SAFELY DISPOSE OF MEDICATIONS

The U.S. is experiencing an opioid epidemic and Alexandria is far from immune. The best way to fight this epidemic is to dispose of unused or expired prescription and over-the-counter medication. Individuals can drop off medication at these designated locations on April 22 or year-round at a permanent drop box location. Never flush medication down the toilet or place down the sink! Unsafe disposal of drugs can harm the environment.

Everyone should stay up to date with COVID-19 vaccines and get tested if they have symptoms. Individuals may choose to wear a mask at any time. Specific settings, such as health care and congregate facilities, may require masks.
