required to wash their hands and/or use hand sanitizer upon arrival to the program, when entering activity areas, before and after meals or snacks, after outdoor play, after going to the bathroom and prior to leaving for home.
