City of Alexandria, Virginia

MEMORANDUM

DATE: JUNE 13, 2022

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

THROUGH: JAMES F. PARAJON, CITY MANAGER

FROM: KENDEL TAYLOR, DIRECTOR OF FINANCE

DOCKET TITLE:

Public Hearing, Second Reading and Final Passage of an Ordinance Authorizing and Empowering the Issuance, Sale and Delivery of General Obligation Bonds to Finance City and Schools Capital Projects and to Refund Certain Outstanding Bonds of the City. [ROLL -CALL VOTE]

ISSUE: Consideration of an ordinance to authorize the issuance of General Obligation Bonds to finance various City and School capital projects.

RECOMMENDATION: That City Council pass on first reading on June 14, and schedule for second reading, public hearing, and final passage on Saturday, June 18; an ordinance (Attachment 1) authorizing and empowering the issuance, sale and delivery of general obligation bonds up to \$551.7 million to finance various public improvements.

BACKGROUND: The proposed ordinance authorizes the issuance, at one time or from time to time, of up to \$551.7 million in General Obligation Bonds to finance capital projects approved in the FY 2023 Capital Improvement Program (CIP) and projects that were approved in prior year CIPs for which the bond authorization was deferred. Staff anticipates that the first issuance of such bonds will occur in Fall 2022, and the actual amount of bonds the City issues at that time will depend on project timing and cash flow and is anticipated to be for a portion of the total authorization. By managing cash flow and not borrowing funds until they are needed, the City is able to lower its debt service costs. However, including the full authorization of bond issuance at this time helps more clearly align the bond authority approval with the approval of the associated projects. Aligning the authorization to the budget process helps ensure that project planning and contracting can get underway without waiting for a separate bond approval for projects Councils has already approved during the budget process. The authorization also allows the City the flexibility to reimburse expenditures as needed for such projects if the City finds it prudent to wait to issue bonds to take advantage of better market conditions.

This authorization is an estimate of the maximum authority that the City may need based on approved borrowing outlined in the CIP. The FY 2023 CIP includes \$395.5 million in General Obligation borrowing for City and Schools capital projects. This authorization request does not include an additional \$63 million in bonds for Landmark Mall that will be considered separately as part of the overall Landmark project timeline. Deferred borrowing authorizations needed for prior approved City projects totals \$156.2 million, including \$3.1 million for Fire Department apparatus for a total authorization of \$551.7 million. The actual amount and timing of bond sales will depend on the projects' cash needs at the time of issuance, as well as interest rate conditions in the marketplace, but cannot, in the aggregate, be higher than the amount authorized.

FY 2022, \$336.8 million of general obligation debt was authorized for City and Schools projects and Landmark Mall. To date the City has issued approximately \$154.8 million of general obligation bonds, with \$52 million for Schools projects and \$139 million for Landmark Mall redevelopment remaining to be issued from this authorization. These bonds will be issued based on the cash needs for these previously approved FY 2022 projects.

DISCUSSION: The major categories and estimated maximum amounts covered by this FY 2023 bond authorization are described below:

- Schools and City Parks and Buildings - \$358.6 million

Construction, remodeling, renovation and repairing of existing and new City and school buildings and park facilities and acquisition of necessary land and equipment (includes projects contained in the capital improvement program under "Alexandria City Public Schools," "Recreation and Parks," Public Buildings," and "Information Technology Plan").

- Transportation Improvements - \$87.5 million

Maintenance and upgrade of the City's transportation infrastructure, transit infrastructure, and traffic control infrastructure (includes projects contained in the capital improvement program under "Transportation & Transit Infrastructure," and including, without limitation, payment of the City's share of certain Washington Metropolitan Area Transit Authority (i.e., "METRO") capital improvements).

- Infrastructure - \$102.5 million

Construction, renovation and improvement of City storm sewers and waterways and acquisition of necessary equipment (includes projects contained in the capital improvement program under "Community Development," and "Storm water Management").

- Fire Department Vehicles and Apparatus - \$3.1 million

Acquisition of Fire Department vehicles and apparatus contained in the capital improvement program under "Community Development."

Proposed Structure of the Bonds: As is the City's practice, the contemplated bond issue (or issues depending

on cash flow timing) will be issued as full faith and credit general obligation bonds. They are expected to be serial bonds with an aggressive repayment schedule of planned annual fixed repayment amounts over the life of the bonds, include a 10-year call provision, and be competitively bid. With these provisions and the City's solid financial management practices, it is expected that bonds will be rated Aaa by Moody's Investor's Service and AAA by Standard and Poor's. The bonds are expected to be issued as tax-exempt, fixed rate bonds. Given the current market demands for AAA/Aaa-rated municipal bonds and given favorable market conditions that have seen the municipal bond market outperforming other markets, the City should see the True Interest Cost (TIC) for the City and School bonds at or around a 3.0 percent TIC. The City's rate for recent issuances has ranged from 1.5 to 3 percent but increases in interest rates by the Federal Reserve would likely increase the interest rate on these bonds.

FISCAL IMPACT: Assuming a relatively even issuance of \$184 million per year, the annual increase in debt service each year is anticipated to be approximately \$12 million as a result of this authorization and is included in the FY 2023 Approved Budget. Total debt service budgeted in FY 2022 is \$73.2 million. As of June 30, 2021, the City had \$704,117,000 of outstanding debt.

11 pursuant to a public or private placement and may be sold on a negotiated or competitive bid basis,
12 all as may be determined by the Authorized Officer. The Authorized Officer is authorized and

14 the lowest true interest cost to the City and the Bonds shall bear interest, payable semi-annually,
15 at such rate or rates and shall be sold to the successful bidder or bidders at such price as may be
16 set forth in the bid or bids so accepted, or, if he or she deems it to be in the City's financial interest,

18 purchasers; provided that (a) the true interest cost of the New Money Bonds shall not exceed 6.5%

22 the best interest of the City. The City Council may provide for additional or other terms of the
23 Bonds by subsequent resolution.
24

25 5. Form of Bonds. The Bonds shall be in substantially the form attached to this Ordinance
26 as Exhibit A, with such appropriate variations, omissions and insertions as are permitted or
27 required by this Ordinance. There may be endorsed on the Bonds such legend or text as may be

29 authority or any usage or requirement of law with respect thereto.
30

31 6. Book-Entry-Only-Form. The Bonds may be issued in book-entry-only form. The
32 Bonds shall be issued in fully-registered form and may be registered in the name of Cede & Co.,
33 as nominee of The Depository Trust Company, New York, New York ("DTC") as registered owner
34 of the Bonds, or in the name of another DTC nominee, and immobilized in the custody of DTC.
35 One fully registered Bond in typewritten or printed form for the principal amount of each maturity
36 of the Bonds may be registered to DTC or its nominee. In such event, beneficial owners of the
37 Bonds shall not receive physical delivery of the Bonds and principal, premium, if any, and interest
38 payments on the Bonds shall be made to DTC or its nominee as registered owner of the Bonds on
39 the applicable payment date.
40

41 Transfer of ownership interest in the Bonds may be made by DTC and its participants (the
42 "Participants"), acting as nominees of the beneficial owners of the Bonds in accordance with rules
43 specified by DTC and its Participants. In such event, the City shall notify DTC of any notice
44 required to be given pursuant to this Ordinance or the Bonds not less than fifteen (15) calendar
45 days prior to the date upon which such notice is required to be given and the City shall also comply
46 with the agreements set forth in the City's Letter of Representations to DTC.

1
2 In the event the Bonds are issued in book-entry-only form and registered in the name of
3 DTC's nominee as permitted above, replacement Bonds (the "Replacement Bonds") may be issued
4 directly to beneficial owners of the Bonds rather than to DTC or its nominee but only in the event
5 that:

- 6
7 (i) DTC determines not to continue to act as securities depository for the Bonds; or
8
9 (ii) The City has advised DTC of its determination not to use DTC as a securities
10 depository; or
11
12 (iii) The City has determined that it is in the best interest of the beneficial owners of the
13 Bonds or the City not to continue the book-entry system of transfer.
14

15 Upon the occurrence of an event described in (i) or (ii) above, the City shall attempt to
16 locate another qualified securities depository. If the City fails to locate another qualified securities
17 depository to replace DTC, the City Council shall execute and deliver Replacement Bonds
18 substantially in the form set forth in Exhibit A to this Ordinance to the Participants. In the event
19 the City Council, in its discretion, makes the determination noted in (iii) above and has made
20 provisions to notify the beneficial owners of the Bonds by mailing an appropriate notice to DTC,
21 the appropriate officers and agents of the City shall execute and deliver Replacement Bonds
22 substantially in the form set forth in Exhibit A to this Ordinance to any Participants requesting
23 such Replacement Bonds. Principal of and interest on the Replacement Bonds shall be payable as
24 provided in this Ordinance and in the Bonds, and Replacement Bonds will be transferable in
25 accordance with the provisions of paragraphs 10 and 11 of this Ordinance and the Bonds.
26

27 7. Appointment of Bond Registrar and Paying Agent. The Authorized Officer is
28 authorized and directed to appoint a Bond Registrar and Paying Agent for the Bonds, and as long
29 as the Bonds are in book-entry form, any Authorized Officer may serve as Paying Agent.
30

31 The Authorized Officer may appoint a subsequent registrar and/or one or more paying
32 agents for the Bonds upon giving written notice to the owners of the Bonds specifying the name
33 and location of the principal office of any such registrar or paying agent.
34

35 8. Execution of Bonds. The Mayor and the Clerk of the City are authorized and directed
36 to execute appropriate negotiable Bonds and to affix the seal of the City thereto and to deliver the
37 Bonds to the purchaser thereof upon payment of the purchase price. The manner of execution and
38 affixation of the seal may be by facsimile, provided, however, that if the signatures of the Mayor
39 and the Clerk are both by facsimile, the Bonds shall not be valid until signed at the foot thereof by
40 the manual signature of the Bond Registrar.
41

42 9. CUSIP Numbers. The Bonds may have CUSIP identification numbers printed thereon.
43 No such number shall constitute a part of the contract evidenced by the Bond on which it is
44 imprinted and no liability shall attach to the City, or any of its officers or agents by reason of such
45 numbers or any use made of such numbers, including any use by the City and any officer or agent
46 of the City, by reason of any inaccuracy, error or omission with respect to such numbers.

1
2 10. Registration, Transfer and Exchange. Upon surrender for transfer or exchange of any
3 Bond at the principal office of the Bond Registrar, the City shall execute and deliver and the Bond
4 Registrar shall authenticate in the name of the transferee or transferees a new Bond or Bonds of
5 any authorized denomination in an aggregate principal amount equal to the Bond surrendered and
6 of the same form and maturity and bearing interest at the same rate as the Bond surrendered, subject
7 in each case to such reasonable regulations as the City and the Bond Registrar may prescribe. All
8 Bonds presented for transfer or exchange shall be accompanied by a written instrument or
9 instruments of transfer or authorization for exchange, in form and substance reasonably
10 satisfactory to the City and the Bond Registrar, duly executed by the registered owner or by his or
11 her duly authorized attorney-in-fact or legal representative. No Bond may be registered to bearer.
12

13 New Bonds delivered upon any transfer or exchange shall be valid obligations of the City,
14 evidencing the same debt as the Bonds surrendered, and shall be secured by this Ordinance and
15 entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.
16

17 11. Charges for Exchange or Transfer. No charge shall be made for any exchange or
18 transfer of Bonds, but the City may require payment by the registered owner of any Bond of a sum
19 sufficient to cover any tax or other governmental charge which may be imposed with respect to
20 the transfer or exchange of such Bond.
21

22 12. Non-Arbitrage Certificate and Tax Covenants. The Authorized Officer and such
23 officers and agents of the City as the Authorized Officer may designate are authorized and directed
24 to execute with respect to the Bonds one or more Non-Arbitrage Certificates and Tax Covenants
25 setting forth the expected use and investment of the proceeds of the Bonds and containing such
26 covenants as may be necessary in order to comply with the provisions of the Internal Revenue
27 Code of 1986, as amended (the "Tax Code"), including the provisions of Section 148 of the Tax
28 Code and applicable regulations relating to "arbitrage bonds." The City Council covenants on
29 behalf of the City that the proceeds from the issuance and sale of the Bonds will be invested and
30 expended as set forth in the City's Non-Arbitrage Certificate and Tax Covenants relating to such
31 Bonds, to be delivered simultaneously with the issuance and delivery of such Bonds and that the
32 City shall comply with the other covenants and representations contained therein.
33

34 13. Defeasance. Bonds may be defeased pursuant to Section 15.2-2623 of the Code of
35 Virginia of 1950, as amended, or any successor statute and shall be deemed no longer outstanding
36 upon the establishment of an escrow or sinking fund for such Bonds meeting the requirements of,
37 and the satisfaction of other conditions, if any, to defeasance set forth in such Section 15.2-2623
38 or successor statute.
39

40 14. Disclosure Documents. The Authorized Officer and such officers and agents of the
41 City as the Authorized Officer may designate are hereby authorized and directed to prepare,
42 execute, if required, and deliver appropriate notices of sale, preliminary official statements, official
43 statements, continuing disclosure agreements or such other offering or disclosure documents as
44 may be necessary to expedite the sale of the Bonds. The notices of sale, preliminary official
45 statements, official statements, continuing disclosure agreements or other documents shall be
46 published in such publications and distributed in such manner, including electronically, and at such

1 times as the Authorized Officer shall determine. The Authorized Officer is authorized and directed
2 to deem the preliminary official statements "final" for purposes of Securities and Exchange
3 Commission Rule 15c2-12.
4

5 15. Further Actions. The Authorized Officer and such officers and agents of the City as
6 the Authorized Officer may designate are authorized and directed to take such further action as
7 they deem necessary regarding the issuance and sale of the Bonds including the execution and
8 delivery of such bond purchase agreement or agreements as may be required in connection with
9 any negotiated sale of the Bonds and the execution and delivery of any such other documents,
10 agreements and certificates as they may deem necessary or desirable and all actions taken by such
11 officers and agents in connection with the issuance and sale of the Bonds are ratified and
12 confirmed.
13

14 16. Reimbursement. The City Council adopts this declaration of official intent under U.S.
15 Treasury Regulations Section 1.150-2. The City Council reasonably expects to reimburse advances
16 made or to be made by the City to pay the costs of the Projects from the proceeds of its debt. The
17 maximum amount of debt expected to be issued for the Projects is set forth in paragraph 1 above.
18 The City hereby authorizes the Authorized Officer, on behalf of the City, to specifically declare
19 the City's official intent to reimburse portions of the cost of the Projects with New Money Bond
20 proceeds.
21

22 17. Effective Date; Applicable Law. In accordance with Section 15.2-2601 of the Code
23 of Virginia of 1950, as amended, the City Council elects to issue the Bonds pursuant to the
24 provisions of the Public Finance Act of 1991 without regard to the requirements, restrictions or
25 other provisions contained in the Charter of the City.
26

28 passage.

The City Council hereby determines that it is advisable to contract a debt and to issue and sell, in addition to the New Money Bonds authorized in paragraph 1 of this Ordinance, general obligation refunding bonds (the "Refunding Bonds" and, together with the New Money Bonds, the "Bonds") on the terms determined in the manner set forth in this Ordinance. The proceeds from the issuance and sale of the Refunding Bonds shall be used to refund, redeem and/or defease certain outstanding bonds issued by the City (the "Refunded Bonds") and to pay the costs of issuing the Refunding Bonds. The specific bonds to be refunded shall be determined by the Authorized Officer, pursuant to the criteria set forth in this paragraph. The Authorized Officer is authorized to determine the series, maturities and amounts of the Refunded Bonds as such officer determines to be in the best interest of the City as long as the minimum savings achieved by issuance of the Refunding Bonds is not less than 3% savings on a present value basis compared to the existing debt service on the Refunded Bonds. The Authorized Officer is authorized to enter into an escrow agreement providing for the deposit of proceeds of the Refunding Bonds and the refunding and redemption of the Refunded Bonds with such escrow agent as the Authorized Officer may select.

3. Pledge of Full Faith and Credit. The full faith and credit of the City are hereby irrevocably pledged for the payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable. The City Council shall levy an annual ad valorem tax upon all property in the City, subject to local taxation, sufficient to pay the principal of, premium, if any, and interest on the Bonds as the same shall become due for payment unless other funds are lawfully available and appropriated for the timely payment thereof.

4. Details and Sale of Bonds. The Bonds shall be issued upon the terms established pursuant to this Ordinance and upon such other terms as may be determined in the manner set forth in this Ordinance. The Bonds shall be issued in one or more taxable or tax-exempt series, in fully

registered form, shall be dated such date or dates as the Authorized Officer may approve, shall be in the denominations of \$5,000 each or whole multiples thereof and shall be numbered from R-1 upwards consecutively. The Bonds shall mature on such dates and in such amounts and shall be issued in such principal amount as the Authorized Officer may approve, provided that: (a) the final maturity of any New Money Bond is not more than approximately 20 years from its date and the aggregate principal amount of the New Money Bonds is not more than \$551,700,000; and (b) the final maturity of the Refunding Bonds is not later than one year after the final maturity of the Refunded Bonds and the aggregate principal amount of the Refunding Bonds is not more than the amount needed to pay the principal of and premium, if any, and interest on the Refunded Bonds to their redemption date and to pay the costs of issuing the Refunding Bonds. The Bonds may be sold pursuant to a public or private placement and may be sold on a negotiated or competitive bid basis, all as may be determined by the Authorized Officer. The Authorized Officer is authorized and directed, at his or her option, to accept a bid or bids for the purchase of the Bonds which results in the lowest true interest cost to the City and the Bonds shall bear interest, payable semi-annually, at such rate or rates and shall be sold to the successful bidder or bidders at such price as may be set forth in the bid or bids so accepted, or, if he or she deems it to be in the City's financial interest, to forego such competitive bidding and negotiate the sale of the Bonds to one or more initial purchasers; provided that (a) the true interest cost of the New Money Bonds shall not exceed 6.5% per annum and (b) the debt savings criteria set forth in paragraph 2 of this Ordinance is satisfied with respect to the Refunding Bonds. The Authorized Officer is authorized and directed to approve such optional redemption provisions for the Bonds as such officer or officers determine to be in the best interest of the City. The City Council may provide for additional or other terms of the Bonds by subsequent resolution.

5. Form of Bonds. The Bonds shall be in substantially the form attached to this Ordinance as Exhibit A, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance. There may be endorsed on the Bonds such legend or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

6. Book-Entry-Only-Form. The Bonds may be issued in book-entry-only form. The Bonds shall be issued in fully-registered form and may be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC") as registered owner of the Bonds, or in the name of another DTC nominee, and immobilized in the custody of DTC. One fully registered Bond in typewritten or printed form for the principal amount of each maturity of the Bonds may be registered to DTC or its nominee. In such event, beneficial owners of the Bonds shall not receive physical delivery of the Bonds and principal, premium, if any, and interest payments on the Bonds shall be made to DTC or its nominee as registered owner of the Bonds on the applicable payment date.

Transfer of ownership interest in the Bonds may be made by DTC and its participants (the "Participants"), acting as nominees of the beneficial owners of the Bonds in accordance with rules specified by DTC and its Participants. In such event, the City shall notify DTC of any notice required to be given pursuant to this Ordinance or the Bonds not less than fifteen (15) calendar days prior to the date upon which such notice is required to be given and the City shall also comply with the agreements set forth in the City's Letter of Representations to DTC.

In the event the Bonds are issued in book-entry-only form and registered in the name of DTC's nominee as permitted above, replacement Bonds (the "Replacement Bonds") may be issued directly to beneficial owners of the Bonds rather than to DTC or its nominee but only in the event that:

- (i) DTC determines not to continue to act as securities depository for the Bonds; or
- (ii) The City has advised DTC of its determination not to use DTC as a securities depository; or
- (iii) The City has determined that it is in the best interest of the beneficial owners of the Bonds or the City not to continue the book-entry system of transfer.

Upon the occurrence of an event described in (i) or (ii) above, the City shall attempt to locate another qualified securities depository. If the City fails to locate another qualified securities depository to replace DTC, the City Council shall execute and deliver Replacement Bonds substantially in the form set forth in Exhibit A to this Ordinance to the Participants. In the event the City Council, in its discretion, makes the determination noted in (iii) above and has made provisions to notify the beneficial owners of the Bonds by mailing an appropriate notice to DTC, the appropriate officers and agents of the City shall execute and deliver Replacement Bonds substantially in the form set forth in Exhibit A to this Ordinance to any Participants requesting such Replacement Bonds. Principal of and interest on the Replacement Bonds shall be payable as provided in this Ordinance and in the Bonds, and Replacement Bonds will be transferable in accordance with the provisions of paragraphs 10 and 11 of this Ordinance and the Bonds.

7. Appointment of Bond Registrar and Paying Agent. The Authorized Officer is authorized and directed to appoint a Bond Registrar and Paying Agent for the Bonds, and as long as the Bonds are in book-entry form, any Authorized Officer may serve as Paying Agent.

The Authorized Officer may appoint a subsequent registrar and/or one or more paying agents for the Bonds upon giving written notice to the owners of the Bonds specifying the name and location of the principal office of any such registrar or paying agent.

8. Execution of Bonds. The Mayor and the Clerk of the City are authorized and directed to execute appropriate negotiable Bonds and to affix the seal of the City thereto and to deliver the Bonds to the purchaser thereof upon payment of the purchase price. The manner of execution and affixation of the seal may be by facsimile, provided, however, that if the signatures of the Mayor and the Clerk are both by facsimile, the Bonds shall not be valid until signed at the foot thereof by the manual signature of the Bond Registrar.

9. CUSIP Numbers. The Bonds may have CUSIP identification numbers printed thereon. No such number shall constitute a part of the contract evidenced by the Bond on which it is imprinted and no liability shall attach to the City, or any of its officers or agents by reason of such numbers or any use made of such numbers, including any use by the City and any officer or agent of the City, by reason of any inaccuracy, error or omission with respect to such numbers.

10. Registration, Transfer and Exchange. Upon surrender for transfer or exchange of any Bond at the principal office of the Bond Registrar, the City shall execute and deliver and the Bond Registrar shall authenticate in the name of the transferee or transferees a new Bond or Bonds of any authorized denomination in an aggregate principal amount equal to the Bond surrendered and of the same form and maturity and bearing interest at the same rate as the Bond surrendered, subject in each case to such reasonable regulations as the City and the Bond Registrar may prescribe. All Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to the City and the Bond Registrar, duly executed by the registered owner or by his or her duly authorized attorney-in-fact or legal representative. No Bond may be registered to bearer.

New Bonds delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Bonds surrendered, and shall be secured by this Ordinance and entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

11. Charges for Exchange or Transfer. No charge shall be made for any exchange or transfer of Bonds, but the City may require payment by the registered owner of any Bond of a sum sufficient to cover any tax or other governmental charge which may be imposed with respect to the transfer or exchange of such Bond.

12. Non-Arbitrage Certificate and Tax Covenants. The Authorized Officer and such officers and agents of the City as the Authorized Officer may designate are authorized and directed to execute with respect to the Bonds one or more Non-Arbitrage Certificates and Tax Covenants setting forth the expected use and investment of the proceeds of the Bonds and containing such covenants as may be necessary in order to comply with the provisions of the Internal Revenue Code of 1986, as amended (the "Tax Code"), including the provisions of Section 148 of the Tax Code and applicable regulations relating to "arbitrage bonds." The City Council covenants on behalf of the City that the proceeds from the issuance and sale of the Bonds will be invested and expended as set forth in the City's Non-Arbitrage Certificate and Tax Covenants relating to such Bonds, to be delivered simultaneously with the issuance and delivery of such Bonds and that the City shall comply with the other covenants and representations contained therein.

13. Defeasance. Bonds may be defeased pursuant to Section 15.2-2623 of the Code of Virginia of 1950, as amended, or any successor statute and shall be deemed no longer outstanding upon the establishment of an escrow or sinking fund for such Bonds meeting the requirements of, and the satisfaction of other conditions, if any, to defeasance set forth in such Section 15.2-2623 or successor statute.

14. Disclosure Documents. The Authorized Officer and such officers and agents of the City as the Authorized Officer may designate are hereby authorized and directed to prepare, execute, if required, and deliver appropriate notices of sale, preliminary official statements, official statements, continuing disclosure agreements or such other offering or disclosure documents as may be necessary to expedite the sale of the Bonds. The notices of sale, preliminary official statements, official statements, continuing disclosure agreements or other documents shall be published in such publications and distributed in such manner, including electronically, and at such
