

2023 Attestation: Completion of Independent Community Policing Review Board Training

Indicate the course(s) you have taken:

- 8 hours of civilian oversight of law enforcement;
- Legal and ethical obligations of members of a public board;
- APD policies and training, including but not limited to defensive tactics, crises intervention and de-escalation; privacy rules and City policies and procedures involving liability, employee discipline, and other matters related to police operations;
- APD and City administrative systems, processes, structures and operations; and
- Additional training as provided by the Office of the Independent Policing Auditor or designee, which may incorporate the following subject matters: mental health, trauma-informed policing, civil rights and constitutional law, race and systemic racism, community organizing and outreach, mediation, investigation, and policing practices, policies and administration.

Indicate that you have completed a minimum of 3 ride-alongs with APD patrol operations:

(Check the patrol division and shift for each ride-along.)
